## MESSAGE FROM MATT

### The Golden Rules

#### – Avoidance of Prohibited Substance Breaches

In noting that we have seen recent Cobalt and Arsenic threshold breaches, it serves as a timely opportunity for GRSA to remind participants – in their own best interests – that there are a number of Golden Rules that can help them to avoid making any such breaches (for prohibited substances generally) and which should be adhered to as principles of best practice:

- Always consult your vet to seek guidance in relation to any of the products that you are using, any associated risks, and other relevant context
- Review the range of any feeds or supplements that you typically purchase and, wherever it is reasonable to do so, replace products containing substances that could contribute to a threshold breach under the rules (eg. cobalt) with alternative products
- Observe the instructions on any products that you use and adhere strictly to those directions (having regard for prescribed amounts, frequency of administration/application, methodology for administering/applying)
- Refrain from the use of injectable treatments (eg. Vitamin B12) to any extent that is practical
- Refrain from any treatment of a greyhound on raceday other than as relates to its feeding and drinking requirements (GAR83(a)(1) treats this as a specific offence)

Our registered participants have the ultimate responsibility to ensure that greyhounds are presented free of prohibited substances. This information is offered as advice in good faith only and should not be relied upon as a defence in the event of a breach being recorded.

These Golden Rules will appear in the Integrity section of future Kennel Capers editions on an ongoing basis as a reminder for participants of this responsibility.

## Bogie looking to make it a double

The Ben Rawlings trained Bogie Bekim will be looking to make it two Group 1 wins on Saturday night at Wentworth Park.

Bogie Bekim qualified for the final of the Group 1 Association Cup on Saturday night after winning his heat last week running 41.96 over the 720m. If successful it will be Bogie's second Group 1 win for the Rawlings kennel after his great win in the Group 1 Galaxy at Cannington, Perth in February.

## Fabregal edged out in thriller

SA Bred sprint queen **Fabregal** had a fantastic duel with Melbourne Cup runner-up Jesaulenko finishing 2nd in the Group 2 Traralgon Cup.

In her first series since being switched to Victorian trainer Lyn Smith, Fabregal ran 2nd in the Traralgon Cup heat but ran a terrific time and drew a favourable box 1 for the final. In the final Fabregal began quick and led for most of the race before the fast finishing Jesaulenko edged her out just before the line.

## The Worm burns up Sandown

It didn't take long for **Worm Burner** to make an impression in Victoria after moving to the Thompson Kennels.

In his debut for the Thompson kennel on the 23rd March at Sandown over the 515m, Worm Burner began well and led the whole race posting a very slick time of 29.18. He backed up the following week posting an even slightly better time of 29.16. These performances put him at the top of the rankings for the upcoming Bill Collins Memorial Speed Star series.

# A great March for Molly

Greyhound of the month for March was Molly Be Nimble for trainer Cameron Butcher who won three of her four starts highlighted by her sizzling performance in the St Patrick's Day Sprint.

The daughter of Nitro Burst and Hope's Up started the month of with two back to back wins at headquarters running 29.83 and 29.69 respectively. She then started the punters elect in the St Patrick's Day Sprint and didn't let her supporters down leading throughout in a flying 29.64 in winning by just over 1 length.

Her last start for March was at Gawler where she started a short priced favourite and was beaten in the shadows of the post after leading most of the way finishing second.

At the end of the month Molly Be Nimble's record stands at 41 starts with 20 wins and 7 placings, and earnings just under \$35,000.

## See our vests!

### Red Vests Available

Participants are able to purchase their very own red vests for \$20 however GRSA will always have some available. These vests look very smart and come up particularly well on Sky Racing promoting SA Racing so with that in mind the long parade coats have been phased out of action with participants required to have a black or navy jumper available to be worn under the vests.

GRSA has introduced the Online Booking process for Saturday morning trials.

Bookings are taken as per normal by phone and online at 12.30pm on the Thursday before. Like Tuesday night these will be timeslots giving participants guaranteed bookings and allowing a smoother process. Trials on Saturday mornings start at 7.00am as normal with 25 minute blocks likely to go to around 10.30am. GRSA will monitor the bookings and attendance and may vary conditions and timeslots as required.

# Booking of Tuesday night trials at Angle Park

Please be advised to encourage participants to use the online booking facility for Tuesday night, trials have opened up for bookings an hour earlier than phone bookings. You will therefore, be able to book online from 11.30am on the Monday prior to Tuesday night trials.

Our GRSA staff is available to provide support and training for those participants who require it, please contact GRSA to organise.

This came into effect from Tuesday 22nd November trial session.

For participants who wish to continue to book via the telephone please ensure you follow the below directions:

1. DO NOT phone prior to 12.30pm as NO calls will be placed on hold and your call will not be answered prior to 12.30pm. 2. Ensure you know exactly what type and number of trial/s you require.
3. No other queries will be answered to ensure a timely manner of answering the calls that are in queue for booking trials.
4. Please understand that our staff provides you with the best possible and earliest time available so they will not enter into a debate about the reasons why.
5. DO NOT book more trials than required. GRSA will be monitoring this situation and if required action may be taken against offenders.

# INTEGRITY

## From the Stewards

### Clipping toenails

**Recently Stewards and on-track veterinarians have noticed an increase in greyhounds being presented for racing with long nails.**

Greyhounds need to have their nails clipped regularly. Long nails during racing can cause injury to your greyhound and others in the event. It is the Trainers responsibility to present a greyhound fit for racing. If in doubt, speak to your veterinary surgeon.

### Locked medication cabinets

**All Trainers are reminded to ensure all medications are kept in a locked container, cabinet or cupboard.**

Animal Welfare check this during kennel inspections. Failure to comply may result in fines being issued.

### Licensing reminder

**Just a friendly reminder that licensing of new and upgraded licences can take some time.**

At times, Stewards may require further information such as clearances from other racing jurisdictions, National Police Clearances, face-to-face interviews or other information in support of applications. Please lodge all paperwork in a timely manner and allow time for processing.

### Smoking in the Angle Park Trainers car park

**GRSA reminds Trainers and handlers using the Angle Park carpark that smoking is not permitted.**

New signs will be erected shortly.

# PROJECTS UPDATE

**SCOTT WUCHATSCH**  
STRATEGIC PROJECTS MANAGER

## Changes to track maintenance schedule

Over the past few months the Maintenance Department has sought to refine their track harrowing schedule to achieve the most consistent and safe racing surface possible for race meetings.

During this period, the harrowing of the surface has been completed on a more regular basis and the results from an injury perspective have been extremely promising.

As a result of these investigations, changes have been made to the harrowing schedule of both Angle Park and Gawler, which can be found below.

Given the frequency of this work, it is no longer our intention to advise participants every time a medium harrow has been performed on either track.

### Angle Park

- Medium depth harrow monthly (last Friday of month)
- Full track turnover and level annually

### Gawler

- Medium depth harrow fortnightly (on Thursday)
- Full track turnover and level annually

Obviously the scheduling of this work will be weather dependent and GRSA will still advise of major works being undertaken to the racing surface.

---

## Mobilong Prison GAP facility nearing completion

Works to construct a GAP facility at the Mobilong Prison in Murray Bridge have escalated, with the building works nearing completion.

The facility is a joint venture between GRSA and the Department of Correctional Services and when completed will have capacity to house 16 greyhounds at any given time.

GRSA expects handover of the new building to occur at some point in the next few weeks before greyhounds being fostered out into the Prison.

# Expansion of alternative lure trials

For several weeks GRSA has been conducting a limited trial of the blue, yellow and white lure (pictured right), which is currently in use in Victoria, WA and NSW.

Whilst the initial trial has been well received by those trainers participating, the lack of widespread participation has limited the volume of feedback required for GRSA to decide upon the future of the lure.

As a result, GRSA will conduct two full trial sessions using only the new lure. These will occur on consecutive Angle Park Saturday morning trial sessions on 22nd and 29th April, 2017.

GRSA recognises that trainers may be reluctant to participate in the trial, therefore the decision has been made to make these completely free sessions.

## Details of Alternative Lure Trials

**Where:** Angle Park

**When:** Saturday 22nd April, 2017

Saturday 29th April, 2017

**Time:** Normal Saturday morning session from 7.00am

**Cost:** Free

Following these full trial sessions using the alternative lure, GRSA will then invite feedback from trainers which will then be discussed by the Industry Consultative Group (ICG) at their next meeting on Friday 5th May, 2017.

The intention of these trials is to explore why the blue, yellow and white lure would be unsuitable for introduction in SA. Local greyhounds competing interstate have performed well behind this type of lure (Worm Burner and Bogie Bekim) which suggests greyhounds will adapt quickly to the different lure type.

The Tuesday night trials with the new lure will continue on the 18th April but will cease from the 25th April with trialling on the Saturday morning.

## GAP Adoption Days

March 31st saw GAP SA trial a new Friday afternoon timeslot for their adoption day. It proved to be a success with a total of 17 greyhounds adopted, bringing the monthly total of adoptions to a whopping 50.

A huge thank you must go out to all the staff and volunteers that made such a day possible. Check out some happy snaps from the day below.

The next Adoption Day has been scheduled for Saturday April 22, 11.00am to 1.30pm, with the event reoccurring on a monthly basis. Keep an eye on GAP SA's Facebook feed for further information.

## Meet our Foster Carers

### Hans

Our Foster Carers are a vital part of what we do and we appreciate all their efforts helping our gorgeous greyhounds get settled into new homes. We thought we would ask our Foster carers about their experiences and hopefully give some insight into how it all works for those thinking about giving it a go. This editions profile is Hans, who is both a foster carer and a trainer, and absolutely loves greyhounds!

#### How did you find out about GAP SA?

I adopted my first dog through GAP SA called Victor (Victor Big Boy- Ron Shadows dog), after which I decided to get into training them.

#### Why did you become a foster carer?

I wanted to ensure the best for my own dogs and make sure they are really ready to go out as a pet. I enjoyed fostering so much that I started fostering not only my own dogs but other peoples as well.

#### How many dogs have you fostered?

3 - Timmy, Slurpy/Wilson and Markus - I'm ready for my next in a couple of week's time.

#### What do you love about greyhounds?

They are very peaceful natured dogs. They have such a chilled out temperament. I have had a lot of dogs, all types of breeds throughout my life and I believe that greyhounds are great because they are so human-like and are so sensitive to people and what's going on around them.

#### Any advice for first time foster carers?

Just that they should go for it and not over think the experience to much. Some people find that fostering is harder because they are over thinking it too much. They will need to allow the greyhounds time to adjust and some may have anxiety in their adjustment period so they will need to be calm and easy going about it, as they are adjusting to another place.

Hans also mentioned that he has been enjoying fostering a lot and that he may even like it more than training! He said that it is so rewarding to make a difference and help set up a greyhounds life.

Great work and thanks Hans!

## The Adventures of BURGER-BOY

McQUEENS  
100 Burgers

Look for  
Burger-Boy on

*In the deepest, darkest recesses of the McQueens kitchen a project was born to create a nuclear-infused burger that was the most explosive tasting burger ever!*

*The patty was cooked to perfection inside a special Nuclear oven but it also glowed an odd green colour and noone wanted to touch it! They had made a huge mistake. Someone had to eat this monstrosity however, as too much money had been put into the project! The responsibility was placed upon kitchen-hand Mack, who everyone voted had the gut best placed to handle the experiment. In a sealed chamber, Mack began eating and despite its horrid look, the burger did indeed taste amazing! Mack couldn't stop until every last crumb was eaten! But then he felt odd. He didn't feel full at all despite consuming a 5th of his body weight in burger. Mack wanted more! His appetite had morphed into an unsatiable monster! Mack had become BURGER-BOY! His sole aim - to eat every thing on the McQueens 100 Burger menu! Its not world domination but at least he has goals.*

# Jamie's day out

## ■ GAWLER

Jamie Quinlivian had a day out on Tuesday 27<sup>th</sup> of March with 2 wins and a second place achieved by his team.

Race 7 saw the start of Jamie's run with Assaulted Pepper jumping to the lead from the start comfortably beating Matthew Payne's greyhound Skinny Bob by 3 lengths in a time of 22.89 seconds over the 400m journey.

The following race had Silverband Falls running 2nd to greyhound Thumb A Ride locally trained by Troy Murray. Thumb A Ride finished in 22.73 seconds over 400m to beat Silverband Falls by 5 lengths. Jamie had his second win of the day in race 10 over 400m with Signal Pete running down Emerley Avenue on the line trained by Judi Hurley, winning by a nose in a time of 22.79 seconds.

Jamie lives and trains his greyhounds just outside of Mildura at Merbein South and travels weekly over the border to race his greyhounds. Jamie said that his wife does a mountain of work to prepare the kennel while he is travelling to race his greyhounds. Jamie owns the litter mother Rustic Reeta and said that he breeds and trains greyhounds because of the enjoyment that he gets out of it. Assaulted Pepper, Silverband Falls and Signal Pete are out of the same litter born June 2014. The litter has won more than 70 races in total and Jamie has two others of

*Assaulted Pepper with Kathy Hurley after winning his race on 27<sup>th</sup> of March at Gawler.*

the same litter trained and racing in Melbourne. This is the dam Rustic Reeta's first litter and she has her second litter showing promise and will be racing shortly. Jamie will be breeding with her again one final time.

# Persistent and wise

## ■ GAWLER

**Persistence paid off for trainer Vadim Roz on Tuesday 14<sup>th</sup> March with his runner Should Be Wise showing that starting out late is no barrier to winning.**

It was a closely contested start in the Maiden event over the 400m trip, but shortly after, Should Be Wise was able to hit the lead from box 4. Stick Shifter (5) ran into second place, with Blaxland (2) on its inside, however both runners were back some three lengths off the pace. Blaxland ran on well to close the gap but Should Be Wise had too much in hand and went on to win by two lengths in a good time of 22.98 secs.

Trained by Roz at Victor Harbor, the fawn dog arrived in SA in September

last year, but some bad luck with injury, and then a serious grass seed issue which required surgery has held him back.

As the months rolled on, Vadim Roz was questioning his decision to take the dog on, but he had faith and didn't want to give up. The final hold up came when he was waiting to receive the naming papers back, but Should Be Wise finally made it to the track at 2 years and 9 months of age. Given all that, plus the poor box draw and the ability of the opposition, Vadim Roz was not that confident of a first up win, but he was relieved after the win. Vadim Roz is enjoying the greyhound scene and likes to work with a small team of up to 8 greyhounds. Should Be Wise has vindicated Vadim Roz's persistence

*Should Be Wise with trainer Vadim Roz.*

and the greyhound showed enough first up to show that the wait was worth it.

# Consistent trio breakthrough for wins

## ■ MOUNT GAMBIER

It took a while, but consistent greyhounds Bekim Lucy's, Indi's Fancy and Jaeda Sienn finally broke through for their first wins when successful at Tara Raceway on Friday 7th April.

Bekim Lucy's, after two thirds and three fourths at her past five starts, looked well placed from box three in the JB Irrigation Maiden Stake over 512 metres. Down the back straight, though, the November 2014 daughter of Bekim Bale and Lucy's Moment still had plenty of work to do when a distant fourth behind Morris Peer, race favourite Bushman's Mate and My Dad's Dream.

But off the back Bekim Lucy's, having her thirteenth race start, moved out to make her run before finishing strongly in the home straight to defeat Bushman's Mate and Morris Peer by 2¼ lengths in 30.67 seconds.

The win was the first leg of a double for the litter with Dimora Bekim, trained at Compton by Tracie Price for Kevin and Bernie Bouchier, leading all the way in the Berringa Park Stake (400 m) and clocking 23.28 seconds, well under the Pathway time standard of 23.69 seconds.

Bekim Lucy's was purchased by Mount Gambier owner-trainer Willie Vossen as a pup from Price, together with litter sister Cee Jay's Heart, who he races in partnership with Jodie Freeman.

With eight minor placings from 11 starts, and box one thrown in for good measure, surely the Rock's Retreat Stake (400 m) was Indi's Fancy's chance to open her winning account for Cashmore trainer Ben Boers.

She had run a distant second behind a pretty smart one in Galactic Spirit

**ABOVE:** Trinity (left), Ben, Melody and Lizzie Boers pictured with Indi's Fancy after her maiden win at Tara Raceway.

**RIGHT:** Jen and Monty Wilson were all smiles after Jaeda Sienn broke through for her first win at Tara Raceway.

– now three from three after another win on Friday – at her previous start but there certainly didn't appear to be any greyhounds of that calibre in this maiden event.

That's the way it turned out with Indi's Fancy virtually leading all the way to defeat first starter Summer Raine by 2½ lengths in 23.85 seconds and give Boers his first winner as a trainer since Lots Of Yap won at Tara Raceway in late November 2015.

By Swift Fancy out of Indi's My Girl – a winner of three races at Cannington and Mandurah – Indi's Fancy was a giveaway via the internet site Greyhound-Data.

"Actually, she wasn't the one I actually rang up about when making original contact," Boers said. "That one had gone but they did have an unnamed bitch (later to be named Indi's Fancy) they reckoned was too good for GAP that I could have if I was interested."

It was a similar story for Jaeda Sienn who led all the way from box seven to defeat first-starter Colden Blu Boy by 4½ lengths in 23.58 seconds in the Greyhound-Data.com Maiden Stake over 400 m.

By Cosmic Chief out of White Butterfly, Jaeda Sienn is trained at Mumbannar by Monty Wilson who also trained White Butterfly, still a maiden upon retirement after racing on 19 occasions at Horsham and Warrnambool for 11 minor placings.

However, her litter was more than handy and included New Tibur (\$79,000 in prizemoney) and Soho Rhythm (\$55,000).

And it appeared as though Jaeda Sienn – with four minor placings to her name – was heading down the same path as her dam when she lined up for start number 15 on Friday.

But, according to Wilson, several 512 metre runs had really toughened her up and after finding the front she was always going to be hard to run down.

Jaeda Sienn was actually reared by him and wife Jen on a one-for-one basis with Friday a pretty good day for the Wilsons who also led in three seconds – Bushman's Mate, Bushman's Shadow and Kylan Brae.

As a result, Monty Wilson, after Friday's meeting, had worked his way into the top 10 on the Leading Trainers list.

#### Nominations close with GRSA at 12.30pm on the Tuesday of the meeting.

#### NOMINATING ONLINE FOR QUALIFYING TRIALS

For Angle Park, Gawler and Strathalbyn qualifying trials the nominations must be lodged with GRSA by 12.30pm on the day of the meeting. To nominate online however you can only do this up until 11.59pm the day before. Due to a system security policy you cannot nominate on the day for these trials online. Please contact our staff if you have any issues with these nominations prior to them closing.

#### SINGLE TRIALS

A reminder to trainers that single trials can be booked with two greyhounds however you need to advise when booking of your intention to do this. If you wish to put three or more into this trial then a field trial will have to be booked.

#### BOOKING NUMBER FOR TRIALS

Participants wishing to book trials are required to ring 8243 7172, this phone line will only be used for trial bookings and will queue participants. By having this one number with participants queuing makes this process to be a more efficient way of booking trials.

There will be NO trials accepted through the normal administration number. To be fair to everyone GRSA will only accept bookings using the new number.

#### POLICY FOR TRIALS IN PLACE

Remember trials will only be taken from –

- \* 12.30pm Monday for Angle Park Tuesday nights
- \* 12.30pm Tuesday for Gawler Wednesday nights
- \* 12.30pm Thursday for Strathalbyn Friday nights

#### POLICY FOR TRIALLING AT ANGLE PARK AND GAWLER BEFORE THE RACE MEETING

#### RACE MEETING TRIAL POLICY

Angle Park Monday & Wednesday along with Gawler Tuesday, Friday and Sunday.

Two fields from the boxes with a maximum of four (4) greyhounds will be conducted immediately following the completion of the kennelling procedure for the Race Meeting.

The following lists the order in which greyhounds will be selected in the event if more than 8 greyhounds nominated.

1. Reserves at the Meeting that do not obtain starts.
2. Trainers that have greyhounds engaged and are located in an area affected by track closures.
3. Trainers that have greyhounds engaged.
4. Satisfactory trials.
5. Other greyhounds.

#### PROCEDURE/CRITERIA

2. For Angle Park Wednesday, Gawler Tuesday & Friday trainer to contact GRSA between 4.00pm and 4.30pm on the day before.
3. For Gawler Sunday trainer to contact GRSA between 8.00am and 9.00am on the scratching line to nominate.
4. Other than reserve greyhounds Trainers will be restricted to trialling one (1) greyhound unless nominations determine otherwise.
5. Stewards allot the Box for the Greyhound.
6. Trials will be 515m & 531m in distance as first preference. Other distances considered depending on nominations.
7. Greyhounds currently under suspension or not cleared to race are not eligible to be nominated (these trials are conducted as if they are at a race meeting so all greyhounds need to be eligible at nomination time).
8. Greyhound registration certificate or cards must be produced at kennelling time.

9. Trainers with other greyhounds engaged can utilize the extra kennel space until such time they are ready to leave OR trainers with no other greyhounds will be free to leave following their trial.

If there are 12 races at Angle Park or Gawler there will be NO trials.

The Vet Clinic at these meetings cannot be used to accommodate any greyhounds to allow for extra trialling greyhounds. This policy has been introduced so that participants book in under the policy. The Vet Clinic needs to be available for the Vet and Stewards at race meetings

#### **EXCEPTIONS TO THIS POLICY–**

- Thursday nights are kept available for the option for Interstate greyhounds to solo trial in a lead up to our Group races and also local greyhound's trialling for Group racing interstate.
- Local greyhounds will be allowed to solo trial in a lead up to a feature race upon request and they will take one of the eight kennels available for trialling ahead of the policy and sit separately to the 4 dog trials. Feature races are considered to be – Adelaide Cup, Gawler Cup, Oaks, Derby, Howard Ashton, Brian Johnstone, SA Sprint, SA Distance Championship, SA Anniversary Cup, SA Country Cup, National Finals & any Group race Interstate.
- Local greyhounds will be allowed to trial on a race night, where they are in preparation for a feature event and nominated for a meeting and the race does not stand up. This will include all distances and also take precedence over the policy.
- If a greyhound qualifies for a feature final and requires a trial in between this will be conducted as a solo trial and sit separately to the 2 four dog trials.

It is extremely important that trainers book in to trial at these race meetings. If unable to book in at these times then please contact GRSA where permission may be given to accept a booking outside of these times. .

## DEMONSTRATING EXCELLENCE AT EVERY LEVEL

Established in 2001, we are an ever-growing, family-owned business with an enduring commitment to demonstrating excellence to each and every one of our customers, on each and every level. As a starting point, we offer our customers quality and selection; we offer a complete range of eminently affordable, quality steel products including fencing (including neighbour friendly, custom-made pool and post/rail options), verandas, sheds/outbuildings, roofing, miscellaneous materials and tools. To this we mix in a dose of convenience: not only do we offer a range of steel services, but have also expanded our facility over time, in order to offer our clients a still better selection across our product and service lines.

We know that maintaining our status as a leader in the industry doesn't only involve maintaining a substantial product line — this is why, true to our Bargain Steel Centre name, we unceasingly work to keep our prices as affordable as possible, while also ensuring exceptionally good service, too. Simply put, we owe it to our customers to offer the best of all worlds through substantial selection, quality products, affordable prices, and exceptional service.
