Government Support

The racing industry in South Australia gratefully received the recent announcement by Government of a provision to the three codes of \$4.85 million in support of protecting local employment across the industry and to offset the revenue impact of the introduction of a point of consumption betting operations tax from July 1, 2017. The decision indicates that the current state Government places value on the significant role that racing

plays within South Australia, underpinned by a \$400 million annual economic impact and sustaining 3,600 jobs across the state.

The discussions with Government leading up to the decision predicted and [subsequently] demonstrated the extent of the flow-on impact upon revenue which had arisen from measures taken by corporate bookmakers to deprioritise and disincentivise client wagering on South Australian product in response to the introduction of the tax.

This is a welcome outcome for the industry and a positive sign of the health of the current relationship with the State Government.

The Million Dollar Chase

As a controlling Body, and a member of both GA and GCA, we are still working through the ramifications – at a local level – on the Adelaide Cup series arising from the scheduling of the recently announced Million Dollar Chase by GRNSW. This decision was undertaken in isolation and in the absence of consultation with other states. Our priority at this point is to ensure that any impact on the 2018 series is not repeated in subsequent years. The race is likely to be the subject of broader discussion at the upcoming national conferences which coincide with the running of the National Championships in Melbourne. We will keep the industry updated on this development.

Sky Weekly Racing Schedule

The Industry Information and Engagement Sessions – which we colloquially referred to as the Roadshows – that were conducted in June generated considerable feedback for Management to take on board in the weeks, months and even years ahead. One of the most valuable outcomes, in my view, was the impact that the feedback had on ongoing discussions regarding the structure of the Sky weekly schedule. More specifically, the feedback from industry altered the relative frequency with which race meetings will be scheduled in each region from the commencement of racing at Murray Bridge. It was subsequently announced in early July that Gawler will retain a weekly schedule of two race meetings when a reduction to 1.5 weekly meetings had previously been contemplated.

In a complicated environment wherein the interests of different participant groups and regions often compete, this hopefully serves to encourage our people to have faith in the fact that these processes are genuinely consultative and that key participant concerns aren't falling on deaf ears. I view that outcome as a positive indicator of the relative health of our local industry's culture.

Victa Caleb gets the award after stellar month

In another tight month of voting Victa Caleb for trainer Mike Giniotis claimed the July monthly award for his outstanding form throughout the month highlighted by his super win in the 2018 Champion Puppy Final.

He just edged out both Panhandle Slim for Ray Murray and Spring Bridge for Greg Board who also performed exceptionally in July.

Victa Caleb started the month off with a third in the Semi Final of the Gawler Produce before finishing a handy third in the rich Final. The son of El Grand Senor and Victa Victoria then stepped out in the prestigious Champion Puppy series winning his Heat in fine style. Showing his customary brilliant early speed he was able to lead a hot Champion Puppy Final winning in brilliant fashion. He rounded the month off with his 3rd win of the month with a sizzling 29.91 win at headquarters in winning by over 5 lengths.

At the end of the month Victa Caleb's record stood at 15 starts with 8 wins and 7 placings and earnings just over \$20,000.

The Cinderella's Commercial Cleaning Champion Puppy final at Angle Park on July 19th saw one of the most even line ups of young chasers gathered together in recent years with the Mike Giniotis trained sprinter Victa Caleb claiming the \$7,495 first prize.

With plenty of speed in the race the run to the first turn was always going to be crucial and it was Victa Caleb who boxed best and was able to take up the lead leaving the front straight. The El Grand Senor x Victa Victoria flyer was hotly pursued by Alicante Bouchet for Ben Rawlings, kennel mate Victa Ashley and Lose Your Blues for Nathan Wilson. Down the back straight Victa Caleb was full of running with his challengers struggling

to close the gap. Victa Ashley and Lose Your Blues both ran past Alicante Bouchet but it seemed they were only battling out second. Turning for home Victa Caleb was in no danger and went on to record a strong victory in a solid 30.10 by 1 length from Lose Your Blues who just claimed second $\frac{3}{4}$ of a length ahead of Victa Ashley.

It was a terrific training performance by Mike Giniotis who trained both 1st and 3rd who are litter brothers and he paid tribute on the presentation dais to owners and breeders Ron and Joan Schadow for giving him the opportunity to train such exciting sprinters. Whilst Ron and Joan were not present, their daughter and extended family members were on hand and very proud of their achievements. It was also terrific to have Cinderella's Commercial Cleaning on board again as sponsor for this year's Champion Puppy series and Managing Director Mark

Ferdinands spoke extremely well about his sponsorship and was congratulatory to the winning connections.

A dead heat for July's Run of the Month

In a first for the Run of the Month there were three equal winners of the monthly award voted by the panel for the month of July.

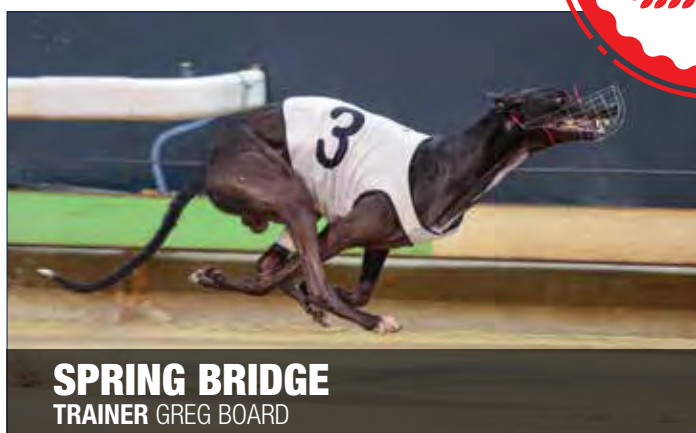

Panhandle Slim for Ray Murray at Gawler 8th July over the 531m in the Gawler Produce Final where he ran 30.55 with splits of 3.19/15.79 and a run home 14.76 in winning by 9.25 lengths. Spring Bridge for Greg Board at Angle Park on 12th July over the 515m in an Open event where he ran 29.46 with splits of 4.49/16.87 and a run home of 12.59 in winning by 2.5 lengths and Rockoon for Tracie Price at Mt Gambier on 1st July over the 512m in an Open event he ran 29.28 in winning by 8.5 lengths which broke the previous track record by 2 lengths. Congratulations to all greyhounds and connections.

Huge spring carnival bonuses for Oaks/Derby, Adelaide Cup and Match Race Series

Greyhound Racing SA in support of our Spring Carnival is delighted to announce significant bonuses attached to our major feature races over the next few months.

There will be two fantastic bonuses –

a. There will be a \$25,000 double bonus if a greyhound can win the Group 3 SA Oaks Final [20/9] or Group 3 SA Derby Final [20/9] and the Group 1 Adelaide Cup Final [12/10]. Should there be a dead heat in any of these Finals the bonus will be split accordingly with a maximum of \$25,000 being paid for the double bonus.

b. There will be a \$20,000 South Australian trainer bonus and a \$10,000 Interstate trainer bonus if a trainer can win two feature events over two of our three feature race nights – 1. Oaks/Derby Finals [20/9] or 2. Match Race Overall Winner [27/9] or 3. Adelaide Cup Final [12/10]. There will be a maximum of one bonus per Trainer. Should there be a dead heat in any of these events the bonus will be split accordingly with a maximum of \$40,000 being paid for the trainer bonus. To be eligible to win the trainer bonus the greyhound is to be registered in your kennel no later than one month prior to the Adelaide Cup Final [12/10].

GOTBA Waterloo Cup this month

The feature meeting of the Coursing season will be conducted on Sunday, 26th August at Virginia highlighted by the 2018 GOTBA Waterloo Cup.

Also on the program will be the Oaks and Derby for bitches and dogs whelped on or after 1/7/16.

Nominations close on Wednesday, 22nd August with GRSA at 9.00am.

Kings and Queens feature later this month

Again this year GRSA will conduct the Kings and Queens Feature series with Heats on Thursday, 30th August and a \$7,000 Final on Thursday, 6th September in support of those greyhounds affected by the change to the GCA Age Restricted Classics change a few years ago.

The eligibility for this series is for dogs and bitches whelped between 1st March 2016 and 31st May 2016.

Performed Maidens are eligible (raced or qualify trialled).

It will be dependent upon nominations, however we would like to run a dogs heat and a bitches heat separately with greyhounds qualifying into the Final. If there are not sufficient nominations for either sex then these heats may be mixed as a one off heat into a final or a couple of mixed heats. Special conditions apply however these races will be non-penalty.

• Nominations close Monday 27th August at 9.00am with GRSA.

Gawler Show dates and changes

August means that it is coming up to Gawler Show time, so some Gawler meetings will be transferred to Strathalbyn and Angle Park this year.

This year the Annual Gawler Show will be held on the weekend of Saturday, 25th and Sunday, 26th August. Racing on Sunday night, 26th August will be at Strathalbyn. Racing on Tuesday, 28th August will be at Angle Park with this meeting being an Angle Park Provincial [APD] fixture with normal Tuesday prizemoney and will be raced with the Finish On Lure.

Racing on Friday, 24th August will be at Mount Gambier.

Trials will be cancelled at Gawler on Wednesday, 22nd August and Thursday, 23rd August due to Show preparations. We will hopefully have the track ready to trial again on Wednesday, 29th August, but this will be dependent on the weather over the show weekend. There will be trials at Angle Park on Tuesday, 21st August and on Saturday, 25th August.

Group 3 Oaks and Derby Series next month

The Group 3 SA Oaks and SA Derby to be run in September this year will be for greyhounds whelped on or after 1st June 2016 [27 months] which has stayed the same as last year.

GRSA has left the eligibility date at 27 months in support of trainers, breeders and owners of young up and coming greyhounds, however, it is important that these series be supported by our local participants. If the series are not supported with nominations locally and from interstate then GRSA will have no option but to consider altering the age restriction to 30 months to ensure sufficient support for these races in 2019. To support these series GRSA has changed the heats of the Oaks to be run on the same night as the Derby with heats on Thursday, 13th September and the Group 3 Finals on Thursday, 20th September.

The Dates are:

Coffex Coffee Oaks (Group 3):

\$4,820 Heats x 8 – Thursday, 13th September

\$35,000 Final – Thursday, 20th September

BGC Industrial Cleaning Supplies SA Derby (Group 3):

\$4,820 Heats x 8 – Thursday, 13th September

\$35,000 Final – Thursday, 20th September

• **Nominations for the heats close Monday, 10th September at 9.00am.**

Hoo Gur Affair won last year's Oaks Final.

Black Bombshell won last year's Derby Final.

State of Origin Match Race Series in late September

GRSA has introduced an exciting new feature "State of Origin" Match Race series in a lead up to the Group 1 Adelaide Cup on Thursday, 29th September where 4 greyhounds from SA will take on 4 greyhounds from Victoria in one on one racing

As a lead up to the Group 1 Adelaide Cup we get many Victorian trainers travel across the border to race but mainly trial their greyhounds so their greyhound becomes familiar with the surroundings before competing in the Group 1 heats. This is a great opportunity for SA to introduce a State of Origin Match Race series which will provide promotion, wagering and a terrific opportunity for the local and Interstate greyhounds to have a decent hit out prior to the series.

CONDITIONS OF THE SERIES:

The State of Origin Match Race series between South Australia and Victoria will be held on Thursday, 27th September this year, the week before the Adelaide Cup heats. It will be the week of the AFL Grand Final so we may be able to tap into the SA verses Victoria rivalry particularly if Port Power or Adelaide Crows (less likely) are in the Grand Final against a Victorian opponent.

Eligibility as to who represents South Australia or Victoria would be based around the Nationals conditions. Greyhounds would need to be trained in either State 76 days out of the last 150 prior to the close of nominations.

GRSA will call for nominations which will close on Friday morning, 23rd September at 9am for the State of Origin Match Race series. The best four greyhounds nominated from SA and Victoria will

be selected by the GRSA grader. The Grader will use whatever information he has available to select those greyhounds. The Graders decision will be final. Those greyhounds not selected from interstate will be given the opportunity to solo trial or race in another event on the night. Reserves will be declared with one from SA and one from Victoria depending on nominations to replace the States representative if scratched. For example the SA reserve will only replace an SA scratching.

The Grader will rate the four greyhounds from each State in order from 1 to 4 with 1 being the highest rated greyhound. The head to head matches will be decided by the two 1 rated greyhounds competing against each other and then it will be 2 v 2, 3 v 3 and 4 v 4. Prizemoney for each individual match will also reflect 1 to 4 with the 1 rated greyhounds receiving the most amount of money. However the overall winner will still be determined based around the times the greyhounds run so all greyhounds have that opportunity.

PRIZEMONEY:

Winners of match races –

1 v 1 – Winner \$3,750

2 v 2 – Winner \$3,500

3 v 3 – Winner \$3,250

4 v 4 – Winner \$3,000

Overall State of Origin winner (based on overall times) \$5,000, second \$2,500, third \$1,000

Greyhound Racing South Australia - 2018 SA Country Cup

Below are details of how and where greyhounds can qualify for the \$7,375 SA Country Cup Final, to be run at Angle Park over 515 metres on Adelaide Cup Final night Friday, 12th October 2018.

Conditions

- All South Australian Greyhound Racing Clubs outside of Angle Park will conduct heats, or nominate greyhounds from which the Greyhound Racing SA Grading Department will choose two representatives. These meetings are Gawler Provincial 2, Strathalbyn Provincial 2, Mount Gambier Provincial 2 and Port Augusta Country. [Performances at Gawler Provincial 1 meetings are not eligible for consideration]
- The event is open to all South Australian greyhounds that are not above Grade 5 at Angle Park [APK City A & APM City B meetings only] over 515 metres at the time of nomination. Winner of each event takes a penalty including the Final.

Special Exceptions:

Mount Gambier and Port Augusta Clubs are allowed to include non-South Australian trainers under strict conditions:

- The trainer has had starters at 5 meetings for Pt Augusta and 15 meetings for Mt Gambier in the previous 12 months.
- The trainer can only qualify for one of the Clubs.

- The trainer must have trained the greyhound nominated for the previous 3 months.

- Graders' discretion will be used to determine the best nominated.
- The greyhound must be SA trained (except Mount Gambier & Port Augusta as above).
 - A South Australian trained greyhound is defined as one that has been racing in SA for a period of not less than 3 out of the 6 months immediately prior to the time of nomination.
- The greyhound must have started at least 2 times in the last 12 months at the track it is attempting to represent.
- There will be a maximum of two heats per Club with the winners of each heat qualifying. If there is only one heat conducted then the first two placegetters will qualify.
- The two reserves will be determined firstly by a ballot of the second placegetters from all heats. The third placegetters will then be considered by ballot if required. If a heat was not conducted at the track, then that track is not included in the ballot. Should a greyhound be withdrawn prior to the ballot, the next placed greyhound from that Club's heat will be selected.
- Once a greyhound has qualified from a Qualifying Heat, it is not eligible to compete at another track in this series, unless there are insufficient nominations to fill the field.
- Once qualified for the Country Cup Final the greyhound will be ineligible for the Adelaide Cup series or any other race on this Cup Final night.

Two guys are walking through a game park & they come across a lion that has not eaten for days. The lion starts chasing the two men. They run as fast as they can and the one guy starts getting tired and decides to say a prayer, "Please turn this lion into a Christian, Lord." He looks to see if the lion is still chasing and he sees the lion on its knees. Happy to see his prayer answered, he turns around and heads towards the lion. As he comes closer to the lion, he hears the it saying a prayer: "Thank you Lord for the food I am about to receive."

AGRC/GRSA Greyhound Auction in October

The Adelaide Greyhound Racing Club in conjunction with Greyhound Racing SA will again conduct a Greyhound Auction this year in October, however, there will be some significant changes to the conditions.

The most notable will be NO race attached to the Auction Series for puppies, however, the Auction has been opened up to not only include pups but Ready for Racing greyhounds and Brood Bitches.

Below are the details regarding the series -

Greyhound Auction Date – Sunday, 21st October

Categories for Auction–

Pups

- 4 months to 11 months (whelping date – born 1st October 2017 to 30th June 2018)

Ready for Racing

- 12 months to 19 months
(if named and raced must trial in some way)
- 20 months or older
(must solo trial over 274m, 388m or 515m.
Handslip optional)

Trials to be conducted on Monday night or Wednesday Day at race meeting to be filmed the week prior to the Auction. Footage to be available on the GRSA website prior to Auction. Prefer all greyhounds to trial on the same night

Brood Bitch

- Must have a Pink Card or apply for a Pink Card at nomination time to be approved prior to the Auction date.

Nomination Fees - \$50 nomination fee for all greyhounds 12 months and older will be, Puppies 4 months to 11 months will be \$50 for the first pup for each vendor from that litter and then \$20 per pup for each other pup from that litter. If another vendor is nominating it will be \$50 even if from a litter already nominated.

Commission - The commission will be 7.5% of sale price. The nomination fee will be deducted from the commission. For example a ready to race dog sold for \$2,000 will have a commission of \$150, but only \$100 will be deducted from sale proceeds as \$50 already collected as part of nomination fee.

Swabbing – It will be the intention of the Integrity staff to swab all greyhounds that trial in public for the Auction.

Catalogue – Whatever the vendor puts on their nomination form is what will be published in the catalogue. It is crucial that vendors give sufficient information to ensure the best chances of sale.

Nomination closing times –Friday, 7th September for the Pups and Friday, 14th September for 12 months and above.

Kurt Donsberg – oncourse race night photographer

Recently Kurt was able to extend his roster to not only do Thursday night meetings at Angle Park but also the Monday night and Wednesday day meetings, however, due to personal commitments he is unable to do Monday nights until later in the year.

Kurt will continue as normal with Thursdays and also Wednesdays based on his availability.

On those days/nights of racing when Kurt is not oncourse GRSA will continue to allow participants to take their own presentation photos and if required, gain access to the presentation area. Please just liaise with the Stewards on the day for access.

Accell Therapy mat now available at Angle Park

The mat is now available in the foyer area of the Angle Park building. It is recommended that a greyhound derives benefit with a 15 to 20 minute session and is generally for recovery from racing or injury.

It will be available during normal office hours to be used [greyhounds racing on that day excluded]. Please ask the Racing Admin staff if you wish to use the mat. GRSA is working towards making this available also during trial sessions.

Trial fees at race meetings

With GRSA allowing for trials under certain conditions at race meetings it is a requirement of all trainers to pay staff as they would at a normal trial session.

This will be consistent with all our racing and trialling meetings.

Syndication interest from trainers

Greyhound Racing SA is interested in gaining feedback from trainers who would be interested in having their details made available to any prospective syndicate groups.

GRSA receives a number of queries from owners about getting involved with their friends however it is quite hard for them to find a trainer. Those trainers who are comfortable with this please respond to Shaun Mathieson via email shaun.mathieson@grsa.com.au or phone [08] 8243 7100. These details would only be made available to syndicate groups.

Handling greyhounds at the trials while lure in motion

A reminder to participants that when on course for any trial sessions that the lure could be in motion at anytime.

Please be mindful of your surroundings and also with your greyhounds ensuring you have full control at all times.

INTEGRITY

Stewarding, Animal Welfare and Licensing

Changes to council registration and the introduction DACO

New legislation has been introduced state-wide for all dog and cats to ensure better animal management and welfare.

Some of the new requirements will not affect GRSA participants as we already undertake activities such as microchipping, and racing/breeding animals have an exemption from being de-sexed.

An online system called Dog and Cat Online [or DACO as it is more commonly known] will replace 68 individual council registers and serves as a single database that is accessible 24/7 to all dog and cat owners to update your animal's information and pay your annual council registration fees. DACO will also assist councils, shelters and the general public in reuniting lost pets with their owners sooner rather than later.

GRSA is working closely with the Dog and Cat Management Board to ensure our industry is appropriately represented throughout this transitioning period. As with any new systems, there will be some initial 'bumps' whilst all stakeholders get used to the new system. However, we are trying to make this transition as painless as possible for our members.

GRSA is also currently working on requirements for breeders and asks participants to be patient in the interim, whilst this process is finalised. More information will follow shortly.

All participants are reminded they must ensure they comply with legislation. There are varying reports from local councils and participants in different councils as at the pace their local regulators are working at to ensure this to happen.

So, what does this mean for me?

- If you currently have a greyhound registered or you have a dog permit, information will be mailed out shortly from DACO about registration for dogs
- If you have greyhounds on your property and have not had them registered previously, you must contact your local council and seek guidance on compliance with the legislation.
- You should visit your council in person to register your greyhounds if you do not have access to a computer and the DACO system.

GRSA will update all participants regarding DACO changes to our industry as negotiations develop in the near future.

What happens if I am disqualified?

This question is often asked after someone has received a penalty resulting in disqualification. The ramifications of being disqualified are far-reaching with impacts on both the person disqualified and those they reside or associate with.

The process that results in disqualification generally involves a formal inquiry process with GRSA Stewards. However, it is important to note that the GRSA Board also has the power to disqualify people without the need for a Stewards inquiry.

After Stewards hand down their penalty, the subject of the disqualification receives a letter from the GRSA integrity department outlining the outcome of the hearing with information about the effects of being disqualified.

These include:

- Training facility – registered persons are not to train, keep or race any greyhounds at any property deemed by the Board as being or having been the training property of a person that has had their registration cancelled through disqualification or other means.
- Transfer of greyhounds – disqualified persons cannot transfer greyhound ownership to anyone residing with them or any relative, including a spouse or domestic partner, whether or not they reside with the disqualified person.
- Access to a racecourse – disqualified persons are not permitted to enter any part of a racecourse, including lands within the property used in connection with greyhound racing during any event. Events include race meetings, all trials and training activity.
- Greyhound training facilities – disqualified persons are not permitted to enter, go onto or remain on any place where greyhounds are trained, kept or raced.
- Breeding – disqualified persons must obtain permission from the GRSA Board before engaging in any greyhound breeding activities, which includes the transfer of breeding units of semen. There are also limitations on who you can transfer units to, even with GRSA Board approval.
- Nominations – disqualified persons are unable to nominate a greyhound to compete in any event.
- Disqualified persons cannot act as an attendant or official at a meeting; train a greyhound; be employed by any person involved in the training of greyhounds; and cannot be a member of a committee of a club involved in greyhound racing.
- Living arrangements – a registered person cannot remain registered if they are living with a disqualified person.

This is not an exhaustive list and there are many other activities that are impacted by disqualification. Rather it is an overview of some of the more common impacts of being disqualified.

Respect for on track Veterinarians and officials

All industry participants are reminded of the need to conduct themselves in a professional manner during any interactions with the on course Veterinary Surgeon and any other race day official.

Everybody has the right to feel respected and safe in their place of work, this includes GRSA Officials and Trainers alike.

Examples of unacceptable behaviours include aggression or raised voices or questioning of the vet's or official's authority

If you disagree with a vet's decision, you should approach the Stewards.

Inquiries and notifications

Mr. John Pizanis – Stewards inquiry 18/07/18 – Misconduct in Mr. Pizanis acted inappropriately by making gestures and unnecessary comments toward another participant at the starting boxes, 21 June 2018. Mr. Pizanis pleaded guilty and was fined \$400; with \$200 wholly suspended for 12 months on the condition he does not reoffend.

Mr. Jamie Quinlivan – Notice of positive sample – greyhound MR. WORLDWIDE was found to have CAFFEINE and its metabolites, PARAXANTHINE, THEOBROMINE AND THEOPHYLINE in a urine sample following an event at Angle Park on 21 May 2018. Inquiry to be scheduled at a date to be fixed.

All reports from Stewards inquiries and appeal decisions can be found at www.grsa.com.au under the Integrity banner.

The Golden Rules

Since the introduction of cobalt and arsenic thresholds, all participants should be reminded – in their own best interests – that there are a number of Golden Rules that can help them to avoid making any such breaches (for prohibited substances generally) and which should be adhered to as principles of best practice:

- Always consult your vet to seek guidance in relation to any of the products that you are using, any associated risks and other relevant context
- Review the range of any feeds or supplements that you typically purchase and, wherever it is reasonable to do so, replace products containing substances that could contribute to a threshold breach under the rules [eg. cobalt] with alternative products
- Observe the instructions on any products that you use and adhere strictly to those directions [having regard for prescribed amounts, frequency of administration/ application, methodology for administering/applying]
- Ensure a greyhound is never administered any treatment on race day other than as relates to its feeding and drinking requirements [GAR83(A)(1) treats this as a specific offence]
- Refrain from the use of injectable treatments [eg. Vitamin B12] to any extent that is practical, including ensuring a greyhound is not administered any injectables the day before an event

Our registered participants have the responsibility to ensure that greyhounds are presented to the track free of any prohibited substances. This information is offered as advice in good faith and should not be relied on as a defence in the event of a breach occurring.

27 July 2018

GA manages the naming of all greyhounds on behalf of its member controlling bodies. From time to time, GA reviews its *Greyhound Naming Policy* to ensure greyhounds are named in accordance with member and participant needs.

GA will always work co-operatively with participants to meet desired name choices. To help do that, GA will refer to its *GA Greyhound Naming Policies* which provides a set criteria against which all decisions are made on the suitability and availability of names that have been applied for. The policy also acts as a reference guide for participants when applying for a greyhound name.

The last update was undertaken in 2003. A draft updated policy 2018 is attached with proposed changes shown in red text.

This updated draft Policy seeks to:

- Reinforce the importance of careful greyhound name selection to support regulatory performance.
- Remove ambiguities in the current policy.
- Confirm, for the benefit of participants, GA and GA member responsibilities in the naming of greyhounds.
- Reinforce, for the benefit of participants, that it is unacceptable for participants to apply for names that are rude, vulgar and/or offensive and that action may be taken against those that offend.
- Avoid naming greyhounds that cannot be differentiated by a race caller. For example, 'know way' and 'no way', are different and so may be accepted by the database used but will now not be accepted by GA or the controlling body. Other examples include where the plural of a name appears to differentiate itself from a name already in use but sound the same when used at the track and in for applications for names that are incorrectly spelled, for example 'wae' vs 'way'.

GA is providing an opportunity for participants to have their say on the revised draft GA Greyhound Naming Policy. Feedback is open until 15 August 2018 and should be submitted by email to admin@galtd.org.au

Naming Policy

GREYHOUNDS AUSTRALASIA NAMING POLICY

Reviewed 8 May 2018

The orderly and responsible issuing of a greyhound name is a feature of high quality greyhound racing administration. The process has been delegated by controlling bodies to Greyhounds Australasia as a vital national service.

The Greyhounds Australasia naming Registrar operates under a policy approved by member controlling bodies and operates in the best interest of the greyhound racing industry.

A key feature of the policy is that Greyhounds Australasia and the Controlling Bodies reserve the right to refuse any name.

The Naming Registrar will apply common sense and knowledge from significant experience and will use readily available search tools as the foundation approach to the assessment of all naming applications.

To support official naming of greyhounds, the policies detailed below are applied at the time of the naming application being processed.

In addition, the naming Registrar will apply the following criteria to refuse an application.

Naming Criteria

1. The name has been granted to a greyhound during the 15 years prior to the receipt of the application.
2. The name has previously been granted to a greyhound recorded as a sire or dam in the *Greyhounds Australasia database*.
3. The name has previously been granted to a greyhound recorded as a *group* winner in the *Greyhounds Australasia* database.
4. Close similarity in the pronunciation of names, eg. Mr. Yew, Mister You.
5. Names *that we consider to have* a political or religious connotation.
6. Names *what we consider are* difficult to pronounce.
7. Names *what we consider are* derogatory or down-grading or offensive.

Continued next page..

8. Names *what we consider are* obscene or vulgar.
9. *Non-English, or unknown words* the meaning of which are not readily available.
10. Names with more than sixteen characters inclusive of spaces, apostrophes, etc.
11. Names with more than three words, *including single words made up of three or more words with limited spacing between words.*
12. Names which imitate race track phrases or terms eg. "Vacant Box", "Late Scratching", "Number Four", "Red Rug", "Blue Box", etc.
13. *The use of names of Wagering or Broadcasting entities.*
14. Names which indicate opposite to the actual sex of the subject greyhound.
15. The use of pronouns, prefixes and affixes, e.g. "The" Architect.
16. Trade names unless the *Naming Registrar receives* written approval *from the owner of the trade name.*
17. Names of prominent racing events without the permission of the appropriate authority.
18. Full names *or their 'pseudonym' name* of prominent persons *eg. Marilyn Monroe (being her stage name) or Norma Jean Baker (being her real name).*
19. The use of initials *and/or single letters, or the use of words to reflect initials eg. I E C or EYE EE CEE.*
20. The excessive use of apostrophe.
21. The use of numerals.
22. A name already registered as a Prefix/Suffix to some other applicant.
23. Names of prominent *or renowned* greyhounds.
24. *Certain words that may be used generally but are 'owner' words eg. ANZAC.*
25. *As the indexations of the Stud Book demands correct English, names such as "Stop 'N' Think" would be granted as "Stop And Think".*

Naming applications received that are deemed vulgar or offensive shall be referred to the jurisdiction that the participant is registered with.

It should be noted that the Greyhounds Australasia office receives approximately 2,500 names *per week* in the preferential listings submitted. Where all names on an application are exhausted, the Greyhounds Australasia policy is that the Naming Registrar shall choose a name from elsewhere.

Illegal vet medicines not worth the risk or the money

Lisa Croft
Deputy Chief
Executive Officer
APVMA

Protect your dog's health and performance and your pocket by using APVMA registered products

Stopping and deterring the import of unregistered overseas veterinary products by Australia's racing industries is just one of the jobs that keeps compliance officers at the Australian Pesticides and Veterinary Medicines Authority (APVMA) busy on a daily basis.

Lisa Croft, APVMA Deputy Chief Executive Officer, said that greyhound owners and trainers using products not scientifically assessed or registered by the APVMA were risking their dogs' health and performance and their money.

"Any veterinary chemical product that provides a therapeutic benefit or is injected into an animal must be registered by the APVMA before it can be legally manufactured, imported, sold, advertised or purchased in Australia," Lisa said.

"Any human-use medicine or compounded product given to an animal must also be APVMA registered, unless it has been prescribed by a vet."

Lisa explains how hundreds of illegal veterinary products bought from United States-based websites have been seized at

the Australian border in the past few years.

"Through our partnership with Australian Border Force we have intercepted and destroyed tens of thousands of dollars of illegal and unsafe injectable medicines destined for use in racing dogs," Lisa said.

"Importers could have saved themselves the financial loss had they first checked whether the product was legal to import into Australia."

"Last year we became aware of a pharmacy in NSW supplying an unregistered injectable muscle treatment drug without a vet prescription to greyhound trainers nationwide," Lisa said.

"Fortunately, the pharmacy responded quickly to our communications and voluntarily changed its practices to comply with agvet laws."

"We appreciate the importance of accessing the latest medicines on the market to keeping racing dogs in top condition and there are numerous products in our public database of registered chemicals that will do the job safely, and as claimed."

"Veterinary chemicals that come through the APVMA's regulatory assessment have gone through the proper checks and balances to ensure product safety and effectiveness."

Report suspicious and unregistered products to the APVMA at compliance@apvma.gov.au

apvma.gov.au or phone 1300 700 315. Reports are treated confidentially and help ensure unsafe or ineffective products do not continue to be available in Australia.

Visit the APVMA website to learn more about choosing safe and effective vet medicines at <https://apvma.gov.au>

Simple actions to buy a safe and effective vet product

- Flip the pack and check the back for the APVMA/NRA approval number
- Drop the product or chemical active name into the APVMA's chemical database to confirm registration at <https://portal.apvma.gov.au/pubcris>
- Always use products as directed on the label
- A vet cannot prescribe a particular product name unless it is APVMA registered
- Human-use medicines and compounded products can only be used to treat an animal if prescribed by a vet. For genuine compounding, the vet must provide the ingredient, dose rate and form to the compounding pharmacist
- If you're unsure, speak to your vet or call the APVMA on 1300 700 315.

You will also need to bring the greyhounds identification card with you on the day.

Greyhounds should not be raced or trialled within the 10 days prior to assessment.

Do you have a small dog?

Do you or someone you know have a small dog that could benefit from some socialisation and company during the day?

GAP SA is looking for small dogs to help with their green collar and first point assessments.

Your dog will be well looked after with plenty of pats and treats throughout the day. They will assist with either green collar assessments for dogs that have been living with foster carers or for greyhounds entering the program.

During assessments, greyhounds will be muzzled, on a leash and handled by an experienced assessor and handlers. All dogs will be walked around together in a secure testing area for approximately 5-10 mins to assess the greyhound's reaction to the small dog. If the greyhound is reacting well we will allow them to approach and sniff the small dog.

We are looking for dogs that are generally social and happy meeting other dogs and ones that walk well on a lead. Sessions are rostered at least a month in advance and are generally around two to four hours in length.

If this sounds like something you or someone you know would be able to help out with on either a regular or ad hoc basis, without any obligation, we would love to hear from you. Please contact GAP SA on 8243 7124 for further details.

You. Me. 6 Weeks. FOSTER A GREYHOUND

GAP SA is on the lookout for dog lovers all over South Australia willing to join our Foster Care Program and help prepare retired greyhounds for their forever home.

You'll be provided with a foster pack containing dry food, pet mince, collar, lead, bed, bowl, toy, coat, vet care and reimbursement for travel.

All you'll need to provide is patience, basic training, and a loving, caring environment.

Projects Update

Strategic Projects Manager **Scott Wuchatsch**

Murray Bridge Track Update

As the Murray Bridge project enters its final months, the major focus moves to the finishing touches.

Inside the patron building this relates to the kitchen equipment installation and commissioning, bar and refrigeration fitout, audio visual equipment installation and the completion of the dining space.

In the kennel building, works currently underway include the completion of the airconditioning, fitout of the Vet and Stewards rooms, completion of the toilet and storeroom and the preparations for the epoxy flooring.

The majority of the noticeable works are being completed outside, with the completion of the track fencing, installation of all the concrete paths linking the operational areas around the site, final compaction to the race tracks in preparation for the track sand being laid.

GRSA's separate steel fabrication contractor is onsite completing the installation of the lure rail, which also includes the automated track irrigation systems.

Focus areas over the next month include:

- continuation of concrete path installation
- delivery and placement of track sand
- installation of the starting boxes
- installation of catching pen gates
- installation and commissioning of the track timing systems and semaphore board
- track lighting installation and commissioning
- commissioning of the lure systems
- areas immediately around buildings, including ramps, bitumen and stairs
- landscaping and grassed areas
- kennel house internal security fencing
- car park and main entrance road work

with the supply of certain equipment crucial to the project schedule, GRSA is still confident that the project remains on track to commence trialling and racing towards the latter part of 2018.

GAP SA and GRSA in the media

Last week saw some great exposure for both GAP SA and the greyhound racing industry in the media.

On Sunday July 22 & 29, the Footy SA show on Channel 9 aired a two part story on Port Power coach, Ken Hinkley and his involvement in the sport of greyhound racing. This was followed by a great story on the Greyhound Adoption Program and the emergence of #fosterfails on FOOTYPlus [Channel 7] on Saturday Night, July 28.

Links to all three stories have been posted to Greyhound Racing SA's Facebook page should you wish to view them - www.facebook.com/greyhoundracingsa/

Adding to this great news, UBET have signed on again as naming right's sponsor for the forthcoming Adelaide Cup. The agreement will also see UBET sponsor the upcoming State of Origin Match Series. Once again, we appreciate their continual support of our code.

Adelaide Cup bookings

Speaking of Adelaide Cup, even though we are two months away from the big night, we are already receiving bookings.

Last year was a sold out event upstairs for the buffet, so we are encouraging bookings to be made early. The good news is that the offering remains the same as last year - \$40 will cover entry to the track as well as the buffet, with licenced industry participants receiving the discounted rate of \$30. Bookings are essential and prepayment will be required. Phone 8243 7150 to reserve your table.

GAP walking again in the Christmas Pageant!

Greyt news with confirmation of GAP SA greyhounds walking in the Christmas Pageant again, not for one, but for two years!

As per last year, we will have some furry GAP representatives (and their owners) walk in front of the Puppy float however this year we will have 6 doggos in total wearing GAP SA branded coats. The pageant is a unique way to get our greys out into the community and at the forefront of people's minds as they watch the popular parade. It was such a fun event for all last year and we look forward to increasing our exposure even more over the next couple of years.

Emerley Giggler has new trainer cheering

Dale Hogan is the latest Horsham trainer to venture over to Mount Gambier and win his first race at Tara Raceway.

Hogan has been involved in greyhound racing for 12 years, lined up with former Adelaide short-courser Emerley Giggler from box three in the Metal Worx Stake [400 metres] at last Sunday's meeting.

And while this was her first look at the track, the 24 kilogram brindle bitch did come into the race with a fair sort of record, having won five 400 metre races at Gawler and one over 388 metres at Angle Park prior to joining Hogan's kennels last month.

Obviously unfazed by the new surroundings, Emerley Giggler quickly found the front, leaving Bushman's Bro and Slipper's Away to do the chasing as she opened up a handy break down the back.

However, the trio turned for home virtually on terms, a slogging finish resulting in Emerley Giggler defeating Slipper's Away by a half head with a further head back to Bushman's Bro in a time of 23.56 seconds.

By Nolen out of Emerley Charmer, a winner of 16 races and \$25,000 in stakemoney, the winner was bred and owned and trained for much of her career by well-known Adelaide participant Judi Hurley who has enjoyed considerable success with greyhounds carrying the "Emerley" prefix.

Emerley Giggler is now the second of the litter to have won at Tara Raceway after fellow Horsham trainer Judy O'Neill had previously been successful with Emerley Indigo on two occasions.

WE KNOW CLEANING BACK TO FRONT

A new generation

■ GAWLER

An owner with a long family history in greyhounds enjoyed a win at Gawler on Sunday 5th of August.

In the first heat of a Grade 6 series over the 531m journey, it was newcomer Minnie Mac that was able to cross over from box 8 and sweep to the lead, as they reached the first turn. Continuing that early initiative, Minnie Mac got out to a four length break over her rivals, headed by Spider Regis [4], with Dine With Me [7] tracking just behind. They were able to narrow the margin on the leader, and when Minnie Mac ran a little wide on the home turn, it gave Spider Regis the opportunity to get up on the inside and take the lead. Spider Regis went on to win by a length, with Dine With Me running second for Graham Brown of Whyalla, with Spring Spinner [3] grabbing third spot for Troy Murray of Lewiston.

Spider Regis is prepared by Bob Isaacson at Lewiston, for owners Jason Dolan and Isabelle Zmuda of Mawson Lakes. Jason got off to a very early interest in greyhounds through his family involvement, and is a fourth generation participant. He was out of the sport for about 20 years, but with a friend purchasing a greyhound, Jason's interest was rekindled and he joined in the

Jason Dolan, Isabelle Zmuda and Deb Isaacson (handler) with Spider Regis

ownership. His first dogs were transferred to race in Victoria and Jason was looking for a local trainer. It was suggested he try Bob Isaacson, who now trains Jason and Isabelle's two greyhounds, purchased recently from Victoria. Unfortunately "Spider's" kennelmate St Regis was not successful in the second heat, which surprised Jason, as he had thought St Regis might have been the better chance of the two. However as he expected at best to run a place, he was pretty pleased to have the unexpected win.

Jason and Isabelle love the nature of the greyhounds, and their friends support them by coming to the track. They take a big interest in their dogs when they have finished racing and keep track of them with their new owners. They also share plans to increase their involvement as they are currently building a property at Globe Derby Park, where they intend to get into the breeding side of the sport and perhaps training as well, further down the line. An unexpected win is a great boost to help them with their plans.

Nominations close with GRSA at 12.30pm on the Tuesday of the meeting.

NOMINATING ONLINE FOR QUALIFYING TRIALS

For Angle Park, Gawler and Strathalbyn qualifying trials the nominations must be lodged with GRSA by 12.30pm on the day of the meeting. To nominate online however you can only do this up until 11.59pm the day before. Due to a system security policy you cannot nominate on the day for these trials online. Please contact our staff if you have any issues with these nominations prior to them closing.

SINGLE TRIALS

A reminder to trainers that single trials can be booked with two greyhounds however you need to advise when booking of your intention to do this. If you wish to put three or more into this trial then a field trial will have to be booked.

BOOKING NUMBER FOR TRIALS

Participants wishing to book trials are required to ring 8243 7172, this phone line will only be used for trial bookings and will queue participants. By having this one number with participants queuing makes this process to be a more efficient way of booking trials.

There will be NO trials accepted through the normal

administration number. To be fair to everyone GRSA will only accept bookings using the new number.

POLICY FOR TRIALS IN PLACE

Remember trials will only be taken from –

* 11.30am Monday for Angle Park Tuesday nights

* 11.30am Tuesday for Gawler Wednesday nights

* 11.30am Thursday for Angle Park Saturday morning (day earlier due to being morning trials)

* For Public Holidays it will be the working day before ie if Monday is a Public Holiday then bookings taken on the Friday

trial days that are not booked in with GRSA remain the same process (ie Gawler Thursday)

POLICY FOR TRIALLING AT ANGLE PARK AND GAWLER BEFORE THE RACE MEETING

RACE MEETING TRIAL POLICY

Angle Park Monday & Wednesday along with Gawler Tuesday, Friday and Sunday.

Two fields from the boxes with a maximum of four (4) greyhounds will be conducted immediately following the completion of the kennelling procedure for the Race Meeting.

The following lists the order in which greyhounds will be selected in the event if more than 8 greyhounds nominated.

1. Reserves at the Meeting that do not obtain starts.
2. Trainers that have greyhounds engaged and are located in an area affected by track closures.
3. Trainers that have greyhounds engaged.
4. Satisfactory trials.
5. Other greyhounds.

PROCEDURE/CRITERIA

1. For Monday nights trainer to contact GRSA between 10.00am and 11.00am on the Monday to nominate. Should the Monday be a public holiday bookings are to be made between 8am and 9am on the scratching line.
2. For Angle Park Wednesday, Gawler Tuesday & Friday trainer to contact GRSA between 4.00pm and 4.30pm on the day before.
3. For Gawler Sunday trainer to contact GRSA between 8.00am and 9.00am on the scratching line to nominate.
4. Other than reserve greyhounds Trainers will be restricted to trialling one (1) greyhound unless nominations determine otherwise.
5. Stewards allot the Box for the Greyhound.
6. Trials will be 515m & 531m in distance as first preference. Other distances considered depending on nominations.
7. Greyhounds currently under suspension or not cleared to race are not eligible to be nominated (these trials are conducted as if they are at a race meeting so all greyhounds need to be eligible at nomination time).

8. Greyhound registration certificate or cards must be produced at kennelling time.
9. Trainers with other greyhounds engaged can utilize the extra kennel space until such time they are ready to leave OR trainers with no other greyhounds will be free to leave following their trial.

If there are 12 races at Angle Park or Gawler there will be NO trials.

The Vet Clinic at these meetings cannot be used to accommodate any greyhounds to allow for extra trialling greyhounds. This policy has been introduced so that participants book in under the policy. The Vet Clinic needs to be available for the Vet and Stewards at race meetings

EXCEPTIONS TO THIS POLICY-

- Thursday nights are kept available for the option for Interstate greyhounds to solo trial in a lead up to our Group races and also local greyhound's trialling for Group racing interstate.
- Local greyhounds will be allowed to solo trial in a lead up to a feature race upon request and they will take one of the eight kennels available for trialling ahead of the policy and sit separately to the 4 dog trials. Feature races are considered to be – Adelaide Cup, Gawler Cup, Oaks, Derby, Howard Ashton, Brian Johnstone, SA Sprint, SA Distance Championship, SA Anniversary Cup, SA Country Cup, National Finals & any Group race Interstate.
- Local greyhounds will be allowed to trial on a race night, where they are in preparation for a feature event and nominated for a meeting and the race does not stand up. This will include all distances and also take precedence over the policy.
- If a greyhound qualifies for a feature final and requires a trial in between this will be conducted as a solo trial and sit separately to the 2 four dog trials.

It is extremely important that trainers book in to trial at these race meetings. If unable to book in at these times then please contact GRSA where permission may be given to accept a booking outside of these times. .

DEMONSTRATING EXCELLENCE AT EVERY LEVEL

Established in 2001, we are an ever-growing, family-owned business with an enduring commitment to demonstrating excellence to each and every one of our customers, on each and every level. As a starting point, we offer our customers quality and selection; we offer a complete range of eminently affordable, quality steel products including fencing (including neighbour friendly, custom-made pool and post/rail options), verandas, sheds/outbuildings, roofing, miscellaneous materials and tools. To this we mix in a dose of convenience: not only do we offer a range of steel services, but have also expanded our facility over time, in order to offer our clients a still better selection across our product and service lines.

We know that maintaining our status as a leader in the industry doesn't only involve maintaining a substantial product line — this is why, true to our Bargain Steel Centre name, we unceasingly work to keep our prices as affordable as possible, while also ensuring exceptionally good service, too. Simply put, we owe it to our customers to offer the best of all worlds through substantial selection, quality products, affordable prices, and exceptional service.
