## MESSAGE FROM MATT

### Race Day Chats

GRSA wish to provide you with the chance to meet with specific managers and senior staff members on race days. This is a convenient and practical opportunity for you to raise concerns about anything that impacts you as a participant. Our Chief Executive Officer, Strategic Projects Manager, Racing Manager, Integrity Manager and GAP Industry Liaison & Support Assistant will aim to be available twice monthly at race meetings to discuss participant concerns, seek to address concerns or just receive your feedback.

To book a time with any of the staff members above, please go to <http://greyhoundracingsa.simplybook.me/> and click on "Book Now", select the staff member you wish to speak with, select the appointment date and time and then enter your details. The first date is set down for the Gawler meeting next Tuesday.

If you have any issues with this process or wish to make an appointment via telephone, please contact Sheriden Milam on 8243 7118 and she will be able to assist.

### Upcoming Dates:

Tuesday 15 August (Gawler) 11.00am - 12.00pm  
Thursday 31 August (Angle Park) 6.00pm - 7.00pm  
Thursday 14 September (Angle Park) 6.00pm - 7.00pm  
Wednesday 27 September (Angle Park) 11.30am - 12.30pm  
Wednesday 4 October (Angle Park) 11.30am - 12.30pm  
Thursday 19 October (Angle Park) 6.00pm - 7.00pm

*\* Please note; not all staff are available on all dates. Please refer to Book Now for availability.*

### Breeder Surveys

We will shortly be embarking on an intensive schedule of surveys with current and (some) lapsed breeders in South Australia to identify matters of concern and to help GRSA to develop targeted strategies to support our local breeding industry. The feedback from that process will help us to clarify the manner in which GRSA can put meaningful solutions in place to support what is the most critical function within the broader context of industry sustainability.

I would strongly encourage your candid and open assistance with this project so that we can target the problems that are of greatest (shared) concern to local breeders. In most instances, the process will require two short surveys by phone, all coordinated from within GRSA. This represents a genuine opportunity for breeders to play a significant role in influencing the form that future support from GRSA will take.

# 2017 UBET National Sprint and Distance Championships State Finals preview

## ■ ANGLE PARK

**Another fantastic night of racing at headquarters on the 3rd of August where the State Finals of the National Sprint and Distance were determined with the winners tonight to represent South Australia in Queensland at the end of the month.**

The Sprint heats were first with High Eden Frost for Jan Jones setting the tempo of the night with a brilliant performance in leading most of the way. Making full use of the inside box the son of Banjo Boy and Zardae was able to kick through and lead and run his rivals ragged in a slick 29.78 winning by 3 lengths from Shimatron and Tommy's Tune.

The challenge was then set for leading local sprinter On Fire to see what he could do in the second heat and he didn't disappoint. The Cameron Butcher trained flyer began well from box 2 and settled third early before sprouting wings down the back straight and hitting the front, from there he also raced away to win in easy fashion. The son of Bekim Bale and Alana Blues won by just over 3 lengths in a sizzling 29.54 from Cairnlea Kenny and Aston Amon and firmly established himself again as the leading chance for SA.

The box draw has created even more interest with On Fire drawing the inside box. The last time he drew the red he was spat out the back in a 5 dog field and had to run a massive race to get over the line so the start will play a huge part in the high quality final on August 10th.

**The box draw for the 2017 UBET National Sprint Championship State Final was conducted on track :**

1. **On Fire** Cameron Butcher
2. **Cairnlea Kenny** Petar Jovanovic
3. **Aston Amon** Troy Murray
4. **Dream A Little** Jan Jones
5. **Tommy's Tune** Lisa Rasmussen
6. **Shimatron** Tony Rasmussen
7. **High Eden Frost** Jan Jones
8. **Dyna Keitaro** Lisa Rasmussen
9. **Rockstar Lisa(res)** SGR
10. **Brick Lane (res)** SGR

There were only 7 runners for the Distance heat with all starters progressing through to tonight's State Final however it gave an indication on what we could expect. Purpose Driven for Cameron Butcher was very professional in his win running a solid 43.51 in winning by just over 3 lengths. The son of Bekim Bale and Alana Blues has been in super form and showed that he will be hard to beat tonight and will hopefully be looking to join his brother, On Fire at the National Championships. However race favourite Bogie Bekim who was returning from a spell showed he will likely gain plenty of benefit from the run. The Group 1 winner for Ben Rawlings ran a solid second but never really changed gears throughout which is normally a feature of this brilliant stayer. If he finds his customary dash and acceleration, we are in for a thrilling final. Not to forget about Springvale Carla who made the step up to the Open staying ranks with super run to grab third. Gavin Harris can always find a good stayer and it looks like he has found another one.

**The box draw for the 2017 UBET National Distance Championship State Final was conducted on track:**

1. **Hukanui** Tony Rasmussen
2. **Roxy Rolla** Tony Rasmussen
3. **Springvale Carla** Gavin Harris
4. **Bogie Bekim** Ben Rawlings
5. **Vacant Box**
6. **Purpose Driven** Cameron Butcher
7. **Springvale Bryne** Gavin Harris
8. **Caprice Monelli** Tony Rasmussen

Each winner of the State finals tonight will represent South Australia at the UBET Group 1 National Championships to be run on Friday 25th August at Albion Park.

# Rhynstone Teddy looks a champion in the making

## ■ ANGLE PARK

The Champion Puppy Final was held at Angle Park on the 20th July with an outstanding field of young chasers gathered together with Paula Hearnden qualifying half the field for the prestigious event.

There were four clear favourites in the market with the Petar Jovanovic trained Cairnlea Gump out of the 1 box, race favourite Rhynstone Teddy for Stuart Ellis next door to him, while the popular pick from the Hearnden kennel was Long Gully Pete in the 5 and the Con Haagmans trained Cooper Scooper was also well in the market despite drawing the pink.

The race began with Long Gully Helen spearing to the front from box 4 closely followed by kennel mate Long Gully Pete and Cairnlea Gump who was pushing up on the inside. Rhynstone Teddy was average away and lobbed midfield while Cooper Scooper bombed the start and was back last early. As the greyhounds raced down the back straight Long Gully Helen was still giving plenty of cheek but was coming under pressure from her rivals while both Rhynstone Teddy and Cooper Scooper began

to make ground. As heads turned for home Long Gully Pete had the better of his kennel mate and ran to the front looking all over the winner with Cairnlea Gump in hot pursuit while Rhynstone Teddy moved to the outside and began to sprout wings. As the top line up of young chasers charged to the finish line Rhynstone Teddy bloused Long Gully Pete right on the line in a stirring finish, winning by a head in a solid 30.15. "Pete" was brave in defeat while Cairnlea Gump was close up in third. Cooper

Scooper gave an eye catching performance in making up many lengths over the final 200m to finish in 4th position only 3 ½ lengths away from the winner.

Rhynstone Teddy is by Paw Licking out of Pearls' Bonnie and was locally bred by Paul Bodsworth. He is owned and trained by Stuart Ellis, giving Stuart one of his biggest wins of his career. Rhynstone Teddy has now won 5 races from his 9 lifetime starts including 3 minor placings and prizemoney of just over \$13,000.

## Brendan Lines' final night tonight

With the shutdown of Angle Park to update the winning post it has also provided time for GRSA to update the audio at the venue which has needed attention for some time.

The system will provide better quality due to upgraded equipment, however, will become a more automated system. With GRSA taking this step, long time contractor Brendan Lines, who has worked with GRSA since 2004 maintaining the audio will no longer be required. This has been a business decision and we would like to thank Brendan for his professionalism and loyalty for more than 10 years.

He has been on hand for all of our major meetings and functions and has handled many problems ensuring the very best of quality has been maintained for industry and patrons alike using outdated systems. GRSA wishes Brendan every success in his future endeavours and appreciates his efforts over the journey.

## Gawler Show dates and changes

August means that it is coming up to Gawler Show time, so some Gawler meetings will be transferred to Strathalbyn and Angle Park this year.

This year the Annual Gawler Show will be held on the weekend of Saturday 26th and Sunday 27th August. Racing on Sunday night 27th August will be at Strathalbyn. Racing on Tuesday 29th August will be at Angle Park with this meeting being an Angle Park Provincial (APD) fixture with normal Tuesday prizemoney and will be raced with the Finish On Lure.

Racing on Friday 27th August will be at Mount Gambier.

Trials will be cancelled at Gawler on Wednesday 23rd August and Thursday 24th August due to the Show preparations. We will hopefully have the track ready to trial again on Wednesday 30th August, but this will be dependent on the weather over the show weekend. There will be trials at Angle Park on Tuesday 22nd August and on Saturday 26th August.

# On Fire makes it a hat-trick of monthly awards

Greyhound of the Month for July was again the Cameron Butcher trained On Fire who made it three in a row for the monthly awards.

It was quite a bit tougher this month with the likes of Whispering Soul,

Rhynstone Teddy, Dream A Little, Striker Klinsman and Purpose Driven all challenging however the son of Bekim Bale and Alana Blues was given the nod by the judges. On Fire had 4 starts at headquarters in Free For All company with three wins and a second. He was amazing when coming from last to win early in the month running 30.01 and then

blitzed his rivals in a sizzling 29.56. He backed that up with a 29.74 win before his run of 13 consecutive wins came to an end at the hands of High Eden Frost when he was far from disgraced in running second.

At the end of the month On Fire's record stands at 43 starts with 27 wins and 12 placings with earnings around \$105,000.

The Run of the Month for July was again awarded to the Cameron Butcher trained On Fire but this time it wasn't about the time that he ran but the amazing performance he put up to win.

In a 5 dog field it seemed to be just a procession for the Cameron Butcher flyer on Thursday 6th July however after an okay beginning from box 1, the star chaser got shuffled back to last and then was checked.

His \$1.20 starting price all of a sudden looked like 20/1! Greyhounds seldom recover from that kind of early interference however he balanced up and began to make ground in a high quality field. Turning for home

On Fire was powering home and swooped upon his rivals to go on and win by 1 length in a solid 30.01. The

performance was definitely one not to be missed and not surprisingly was voted the best for July.

## Coffex Coffee SA Oaks & BGC Industrial Cleaning Supplies SA Derby

Owners and trainers are reminded that the Oaks & Derby at Angle Park are fast approaching. A reminder to trainers about the eligibility and conditions of both these series which has our races listed as one of the few AGRA Age Restricted Classics for the season.

The whelping date of both the Oaks and Derby is for greyhounds whelped 27 months prior to the heats so to be eligible for both series your greyhound will have to be whelped on or after 1st June 2015. The other requirement is that Maidens are ineligible so your greyhound has to have won a race. The series are two week series with Open Heats and a Final. The Dates are:

### Coffex Coffee Oaks (Group 3):

\$4,590 Heats x 8 – Thursday 7th September

\$35,000 Final – Thursday 14th September

• Nominations close Monday 4th September at 9.00am.

### BGC Industrial Cleaning Supplies SA Derby (Group 3):

\$4,590 Heats x 8 – Thursday 14th September

\$35,000 Final – Thursday 21st September

## 2017 SA Country Cup

Below are details of how and where greyhounds can qualify for the \$7,375 SA Country Cup Final, to be run at Angle Park over 515 metres on Adelaide Cup Final night Friday 13th October 2017.

### Conditions:

- All South Australian Greyhound Racing Clubs outside of Angle Park will conduct heats, or nominate greyhounds from which the Greyhound Racing SA Grading Department will choose two representatives. These meetings are Gawler Provincial 2, Strathalbyn Provincial 2, Mount Gambier Provincial 2 and Port Augusta Country. (Performances at Gawler Provincial 1 meetings are not eligible for consideration)

- The event is open to all South Australian greyhounds that are not above Grade 5 at Angle Park (APK City A & APM City B meetings only) over 515 metres at the time of nomination. Winner of each event takes a penalty including the final.

### Special Exceptions:

Mount Gambier and Port Augusta Clubs are allowed to include non-South Australian trainers under strict conditions:

1. The trainer has had starters at 5 meetings for Pt Augusta and 15 meetings for Mt Gambier in the previous 12 months.
2. The trainer can only qualify for one of the clubs.
3. The trainer must have trained the greyhound nominated for the previous 3 months.

- Graders' discretion will be used to determine the best nominated.
- The greyhound must be SA trained (except Mount Gambier & Port Augusta as above).
  - o A South Australian trained greyhound is defined as one that has been racing in SA for a period of not less than 3 out of the 6 months immediately prior to the time of nomination.
- The greyhound must have started at least 2 times in the last 12 months at the track it is attempting to represent.
- There will be a maximum of two heats per Club with the winners of each heat qualifying. If there is only one heat conducted then the first two placegetters will qualify.
- The two reserves will be determined firstly by a ballot of the second placegetters from all heats. The third placegetters will then be considered by ballot if required. If a heat was not conducted at the track, then that track is not included in the ballot. Should a greyhound be withdrawn prior to the ballot, the next placed greyhound from that Club's heat will be selected.
- Once a greyhound has qualified from a Qualifying Heat, it is not eligible to compete at another track in this series, unless there are insufficient nominations to fill the field.
- Once qualified for the Country Cup Final the greyhound will be ineligible for the Adelaide Cup series or any other race on this Cup Final night.

# Kings and Queens Feature later this month

GRSA introduced the Kings and Queens Feature series this year with Heats on Thursday 31st August and a \$6,000 Final on Thursday 7th September in support of those greyhounds affected by the change to the AGRA Age Restricted Classics from 30 months back down to 27 months for this year's Oaks and Derby.

The eligibility for this series is for dogs and bitches whelped between 1st March 2015 and 31st May 2015.

Performed Maidens are eligible (raced or qualy trialled).

It will be dependent upon nominations, however we would like to run a dogs heat and a bitches heat separately with greyhounds qualifying into the final. If there are not sufficient nominations for either sex then these heats may be mixed as a one off heat into a final or a couple of mixed heats. Special conditions apply however these races will be non-penalty.

- **Nominations close Monday 28th August at 9.00am with GRSA.**

## 2015 Auction Series – 515m

As part of the 2015 Greyhound Auction there is one more series to take place.

This series will have heats on Monday 18th September with the \$5,000 final on Monday 25th September over the 515m. This series is for those greyhounds sold through the 2015 Greyhound Auction.

- **Nominations close Wednesday 13th September at 9.00am with GRSA.**

## MYOZCHASE INTRODUCTION

In June GRSA went Live with MyOzChase which provides an easy way for participants in the Greyhound Racing Industry to perform transactions online that previously had to be completed manually via paper-based Forms.

The portal available on the GRSA website will also improve communications between participants and Greyhound Racing Controlling Bodies.

MyOzChase will initially be offering the following functionality to users who register, obtain a log-in and complete a once-off identity verification prior to transacting online with their Controlling Body:

- Online updates of personal details
- View all their associated greyhounds (as an Owner, Trainer, Custodian, etc.)
- Submit Notifications of Retirement for greyhounds
- Submit Trainership and/or Kennel changes for greyhounds (replacing the current Kennel Notification or Notice of Training / Removal Form) \*Please note should you wish to transfer a previous Victorian trained greyhound into your kennel you will need to do this via the Online Nomination portal.
- Link through to the Online Nominations website (for Trainers only)

Further enhancements will be made over time.

# Breeders support updates

In September last year in response to inquiries about the changes to the Breeders Support Program taking affect in April 2016 Greyhound Racing SA advised the changes below.

These changes are in support of breeder viability and continues increased spending on animal welfare and integrity initiatives.

## Changes listed below:

### Breeder Support Program

The following changes to the Breeder Support Program have been implemented:

1. Combined claim limit of \$800 for all veterinary and transport expenses
2. Removal of the advanced application process for the breeders rebate now that both sires and breeding females must be registered
3. Removal of the cap on litters in anticipation of national (tiered) breeder licensing

### SA Bred Maiden Payment

The SA bred maiden payment rewards participants that get a greyhound to the track to win a race. GRSA

has committed to dramatically increase this payment from \$175 to \$1,000 (\$500 breeder/\$500 owner)

on 1st July, 2017. This will result in all greyhounds that are whelped in 2016 being eligible for this support. (GRSA will back date any payments missed over the last few months)

## JOKE

OF THE MONTH

!

A man walks into a bar and notices a poker game at the far table. Upon taking a closer look he sees a dog sitting at the table. This peaks his curiosity and he walks closer and sees cards and chips in front of the dog. Then the next hand is dealt and cards are dealt to the dog. Then the dog acts in turn with all the other players, calling, raising, discarding, everything the other human players were doing. However, none of the other players seemed to pay any mind to the fact that they were playing with a dog, they just treat him like any other player. Finally the man could no longer hold his tongue so between hands he quietly said to one of the players, "I can't believe that dog is playing poker, he must be the smartest dog in the world!" The player smiled and said, "He isn't that smart, every time he gets a good hand he wags his tail."

## Prizemoney Emails

With a change of who is emailing out the prizemoney advice notifications from GRSA we are finding some participants are not easily finding the email correspondence.

Can participants please check the following:

- A) Check your Junk folder
- B) Look out for Jenny instead of Julie
- C) Save the email address to your address book

It might keep happening week to week if you don't mark the email address as recognised/safe. If participants have further issues please contact GRSA.

## GOTBA News

After consultation with GOTBA some of their races have reverted back to 8 dog events rather than all 4 dog events as was conducted for their first two meetings.

With the Club receiving strong nominations the below criteria has been agreed for their meetings –

- Juvenile, Juvenile/Maidens and Maidens (that have not won on the circle will all be graded as 4 dog events). This will protect the more inexperienced greyhounds.
- Maidens (that have won 1 or more races on the circle), Novice, 1 stake, open etc will be graded as 8 dog events

This is all still dependent upon nominations received. The Club will run 16 dog events for the Waterloo Cup, Oaks and Derby as per normal, depending upon nominations.

## Booking online for Wednesday night trials at Gawler starting in July

GRSA has introduced the Online Booking process for Wednesday night trials at Gawler.

Like Tuesday night, these will be timeslots giving participants guaranteed bookings and allowing a smoother process. Trials on Wednesday nights start at 7.00pm as normal with 25 minute blocks. GRSA will monitor the bookings and attendance and may vary conditions and timeslots as required.

## Kurt Donsberg – oncourse race night photographer for Thursday's

GRSA has been able to secure the services of Kurt Donsberg for Thursday nights oncourse photography.

Kurt is no stranger to greyhound racing as he is the son in law of industry stalwart John Oehme so his face will be familiar to many industry people. We appreciate Kurt coming on board to assist us with Thursday nights. Those participants looking for a photo please see Kurt on the night or contact GRSA.

## GRSA Track Injury Rebate Scheme proving a success

It was a very pleasing sight at Gawler Greyhound Racing Track on Tuesday 10th July to see Aberlour resume his racing career with a rousing first up win for Kim Johnstone in race 9 after 8 months off recovering from injury.

Aberlour suffered a leg injury requiring surgery which was undertaken with the financial help provided by GRSA's Track Injury Rebate Scheme. Well done to connections for all the care and effort taken getting him back to the track and on such a successful performance.

If you would like to find out more information regarding the rebate scheme please have a chat with the Stewards and vet staff on race days. It is also available on the Rules and Policies page under 'About' on the GRSA website.

## The Golden Rules

### Avoidance of Prohibited Substance Breaches

In noting that we have seen recent Cobalt and Arsenic threshold breaches, it serves as a timely opportunity for GRSA to remind participants – in their own best interests – that there are a number of Golden Rules that can help them to avoid making any such breaches (for prohibited substances generally) and which should be adhered to as principles of best practice:

- Always consult your vet to seek guidance in relation to any of the products that you are using, any associated risks, and other relevant context
- Review the range of any feeds or supplements that you typically purchase and, wherever it is reasonable to do so, replace products containing substances that could contribute to a threshold breach under the rules (eg. cobalt) with alternative products
- Observe the instructions on any products that you use and adhere strictly to those directions (having regard for prescribed amounts, frequency of administration/application, methodology for administering/applying)
- Refrain from the use of injectable treatments (eg. Vitamin B12) to any extent that is practical
- Refrain from any treatment of a greyhound on raceday other than as relates to its feeding and drinking requirements (GAR83(a)(1) treats this as a specific offence)

Our registered participants have the ultimate responsibility to ensure that greyhounds are presented free of prohibited substances. This information is offered as advice in good faith only and should not be relied upon as a defence in the event of a breach being recorded.

These Golden Rules will appear in the Integrity section of future *Kennel Capers* editions on an ongoing basis as a reminder for participants of this responsibility.

## *Black caps now available from GRSA*

Along with the white caps GRSA has now approved that black caps can be worn by participants.

**Both black and white caps with GRSA logos are available from GRSA at a cost of \$10.**

# Track Injury Surgery Rebate Scheme

greyhound been  
injured at the  
races?**

**The Greyhound Adoption Program will then prioritise  
your greyhound for entry into the program.**

# PROJECTS UPDATE

**SCOTT WUCHATSCH**  
STRATEGIC PROJECTS MANAGER

## Angle Park shutdown

The shutdown of activity at Angle Park next week will allow a number of projects to take place that would normally be difficult to manage around the heavy racing and trialling schedule.

Projects being undertaken include:

- New winning post installation
- Track lighting switchboard upgrade
- Track turnover and level
- Minor track drainage works
- Chasers restaurant audio upgrade
- Major kennel house clean
- Painting of rail and cleaning of safety rail
- Landscaping in preparations for Spring major events
- New TV for 388m start
- Updating of track signage

## Mount Gambier 732m boxes installed

**The Mt Gambier Club has completed installation of a refurbished set of ex-Victorian starting boxes at the 732m start, a start also used for trialling over the shorter 277m distance.**

Track Maintenance Manager Tim Manterfield has done a fantastic job in overseeing the project and ensured installation occurred in a very quick timeframe.

The project involved many different aspects including widening of the track in the back straight, relaying the foundations underneath the new wider boxes and an overhaul of the boxes including spray painting.

Trialling commenced last weekend and the Club has programmed a 732m event at their meeting on Sunday 27th August, 2017 which it is hoped is well supported by participants.

## New Timing System recently installed at Virginia

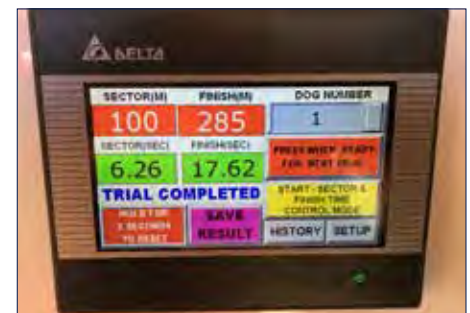

**The maintenance team has just completed the installation of a new timing system at Virginia.**

Initially the timing system will be used for Coursing meetings and trial

sessions, however GRSA will discuss with the Club the opportunity for access to the system by participants outside these times.

The timing system records

greyhounds over a total distance of 285m, with the introduction of a 1st split recorded at the 100m mark. The system will be ready for use for this weekend's Coursing meeting.

## UBET to sponsor 2017 Adelaide Cup

UBET have continued their support of the Group One Adelaide Cup and have recently re-signed as Naming Rights Sponsor.

We value their unwavering support of our code, and hope that this year's event will be bigger and better than previous years.

### Live Q & A on Closed Facebook Group

Next Thursday we will be featuring a Live Q & A where participants on the GRSA Registered Participants Facebook page are able to submit racing and infrastructure related questions to GRSA's Racing Manager, Shaun Mathieson, and Strategic Projects Manager, Scott Wuchatsch.

Questions will be answered in comment form, allowing all followers to view responses.

More information will be posted on the Closed Group closer to date. If you are not yet a member of the Closed Group, please consider joining. The group is restricted to current GRSA registered participants and is an excellent way to keep up to date with the latest industry news. Currently we have over 210 participants as members.

### GAP Whispers....

We are only a few weeks from announcing something HUGE on the GAP front.

It may be the news of our first GAP SA Ambassador, but then again it may not. All will be revealed shortly. In the meantime please be sure to follow GAP SA's Facebook page to keep up to date on all GAP related matters.

### Golden Bone competition

It's that time of year where we have commenced our planning for the ever-popular Golden Bone Tipping Competition and as always we are looking to build on our previous success.

This year we are considering expanding the competition to the rest of Australia, meaning that anyone (well almost anyone) in the nation will be able to submit their tips on our local Angle Park product. A bigger competition will lead to bigger prizes – all will be revealed over the next month or two.

## Greyhound walking groups proving very popular

Off the back of our volunteer walking group every Wednesday and Facebook, GAP SA has had huge increase in enquiries about joining walking groups.

So much so that we have pooled contacts from various greyhound walking groups from North, South, East to West of the city and in Mount Gambier and will now boost our own Facebook page - Greyhounds on the move! The purpose of the

page is for it to become the go-to resource for people wanting information on where they can walk their greyhound with others.

# A rewarding gift

## ■ GAWLER

A young greyhound that had been generously given as gift, won first up at Gawler recently.

Racing in a Maiden event over the 400m distance, Jaxx Kist trained by Kiah Hurley began well before hanging on to narrowly win by just a neck ahead of Konfuzzled for Michael Stewart of Palmer, with Jacki Jarvis third for Neil Mann from Kalbeeba.

Kiah Hurley trains the black female for the Kist syndicate, which consists of family members and is managed by her grandmother, Kathy Hurley. The litter was bred by Paula Hearnden of Angaston, and given to the Kist syndicate in recognition of the support that they had given to her and her late father, over many years. Kiah had also purchased one from the litter at the time, so the two were raised together. The litter has been very successful, with one member Long Gully Josh chalking up 15 wins and 7 seconds from just 24 starts, including running second in last Sunday's Produce Final. It was therefore no great shock for anyone at today's good run, although Kiah did admit she was a little surprised with the win.

Kiah emphasised the great level of family involvement not only in their syndicate, but also helping with the training generally. And Paula has been a big help, particularly with trialling. With

Back row from left to right: Paula Hearnden, Kathy and John Hurley (grandparents), Front row: (Centre) Kiah Hurley with son Cohen, with her sisters Jayde Hurley (left) and Jasmyn Hurley (right) with their winner, Jaxx Kist.

Kiah being one of the younger trainers in the industry, and now a new mother, it has its challenges. But with everyone's support, she is enjoying it, even young son Cohen takes an interest in proceedings. One thing Kiah has noticed is the better performance of the 9 greyhounds she has in her care, now that she stays home full time.

# Calling home a winner

## ■ MOUNT GAMBIER

Race caller Ray Fewings called at Tara Raceway on Sunday 6th and took the opportunity to bring down a couple of his own runners – Vico Road and Michele Quick – for the meeting.

Vico Road ran a 1¼ length second to Outlaw Eddie in the Klaassens Contractors Stake (400 m) and promptly found a new home with Tom Cryer at Apsley while Michele Quick took her record to four wins from five starts when successful in the Greyhound-Data.com Stake (400 m).

An odds-on favourite from box one, Michele Quick went straight to front and was never headed, Fewings remaining cool, calm and collected as he called her a 2¾ length winner over Macarthur Road in 23.52 seconds.

By high profile sire Barcia Bale, the winner is out of Bally Swift (Mogambo x Swift Flyer), and was bred by long-time participant Barry Stewart of Glengowrie.

Bally Swift was well travelled, winning 11 races and running 22 minor placings in Victoria, WA, Queensland and SA, Fewings later rearing her litter at Williamstown for the breeder.

"I actually took a liking to a fawn bitch pup which I ultimately purchased from Barry and later named her Michele Quick," he said.

Race caller Ray Fewings with Michele Quick, an all-the-way winner at Tara Raceway on Sunday.

"Almost 50 years ago in the pre-betting days I had raced a fawn bitch, also called Michele Quick, at the Bolivar track. She made the final of an Adelaide Cup and I still remember her having no luck in that race when she drew box six."

# TRIALS

## ANGLE PARK

### ANGLE PARK QUALIFYING TRIALS – NOW WEEKLY

Angle Park Qualifying Trials are run weekly on Tuesday night, for the corresponding Monday APM meeting and the Wednesday APD meeting. Trainers must be specific on their nominations about which day they are trialling for and what distance. (ie Wed 388m, Mon 515, Mon 600m etc)

**Tuesday Angle Park Qualifying dates are:**

**August 15th** (No Trials)

**August 22nd** (for APM Monday meeting on 28th August – for APD Wednesday meeting on 30th August)

**August 29th** (for APM Monday meeting on 4th September – for APD Wednesday meeting on 6th September)

**September 5th** (for APM Monday meeting on 11th September – for APD Wednesday meeting on 13th September)

**Nominations close with GRSA at 12.30pm on the Tuesday of the meeting.**

#### NOMINATING ONLINE FOR QUALIFYING TRIALS

For Angle Park, Gawler and Strathalbyn qualifying trials the nominations must be lodged with GRSA by 12.30pm on the day of the meeting. To nominate online however you can only do this up until 11.59pm the day before. Due to a system security policy you cannot nominate on the day for these trials online. Please contact our staff if you have any issues with these nominations prior to them closing.

#### SINGLE TRIALS

A reminder to trainers that single trials can be booked with two greyhounds however you need to advise when booking of your intention to do this. If you wish to put three or more into this trial then a field trial will have to be booked.

#### BOOKING NUMBER FOR TRIALS

Participants wishing to book trials are required to ring 8243 7172, this phone line will only be used for trial bookings and will queue participants. By having this one number with participants queuing makes this process to be a more efficient way of booking trials.

There will be NO trials accepted through the normal administration number. To be fair to everyone GRSA will only accept bookings using the new number.

#### POLICY FOR TRIALS IN PLACE

Remember trials will only be taken from –

- \* 12.30pm Monday for Angle Park Tuesday nights
- \* 12.30pm Tuesday for Gawler Wednesday nights
- \* 12.30pm Thursday for Angle Park Saturday morning (day earlier due to being morning trials)

\* For Public Holidays it will be the working day before ie if Monday is a Public Holiday then bookings taken on the Friday

\*trial days that are not booked in with GRSA remain the same process (ie Gawler Thursday)\*

### POLICY FOR TRIALLING AT ANGLE PARK AND GAWLER BEFORE THE RACE MEETING

#### RACE MEETING TRIAL POLICY

Angle Park Monday & Wednesday along with Gawler Tuesday, Friday and Sunday.

Two fields from the boxes with a maximum of four (4) greyhounds will be conducted immediately following the completion of the kennelling procedure for the Race Meeting.

The following lists the order in which greyhounds will be selected in the event if more than 8 greyhounds nominated.

1. Reserves at the Meeting that do not obtain starts.
2. Trainers that have greyhounds engaged and are located in an area affected by track closures.
3. Trainers that have greyhounds engaged.
4. Satisfactory trials.
5. Other greyhounds.

#### PROCEDURE/CRITERIA

1. For Monday nights trainer to contact GRSA between 10.00am and 11.00am on the Monday to nominate. Should the Monday be a public holiday bookings are to be made between 8am and 9am on the scratching line.
2. For Angle Park Wednesday, Gawler Tuesday & Friday trainer to contact GRSA between 4.00pm and 4.30pm on the day before.
3. For Gawler Sunday trainer to contact GRSA between 8.00am and 9.00am on the scratching line to nominate.
4. Other than reserve greyhounds Trainers will be restricted to trialling one (1) greyhound unless nominations determine otherwise.
5. Stewards allot the Box for the Greyhound.
6. Trials will be 515m & 531m in distance as first preference. Other distances considered depending on nominations.
7. Greyhounds currently under suspension or not cleared to race are not eligible to be nominated (these trials are conducted as if they are at a race meeting so all greyhounds need to be eligible at nomination time).
8. Greyhound registration certificate or cards must be produced at kennelling time.

9. Trainers with other greyhounds engaged can utilize the extra kennel space until such time they are ready to leave OR trainers with no other greyhounds will be free to leave following their trial.

If there are 12 races at Angle Park or Gawler there will be NO trials.

The Vet Clinic at these meetings cannot be used to accommodate any greyhounds to allow for extra trialling greyhounds. This policy has been introduced so that participants book in under the policy. The Vet Clinic needs to be available for the Vet and Stewards at race meetings

#### **EXCEPTIONS TO THIS POLICY–**

- Thursday nights are kept available for the option for Interstate greyhounds to solo trial in a lead up to our Group races and also local greyhound's trialling for Group racing interstate.
- Local greyhounds will be allowed to solo trial in a lead up to a feature race upon request and they will take one of the eight kennels available for trialling ahead of the policy and sit separately to the 4 dog trials. Feature races are considered to be – Adelaide Cup, Gawler Cup, Oaks, Derby, Howard Ashton, Brian Johnstone, SA Sprint, SA Distance Championship, SA Anniversary Cup, SA Country Cup, National Finals & any Group race Interstate.
- Local greyhounds will be allowed to trial on a race night, where they are in preparation for a feature event and nominated for a meeting and the race does not stand up. This will include all distances and also take precedence over the policy.
- If a greyhound qualifies for a feature final and requires a trial in between this will be conducted as a solo trial and sit separately to the 2 four dog trials.

It is extremely important that trainers book in to trial at these race meetings. If unable to book in at these times then please contact GRSA where permission may be given to accept a booking outside of these times. .

## **GAWLER**

## **MOUNT GAMBIER**

The Mt Gambier GRC committee advises that satisfactory trials can be run in the summer months under the criteria below.

1. On race days when there are less than 12 races.
2. On race days with 12 races when the temperature is 30 degrees or less trial can be run before the first race but greyhounds must leave the track straight after the trial to head back to their home kennel.
3. On a Saturday trial session when stewards are available.

These trials will have to be booked in with GRSA in consultation with the Mt Gambier GRC.

## DEMONSTRATING EXCELLENCE AT EVERY LEVEL

Established in 2001, we are an ever-growing, family-owned business with an enduring commitment to demonstrating excellence to each and every one of our customers, on each and every level. As a starting point, we offer our customers quality and selection; we offer a complete range of eminently affordable, quality steel products including fencing (including neighbour friendly, custom-made pool and post/rail options), verandas, sheds/outbuildings, roofing, miscellaneous materials and tools. To this we mix in a dose of convenience: not only do we offer a range of steel services, but have also expanded our facility over time, in order to offer our clients a still better selection across our product and service lines.

We know that maintaining our status as a leader in the industry doesn't only involve maintaining a substantial product line — this is why, true to our Bargain Steel Centre name, we unceasingly work to keep our prices as affordable as possible, while also ensuring exceptionally good service, too. Simply put, we owe it to our customers to offer the best of all worlds through substantial selection, quality products, affordable prices, and exceptional service.
