CEO'S UPDATE

BODELLE FRANCIS CEO

What a whirlwind my first two months have been. I'm loving every minute and I continue to be buoyed by the opportunities that I can see in our great racing code. The genuine passion and enthusiasm in every person I have encountered both on and off the track is infectious.

My current focus remains on reviewing the business at a granular level and identifying those things at the heart of our sport, industry and community. This is an important part of planning for the future, as it will guide our decision making around what should be strengthened and where there is opportunity for further development.

That means continuing to talk to our participants and learning more about what makes this industry tick – so if we haven't yet had a chance to chat, please reach out.

In the meantime, see you at the track!

Springvale Max claims 2022 Howard Ashton

■ ANGLE PARK

One of the highlights of racing at headquarters in May was the running of the Group 3 Howard Ashton Final which saw a wonderful field of locally bred sprinters assembled with Springvale Max trained by Gavin Harris charging home late to claim the \$25,000 first prize.

Springvale Max was sent out a clear second favourite from box 6 with hot pot He's All Purpose starting a short priced favourite from the inside draw. Both greyhounds have been in terrific form and many believed they would fight out the feature classic which is how the race panned out. As the start was affected He's All Purpose began brilliantly as expected and led clearly to the first turn with My Mum's Value for Robert Barclay moving up strongly into second. Springvale Rex for Gavin Harris, Black Cobra for John Sargent and Mo Slater for Wendy Sebastian were all in a line challenging for third while Springvale Max was looking to slot in just behind this group along the rails as they left the front straight. Into the back straight and He's All Purpose was leading by just under a length from My Mum's Value who was sticking with him while Springvale Max and Black Cobra battled out third however Springvale Max had found his way to the rails and began to make good ground along the paint. Off the back straight and He's All Purpose finally snuck away from My Mum's Value who was doing his best, however, the big danger loomed with Springvale Max running to a clear third with the leader well in his sights. Turning for home and as most thought it developed into a two-dog race with He's All Purpose trying to hold off the charging Springvale Max who was railing hard. Into the front straight and the run came for Springvale Max who charged through to claim a brilliant win in a flying 30.42. He's All Purpose was brave in defeat $\frac{3}{4}$ length away with Springvale Rex getting home well for third just ahead of My Mum's Value.

The feature race is named in honour of GCA Hall of Fame member, Howard Ashton. Howard was instrumental in the professional running of Greyhound Racing in South Australia for many, many years as an Administrator of the Industry. He started his journey at Angle Park where he managed a number of roles locally along with positions nationally as the Executive Officer of GCA.

South Australia has only two other inductees in the GCA Hall of Fame, Brian Johnstone and Doug Payne, who also have races named in their honour.

Grosso adds another feature final to resume

■ ANGLE PARK

In front of a handy crowd at Angle Park, Victa Grosso for trainer Tony Rasmussen landed another feature race win when he won the prestigious Shane McQueen Feature Final on June 2nd. The son of Fernando Bale and Victa Victoria has been a model of consistency in feature events and added the premier middle distance victory to his Group 3 Gawler Cup win back in October last year.

After winning his Heat the previous week he was sent out a strong second favourite behind interstate raider, Starlight Tyson for Janet Cottrell, with another interstate visitor, Spanish Miss for Diane Ireland on the third line of betting with Spring Harbour for Ben Rawlings.

As the start was affected most thought Starlight Tyson would show sufficient speed to cross to the lead from box 4, however, he showed terrific speed but so did Victa Grosso who drove hard from box 2 to hold out Starlight Tyson in the drive to the winning post on the first occasion. The two market leaders already opened up a gap to the chasing pack with Spring Harbour, Danyo's Mercy for Lauren Harris and Spanish Miss challenging for third spot. Into the back straight and Starlight Tyson had a slight advantage, however, Victa Grosso continued to drive hard to his inside and shortly after assumed control of the lead. Spring Harbour was holding down third with Spanish Miss getting to the inside and making good ground with the remainder of the field too far back to challenge for the placings.

Off the back straight and in a twinkling of the eye Victa Grosso accelerated away and opened up a 2 length break from Starlight Tyson who was doing his best to hang on to the leader while Spring Harbour and Spanish Miss were battling out third spot. Into the front straight and Victa Grosso had taken full control of the event and raced away for a 4 length win in a blistering 34.06 for the 595m journey from Starlight Tyson who just held second in front of a late finishing burst from Spanish Miss.

The race is named in honour of ex GRSA CEO, Shane McQueen who was a terrific greyhound administrator in WA and SA until his untimely passing in 2003.

Group 3 win highlights big month for Max

Greyhound of the Month for May was Springvale Max for trainer Gavin Harris, highlighted by his brilliant win in the Group 3 Howard Ashton Final in late May.

The locally owned and bred son of Barcia Bale and Springvale Bryne had four starts for the month with three wins and a second in a great month of racing. He started the month off with a solid second in a Breeders Prelude Final before he set himself for the Howard Ashton. He won his Heat by 6.50 lengths in 30.38 and then repeated the does in the Semi-Final winning by 3 lengths in 30.50. He started a strong second favourite in the Group 3 Final and produced a brilliant performance to chase down He's All Purpose in the shadows of the post to win by almost a length in 30.42.

At the end of the month Springvale Max's record stood at 38 starts for 19 wins and 10 placings and earnings around \$59,000.

A magic run claims May's Run of the Month Award

The Run of the Month for May was Mallee Magic for trainer Tony Rasmussen after his sensational performance at headquarters on Thursday, 5th May in a Mixed 2/3/4 where he went within .02 of the Angle Park track record.

After beginning brilliantly from box 4 he took up the earlier lead and from there was never challenged, racing away from his rivals to win by 6.50 lengths. He ran splits of 5.22 and 17.49 with the overall of 29.97 becoming only the second greyhound to break the 30 second barrier on the redeveloped Angle Park circuit.

BEANIES AVAILABLE

Approved beanies are part of the GRSA Dress Code Policy and available for sale from GRSA. These beanies are GRSA specific and are the only ones approved, at a cost of \$10 and are available to purchase from the GRSA office's.

GRADING REVIEW OUTCOMES

TIME BANDS FOR MASTERS AT ANGLE PARK

Since Angle Park has been redeveloped with the new distances of 342m, 530, 595m and 730m GRSA has not allocated any times for Masters events.

There subsequently has been sufficient racing at the venue for a time standard to be applied, which was approved at the most recent Grading Review Panel meeting.

The below time ratings for Masters events will now be implemented for meetings conducted from 1st July, 2022.

Time Bands are –
342m –19.75
530m –30.80
595m – Unlikely
730m – Unlikely

TRACK	DISTANCE	TIME
ANGLE PARK	342M	19.75
	530M	30.80
	595M	N/A
	730M	N/A
GAWLER	400M	23.00
	531M	31.15
	643M	N/A
MT GAMBIE	305M	17.75
	400M	23.50
	512M	30.40
	600M	N/A
	732M	N/A
MURRAY BRIDGE	300M	16.70
	350M	19.25

	455M	25.75
	530M	N/A
	680M	N/A

305M MASTERS AT MOUNT GAMBIE

Time band for Mount Gambier 305m Masters-

Previously GRSA had been using a policy for Masters events at Mount Gambier utilising the 277m distance, however, we had not adjusted this for the 305m until there was sufficient racing. At the most recent Grading Review Panel meeting it was decided to make the below changes and implement. The below policy will now be implemented for meetings conducted from 1st July 2022-

305m Masters Policy for Mount Gambier – With Mount Gambier GRC conducting one 305m Grade 5 Masters race each meeting where possible, the Grading Department determined conditions for these races using some of the conditions of normal Grade 5 Masters events, however, factoring in the restricted nature of the 305m distance. If a dog wins and runs faster than 17.75, it can still remain eligible for the next week, if the dog then wins and runs faster than 17.75 again it will be ineligible for the race and distance the following week. The dog will either run over another distance or will miss that week's race. The following week it will then be eligible. If there is no 305m Masters race the greyhound has to miss the next time that race is conducted. This only refers to the greyhounds that win.

TIME RATINGS FOR FIRST STARTERS

As previously advised, it is the intent for the Time Rating for first starters to be varied from 10 to 8 after the most recent Grading Review Panel meeting.

There needs to be a programming change in OzChase and at present this has not been finalised. GRSA will advise an implementation date once the changes are ready to take effect.

MOUNT GAMBIE SATISFACTORY AND NORMAL TRIALS – TIMING FOR BOOKINGS

Trainers are reminded of their requirements when booking Satisfactory Trials and normal trials at Mount Gambier. Mount Gambier hold trials on Wednesday and Saturday mornings with Satisfactory trials ONLY being conducted on Wednesdays which need to be booked with Barry Shephard from the Club on 0419 824 512 no later than 12pm the day before.

Normal trial bookings need to be done by 4pm the day before for both Wednesday and Saturday. They will not be accepted after this time. Effective immediately.

GRSA is working with the Club regarding an online trial booking system which would help the management of these normal trials.

At Race meetings Satisfactory trials can be done when less than 12 races. When there are 12 races these can be considered, however, the trainer will not be able to kennel and must take their greyhounds home straight after the trial. These race day trials will also need to be booked through Barry at the Club. GRSA administration staff will NOT accept these bookings and trainers will be directed to contact Barry Shephard.

- Nominations will close at the normal time with GRSA which will be at 9am on Thursday, 28th July

A reminder to all trainers of the clause which requires a greyhound to have been domiciled in South Australia for a period of not less than 76 days out of the 150 days immediately prior to the nomination closing date to be eligible to represent SA, which going back is on Saturday, 14th May 2022. COMMENTS ON NOMINATIONS MARKED “ONLY”

A few years ago the Grading Review Panel agreed that some trainers were using the comments box to influence the grading of fields in particular Grade 5 Only for all their greyhounds.

The panel previously resolved that “Only” would be disregarded over all distances and the grading left to the Grader. (Masters Only or Juvenile Only will be accepted as this is for a specific type of race)

If trainers put “Only or no start or leave me out” then the grader will grade as normal and if a greyhound would be graded into a mixed event based on race wins then he will leave them out based on the trainers request. The more information provided to the Grader allows for him to accommodate those requests.

WINNING GRADE 6 RACES IN ORDER

GRSA reminds trainers to win their Grade 6 events in order at a specific venue.

For the venues that allow two Grade 6 wins trainers need to win a Grade 6 over one distance and then a Grade 6 over the other distance. If a greyhound wins a Grade 6 and then a Grade 5 then they will lose their Grade 6 over the other distance at that venue.

RE-GRADING FOR ALL TRACKS AND DISTANCES

Re-grading will occur for all tracks and distances for Grade 3 or higher greyhounds.

A trainer can apply for a re-grade after two unsuccessful nominations over the corresponding distance. If having met this criteria the responsibility is on the trainer to apply for a re-grade prior to the close of nominations. Only one distance will be considered for a re-grade per meeting.

DAISH IRRIGATION & FODDER VOUCHERS FOR MURRAY BRIDGE

The Murray Bridge GRC has secured some \$100 vouchers from their sponsor Daish Irrigation & Fodder to be used on Heat and Final series' over the next 12 months.

In the All Tracks calendar these races will be highlighted which is a terrific initiative of the Murray Bridge GRC.

Breeders Support Program – important update from July 1

At the most recent ICG meeting our local breeding numbers were discussed. After considering how many litters are currently being bred, the panel decided to make an alteration to how many Breeder Rebates will be available each financial year.

For any Breeder Rebate application lodged (at Litter Registration time) from July 1 2022 to June 30 2023, GRSA will only rebate two Litters fully and if there is a third litter, this will be at a half price rebate. If a Breeder has a fourth litter there will be no claim available. It will be up to the Breeder to determine which 2½ Litters they would like the Breeders Support Claim for in the 12 month period. Please contact Racing Manager, Shaun Mathieson at GRSA for further information.

Below are the current Breeders Support Conditions -

Details regarding the Breeders Support Program for litters registered in SA. It is crucial that GRSA receives receipts for actual and verifiable expenses relating to litters whelped for items below or else no support payment can be provided: Claims will be a Maximum of \$2,000 with FSI and Pup payment in addition.

Stud/Sire Fee (Commercial)	50%, up to \$2,000 rebate (receipts required)

The limit of the support as it relates to the [50%] contribution to the stud/sire fee component is equivalent to the full support value of \$2,000. The limit of the support as it relates to 'other' expenses is \$1,000. Excluded expenses include veterinary (pre-conception), rearing, breaking in or pre-training costs.

Existing field trials will appear in each block. To book a dog in an existing field trial simply click the Book 1/2/3 button.

If there are no available field trials of the distance and type you require then feel free to create one yourself. Simply book a slot as-per-normal and select Maiden Field or Performed Field, as shown below.

Note: booking a dog or several dogs in a field trial counts as 1 trial towards your 4 trial maximum.

When do trial bookings commence each week?

Bookings for meetings will commence at 11.30am the working day prior to the trial session (henceforth known as "booking opening time").

Is there a limit to how many trials I can book online?

Yes: 4. If you wish to reserve more than 4 trials a session then you must phone the office as per normal. For example, in the screenshot below, it indicates that you can book 3 more trials using TrialBooker without phoning.

To book more than 4 trials phone GRSA on
Note: booking dogs in a field trial counts as 1 trial towards your limit

Why am I limited to 4 trials in one block?

In short: to prevent abuse of the system. To book more phone the office after booking opening time.

Can I cancel a trial booking online? Yes: Press the X button and confirm.

Will I receive a confirmation to confirm my online trial booking?

Your trials are reserved for you as soon as you press the "Book 4" button (or "Book 4" or whichever it may be). You must then confirm the details of those trials (distance, number of dogs etc.). There will be a summary of your bookings in each session on the Home page.

Can I book trials for other licensees? No—under no circumstances may you book trials for anyone other than yourself using TrialBooker. Dogs must be brought in and paid for by the person whose name they were booked under. If you wish to share a non-field trial with another trainer you must book over the phone.

How can I book a trial if I don't have access to a computer?

You can still book trials by calling the office after booking opening time.

Time grading rating available online

Time Ratings for greyhounds are now displayed online when trainers go to nominate a greyhound. It is displayed in the area the grades of the dogs are displayed.

This will allow trainers a clear understanding of their greyhounds rating prior to nominating for a Time Graded meeting.

Online scratchings now available

A reminder to trainers that scratchings out of drawn race meetings is available through the OzChase system. This provides flexibility for trainers during their busy schedules. Trainers can still phone scratchings through as normal.

Once a scratching has been lodged, GRSA will consider this greyhound as requiring to be removed and will be published as soon as received on the next work day.

Any Late Scratching's cannot be made via online and will have to be phoned through to the stewards.

Please see right for the process of making a scratching via OzChase -

To request that a greyhound is scratched from a race, a trainer can select the 'Scratch Greyhound' action.

A greyhound can be selected from the dropdown on the screen. Once selected, the details related to this greyhound (ear brands, certificate number and microchips) will be displayed.

The meeting list presented to the trainer for selection will show those meetings where the selected greyhound has been allocated as a runner or reserve. If the greyhound has multiple starts at the meeting, then all races for this greyhound will be listed against the appropriate meeting entry.

LOCAL RULE AMENDMENTS – DISCIPLINARY PROCESS

At its meeting on 2 June 2022, the GRSA Board approved amendments to Division 22 of the Local Rules.

Historically, serious breaches of the rules of racing were always referred to the Integrity Hearings Panel (IHP). With the amendments, some breaches of the Local Rules that are still considered serious can now be heard by Stewards. The effect is that Stewards now have the full range of penalties available to them. This will streamline the disciplinary process and free up the IHP to hear those matters considered sufficiently serious for the panel to hear and determine.

RULE AMENDMENTS

It is vital that you keep up to date with the rules of racing that are available on the GRSA website.

A claim of not knowing a rule is not a defence when the rule is publicly available. Below is a summary of some very important amendments -

Local Rules

Part 3 is the new concept of penalty notices. From now, some offences under the rules of racing will be dealt with on the spot by penalty notice. The penalty notice allows a fine up to \$499.00 payable in 14 days or via a payment plan. Like police expiation notices, if you dispute the notice, you can elect to have the breach dealt with by an inquiry, but note an inquiry is not limited to just fines. Also, if Stewards or Welfare Officers are of the opinion the breach is serious enough that a fine is not adequate, they can elect to issue an on-the-spot inquiry notice. An on-the-spot inquiry notice allows the option to suspend greyhounds or people, pending the determination of an inquiry.

Part 4 outlines the matters that GRSA consider for registration – suitability matters. This includes a fit and proper person test to make it clear what GRSA use to assess all new, renewing and variations to registration. Please note the requirements to produce a current police check.

Part 5 introduces a right of review and amalgamates several review processes that GRSA presently use.

The following are some other key changes to the local rules –

- L5 – new general offence of contravene requirement of a GRSA officer.
- L29 – amended identification and location of inactive greyhounds [so GRSA may require a person in possession of a greyhound to update GRSA on the greyhound [e.g. racing or breeding greyhounds]].

- L35 – confirming greyhounds must be kept by registered persons and on registered premises [e.g. only an appropriately licenced person can keep or train a greyhound].
- L36 – new rules dealing with greyhounds of a deceased estate [to allow GRSA to temporarily house greyhounds with relatives or other registered persons, while the early stages of the estate are sorted out].
- L38 – confirming notices of whelping must include all pups whelped [this is to make clear that all pups, even still-born, must be recorded at this time to assist with GRSA data matching processes throughout the life cycle of greyhounds of that litter].
- L47 – new, specific offence of being disorderly on a racecourse or premises of a club [this is in addition to any breach under GAR 86].
- L90 – confirming power of GRSA to require further details about matters relating to greyhound racing [before and during an inquiry, for example, further information to process notifications lodged under GAR 106.. These types of requests are now requirements].
- L92 – new facilitation of proof provisions to make IHP hearings more efficient [for example, without challenge, GRSA can prove a prohibited substance is listed as such. This provision can be rebutted under election by the registered person].
- L94 – new guiding principles to be considered on penalty [to assist panels to consider the relevant factors for and against a registered person].
- L100 – confirming reasonable time for disqualified person to transfer greyhound [out of their custody should they become disqualified].
- L130 – revised rehoming obligations [including notice of intention to euthanise that is presently part of the Animal Welfare Policy 2021]
- L131 – new, serious offence of ill treatment of greyhound.
- L132 – new offence of threaten detriment to greyhound.

The new local rules can be found on GRSA's web page.

DES JONAS

KENNEL HOUSE WHITE BOARDS

White boards have been placed at prominent positions inside the kennel houses at Angle Park, Gawler and Murray Bridge.

Stewards will make note on these boards of all greyhounds required to undergo a post-race Veterinary examination or Participants who are required by Stewards. Participants are directed to view the whiteboard and seek clearance from Stewards (in the Stewards Room) prior to leaving the race meeting if you or your greyhound's name is on the board. Please do not ask kennel house staff. Failure to obtain clearance from Stewards may result in you having to return to the track if required.

SATISFACTORY TRIAL POLICY

GRSA's Satisfactory Trial Policy has been updated to reflect the new rules and revised race distances at Angle Park.

There have also been minor adjustments made to qualifying times at Mt Gambier. **The policy can be viewed on the following page and on the GRSA website.**

SATISFACTORY TRIAL POLICY

Version number: 3.0– 2022 - Board approval: February 2020
Last review: May 2022 - Next review: January 2024

Policy Background

The purpose of this policy is to detail the procedure for a greyhound undertaking a satisfactory trial.

Application of the Policy

A “satisfactory trial” means a trial required to be performed by a greyhound to the satisfaction of Stewards pursuant to Rule 132.

The chart to the right lists the type of satisfactory trials, associated field types and numbers:

TRIAL TYPE	FIELD TYPE	FIELD NUMBERS
Blinkers	Field	3
Failing to pursue	Field	3
Failing to pursue by reason of injury	Field	3
Marring	Field	3
Unsatisfactory or aggressive behaviour	Field	3
Cramp	Solo	1
Injury	Solo	1
Returning from retirement	Solo	1
Re-weigh	Solo	1
Turned in boxes	Solo	1
Unraced for more than six (6) months	Solo	1
Unsatisfactory performance	Solo	1
Whelping	Solo	1

Procedures:

a) The trainer must contact GRSA Racing department to give details of the satisfactory trial required. In the instance the satisfactory trial is for Mount Gambier, a booking must be made directly with the club.

b) GRSA will determine the time the greyhound is required to run. The Steward[s] on duty during the trial may adjust the time at their discretion i.e., dependent on track conditions, etc.

c) Stewards will allot the box for the greyhound.

d) To be cleared to race at any distance, greyhounds must trial over a similar distance to that at which it offended. Please refer to the chart above right for applicable track, distances, and times.

Stewards will accede to a request from a trainer to trial a greyhound over a shorter distance than that at which the penalty was placed on them. The successful trial distance will be recorded for the greyhound's requalification and will only permit the greyhound to be nominated for races up to that distance. Greyhounds must trial and requalify over a longer distance to be permitted to race over further.

e) A Veterinary Certificate of Fitness must be obtained and lodged prior to competing in an unraced for more than six [6] months trial, returning from retirement trial or when requested by Stewards.

f) Greyhounds that re-offend may have their nomination refused for future trials at the discretion of the Stewards.

g) The provisions of Rule 132 and Rule 135 apply.

h) Satisfactory Trials ordered under Rule 123 [Marring], Rule 124 [Failing to pursue], Rule 125 [Failing to pursue by reason of injury] and Rule 129 [Unsatisfactory performance] must be performed at the track where the offence occurred to obtain clearance at all tracks. For clearance at all tracks except the track where the offence occurred the trial may be performed at any venue.

i) If a greyhound is ordered to undergo a Satisfactory Trial on a circle track and successfully completes a Satisfactory Trial on a straight track, it will be cleared for straight track racing only.

j) If a greyhound is ordered to undergo a Satisfactory Trial on a straight track and successfully completes a Satisfactory Trial on a circle track, it will be cleared for circle track racing only.

GRSA reserves the right to alter or amend this policy at any time.

MARKETING MATTERS

MATT WATSON MARKETING MANAGER

New GRSA website launched in May

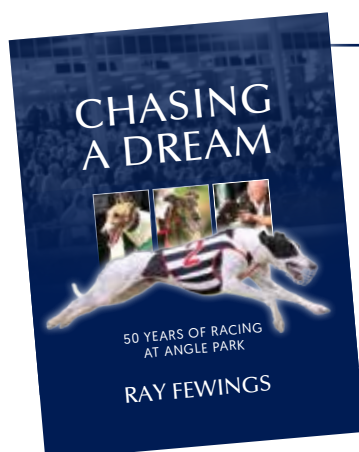

The website redevelopment is over a month old now, with a lot of work and amendments having been completed in the past 4 weeks.

I would like to thank all the feedback and assistance from our participants on any issues or potential improvements. Like any website, this will be a continually evolving project based on user feedback. We have had a great adoption rate of the users migrating over to the new website and will continue to look at how we can improve the experience of our punters and participants

We are currently working on a number of items including:

- Amending the calendar to allow a visual representation of the upcoming months race meets
- Links to the nominations and industry relevant links direct from the homepage
- The speed of which racing data is presented onto the website.
- Form guide experience

I encourage anyone who has any feedback or recommendations on the website to continue to provide that feedback to us via marketing@grsa.com.au

Local marketing campaigns to kick off for winter

In the next few weeks we will be rolling out local area marketing campaigns for each of the clubs.

These campaigns are targeted at increased patronage throughout the winter period. These campaigns will be predominantly online focussed, allowing us to target specific users based on their demographics, location and what else they interact with online (e.g. similar interactions to greyhound racing). With these online ad campaigns, because they are targeted at specific users, they are not visible on our Facebook page or won't be shown to everyone – these ads almost work in the background rather than on the Facebook pages. You may be served some of these ads depending on a number of factors!

WAP payment update for May 2022

The Wagering Activity Payment (WAP) for the month of May 2022 was \$74,000, taking total payments for the year to nearly \$2.0 million. GRSA has been predicting a re-calibration of wagering revenue for some time and that softening of revenue now appears to be taking place. GRSA will continue to monitor and report on wagering trends.

The calculation for the month is as follows:

	Current Month	
Net Wagering Revenue *	\$2,140,000	
Multiplied by	X	
WAP Benchmark Return (50%)	50%	
equals	=	
Payout	\$1,070,000	
less		
Prizemoney ^	\$788,000	-
Trainer Fees	\$89,000	
Breeder bonuses	\$119,000	
Total payments to Participants	\$996,000	\$996,000
Equals	=	
WAP for the month	\$74,000	

* Net Wagering Revenue is the combination of all corporate race field fees and Tabcorp product fees, less the fees associated with the generation of Tabcorp product fee from wagering on interstate racing product.

^ Prizemoney includes payments to winners, places and unplaced of all South Australian races. Following feedback from participants in December 2020, additional money for feature races is averaged over the year.

The table below shows the total WAP position for the year to date.

Distribution of WAP Payments between Trainers and Owners

GRSA would like to remind all participants that receive a WAP that the payment is the equivalent of prizemoney. If you are currently responsible for distributing prizemoney to another party then the same approach applies to WAP payments.

From GRSA's perspective the position in relation to third parties is reflective of OzChase records and is as follows:

- If GRSA have been notified of an ownership split [which is recorded in OzChase] then you DO NOT need to make a payment to owners for the WAP because GRSA will do this automatically; however
- If you ordinarily forward on payments to owners on your own accord, then you DO need to do the same for the WAP. Each remittance will include the name of the dog for which the WAP is being made.

Example to help participants understand the WAP they receive

It is not uncommon for GRSA to receive requests for more information in relation to how the WAP is calculated for their particular dogs(s). The example below is provided to assist in the general understanding of the calculation.

Assumptions:

In this example, assume the owner/trainer received **\$1,000** in prizemoney for any/all races for the month.

EXAMPLE		
Net Wagering Revenue		\$1,800,000
Multiplied by		X
WAP Benchmark Return (50%)		50%
equals		=
Payout		\$900,000
less		
Prizemoney	\$700,000	-
Trainer Fees	\$80,000	
Breeder bonuses	\$70,000	
Total payments to Participants	\$850,000	\$850,000
Equals		=
WAP for the month		\$50,000

In this the total prizemoney (paid to all participant) is **\$700,000**.

In this example, the total WAP is **\$50,000**.

In this example, the owner/trainer would receive a WAP of **\$71.43**, calculated as:

$$\text{\$1,000} \div \text{\$700,000} \times \text{\$50,000} = \text{\$71.43}$$

Participants should note that:

- WAP is not payable for any prizemoney received in relation to feature races [where total stakes are above \$5,000];
- Trainers' fees and other bonus payments are not included in the calculation of the share of the WAP; and
- It is a requirement that a greyhound has to have raced and received prizemoney during a month to be eligible to receive the WAP payment for that month.

Cryer's Spring gives former trainer a winning farewell

■ MOUNT GAMBIER

Margaret Cryer, formerly of Apsley, informed the Mount Gambier Greyhound Racing Club recently that her husband, Tom, had passed away on the Sunday prior in an Edenhope nursing home at the age of 89.

A colourful character to say the least, Tom Cryer and his wife enjoyed tremendous success at Tara Raceway with offspring of Cryer's Midget. She won 11 races at the Mount Gambier track, the majority of those wins coming prior to the introduction of TAB racing.

In 2013 she was mated with Spring Gun. A repeat mating followed in 2015. All told, more than 150 winners came from the two litters – feature race winners and track record holders also thrown in for good measure.

As far as the Cryers were concerned, it was the start of a Sunday morning ritual. A trailer-load of greyhounds, breakfast at Penola and then a day at the dogs in Mount Gambier where more often than not a winner or two would be forthcoming.

In 2018 Cryer purchased a pup by Spring Gun out of Grimsby Girl from Compton breeder Tracie Price. Later to race as

Nicole Stanley with Cryer's Spring after his win on Sunday 12th June.

Cryer's Spring, he was the trainer's last winner when successful at Tara Raceway on March 22, 2020.

Later that year Nicole Stanley of Portland took over the training of the brindle dog for Margaret Cryer.

The win of Cryer's Spring last month at his

100th start made for a nice touch as did his win on Sunday, 19th June in the Carlin & Gazzard MG Mixed Stake (400 metres).

A winning farewell, if you like, for his former trainer after leading all the way and holding out Phantom Call and Ashton Shintaro to score in 23.19 seconds.

GAP kennelling process

The kennelling fee is a flat amount of \$50 per dog, irrespective of the time period the greyhound will spend at the GAP kennels.

Participants who would like their greyhounds placed in the GAP kennels will be requested to pay the \$50 at the time when the placement form is filled in and the \$60 placement fee is paid.

This means that for greyhounds that are to be kennelled with GAP an upfront payment of \$110 will be requested. After that, participants will not need to make any additional payments for their dogs in the GAP kennels. If you have any questions, please email GAP at gap@grsa.com.au or phone 8243 7124.

Latest updates from GAP

As previously advised, GAP have been increasing the number of assessments in the monthly schedule.

We continue to look to increase these further in order to offer a wider variety of times to meet participants varying requirements. The following graph depicts the number of assessments that have been occurring on a monthly basis.

We have also been working on reducing the time between assessment and entry into the program. The following graph shows the average monthly waiting times in weeks.

ANGLE PARK

SINGLE TRIALS

A reminder to trainers that single trials can be booked with two greyhounds however you need to advise when booking of your intention to do this. If you wish to put three or more into this trial then a field trial will have to be booked.

BOOKING NUMBER FOR TRIALS

Participants wishing to book trials are required to ring 8243 7172, this phone line will only be used for trial bookings and will queue participants. By having this one number with participants queuing makes this process to be a more efficient way of booking trials.

There will be NO trials accepted through the normal administration number. To be fair to everyone GRSA will only accept bookings using the new number or alternatively logon to trialbooker.com, create an account and book your own trials.

POLICY FOR TRIALLING AT ANGLE PARK, GAWLER AND MURRAY BRIDGE BEFORE THE RACE MEETING

Policy Background

This policy is to detail the procedure for trainers seeking greyhounds to trial before race meetings. This policy is effective from 2 May 2019.

Race Meeting Trial Policy

This policy is in place for the following race meetings:

Angle Park Monday, Gawler Wednesday and Sunday, Murray Bridge Tuesday and Friday.

Two fields from the boxes with a maximum of four (4)

Voluntary payment for GAP SA on prizemoney forms

Owners can direct prizemoney to GAP on the Prizemoney Reimbursement forms. GRSA has made this change on the forms where Owners can direct a percentage of prizemoney to GAP.

These forms are available on the website and from GRSA.

greyhounds. Trials may be conducted at any time during the race meeting from immediately after kenneling until after the last race, at Stewards' discretion.

The following lists the order in which greyhounds will be selected in the event if more than eight (8) greyhounds are nominated:

1. Reserves at the meeting that do not obtain a start
2. Trainers that have greyhounds engaged and are located more than 100km in distance from the track
3. Satisfactory trials

Procedure/criteria

1. For Angle Park Monday night, the trainer is to contact GRSA between 9am and 10am on Monday to nominate. Should the Monday be a public holiday bookings are to be made between 8am and 9am on the scratching number.
2. For Murray Bridge Tuesday & Friday, the trainer is to contact GRSA between 3pm and 4pm the day before. Should any of these times fall on a public holiday bookings are to be made during scratching times.
3. For Gawler Wednesday, the trainer is to contact GRSA between 3pm and 4pm the day before. Should any of these times fall on a public holiday bookings are to be made during scratching times. For Gawler Sunday, the trainer is to contact the scratching number on Sunday between 8am and 9am.
4. Other than reserve greyhounds, trainers will be restricted to trialling one (1) greyhound unless nominations determine otherwise.
5. Stewards will allocate the box for the greyhound.
6. Trials will be 515m, 530m & 531m in distance as first preference. Other distances considered depending on nominations.
7. Greyhounds currently under suspension are ineligible to trial unless they are undertaking a satisfactory trial to be cleared.
8. Greyhound registration cards must be produced at kennelling time.
9. Trainers with other greyhounds engaged can utilise the extra kennel space until such time they are ready to leave. Trainers with no other greyhounds engaged will be permitted to leave with Stewards permission.
10. In the case of race at Murray Bridge, trials will only be available on the track that is prepared to race that day i.e. Friday meeting on the u-shaped track, trials will be on the u-shaped track only.

Please note: If there are 12 races at Angle Park, Gawler or Murray Bridge there will be NO trials.

The Angle Park Vet Clinic and/or swab kennels cannot be used to accommodate any additional greyhounds due to operational requirements of the Clinic and Stewards.

It is vital that trainers nominate to trial at these race

meetings. If you are unable to nominate at these times, please contact GRSA as soon as possible as permission may be given at GRSA's discretion to accept bookings outside these times.

Exceptions to this policy

Thursday nights are kept available for interstate greyhounds to solo trial in a lead-up to SA Group races as well as local greyhound's trialling for Group racing interstate.

Upon request, local greyhounds will be allowed to solo trial in a lead-up to a feature race and they will take one of the eight (8) kennels available for trialling greyhounds ahead of the policy and sit separate to the four (4) dog trials. Races considered to be a feature are: Adelaide Cup, Gawler Cup, Oaks, Derby, Howard Ashton, Brian Johnstone, SA Sprint, SA Distance Championship, SA Anniversary Cup, SA Country Cup, National Finals and any interstate Group race

Local greyhounds will be permitted to trial on a race night, where they are in preparation for a feature event, nominated for a meeting and the race does not stand up. This will include all distances and also take precedence over the policy. If a greyhound qualifies for a feature final and requires a trial in between, this will be conducted as a solo trial and will sit separately to the four (4) dog trials.

MOUNT GAMBIER SATISFACTORY TRIALS

Mt Gambier hold trials on Wednesday and Saturday mornings with Satisfactory trials ONLY being conducted on Wednesdays and need to be booked with Barry Shephard from the Club on 0419 824 512 no later than 12pm the day before.

At Race meetings Satisfactory trials can be done when less than 12 races. When there are 12 races these can be considered, however, the trainer will not be able to kennel and must take their greyhounds home straight after the trial. These race day trials will also need to be booked through Barry at the Club. GRSA administration staff will NOT accept these bookings and trainers will be directed to contact Barry Shephard.
