

GOTBA COURSING RESULTS

SATURDAY 21ST SEPTEMBER 2024

It was overcast and with some drizzle at the start of the day. We kicked off with a small program, but we had some impressive performances by our charges. The Waterloo Cup was hotly contested by all the dogs nominated, and once again it was **ROCKIN' RHINO** coming out on top for a second year in a row with his strong fight to the line each time. He does not like to get beaten this boy. He only just beat **MAESTRO LUKE** who was also impressive on the day. The Derby was won by **ALLINGA ALEN** who seems to love the coursing and beat his kennel mate **ALLINGA METRO** in the Final. Well done to Jack Trengove for having the winner and runner up. The Oaks was won by **KOTA LAMBAI** for Nathan Goodenough in fine style.

Time honours went to **ESSAY BREAD** for Hayley Chapman in 14.90, he loves the straight track this boy and is always strong to the line.

Just want to say how disappointing the nominations were for our biggest meeting, with so much amazing prizemoney on offer I thought trainers would have thought more about it. We as a Club with the support of Brenton Scott made prizemoney this year attractive, to get you to think about coursing in your programs, but obviously this is not what you want.

Next year we will endeavour to find out what it takes to the sport, maybe we invite our interstate dogs to compete and once again take all the money over the border.
