MESSAGE FROM MATT

As Things Currently Stand

It would seem appropriate to provide the industry with an update on where we currently stand as the calendar looms towards the end of another year of racing. As an overarching comment, I would observe that the industry will look back on this and the previous two years as being defined by constant challenge and change. I firmly believe, however, that this has brought us to the brink of future success underpinned by strong protections that can take the industry forward to an era of positive opportunity.

Change is a difficult process and the landscape in which we operate has altered quite dramatically in that time. The challenges around the regulation of the sport and an uncompromising focus on the highest welfare standards have been consuming to say the least and few within the industry would not have been impacted in one way or another. I'm very much encouraged by the manner in which our participants have supported these processes and have embraced the need for all of us to have put in the hard work to create the opportunities that now lie ahead. In particular, noting the investment that has gone into tripling the capacity of our rehoming program over three short years, I thank the industry's patience with the ongoing reform of GAP and for its acceptance of the need to commit to the responsible rehoming of unraced and retired greyhounds. Those changes will sustain the industry in the longer term and the Management and staff of GRSA remain committed to continuous improvement in the service that program offers.

The Murray Bridge project is a key initiative in support of a highly viable industry model and for anyone who has had the opportunity to peek over the fence, the layout of that venue is really starting to take shape. We're optimistic that the opportunity to race at the new venue at some point in 2018 remains an achievable target.

In closing, it would be remiss of me not to acknowledge the contribution that our Chairman, Michael Fabbro, has made through his role in his seven years as Chairman. His leadership and commitment during that period is well known to those in the industry who have worked closely with him and his positive impact on the transformation of our industry could not be overstated. Michael has indicated in the recent Annual Report that he will be looking to transition out of the role in the weeks and months ahead in support of his other commitments. On a related note, I'm pleased to advise that the Industry Director appointment has been resolved and that Ray Fewings is currently going through the standard statutory approval process before coming onto the Board in early 2018.

On behalf of my team, I would like to wish all of you a safe and happy Christmas period and best wishes for a successful and prosperous new year.

Baa Man takes out 2017 Brian Johnstone final

■ ANGLE PARK

Baa Man for Lewiston trainer Karen Wittholz stamped himself as a rising star in the local ranks after a dominate display in the Group 3 Brian Johnstone Final at Angle Park on November 30th.

Baa Man was sent out a clear favourite after his brilliant display in the semi-finals when he won in easy fashion in 29.94 however he still had to beat a terrific line up of young SA Bred chasers also looking to claim the \$25,000 first prize.

As the start was affected the son of Dyna Tron and Just Crazy began well quickly moving to second on the first turn with Long Gully Robbi making full use of the inside box for trainer Paula Hearnden to punch through and lead. Entering the back straight Long Gully Robbi was going quickly in the lead with Dunkirk making ground quickly to second for Matthew Payne and Baa Man balancing up in third and moving to the outside. Off the back straight Dunkirk moved up to Long Gully Robbi to challenge for the lead with Baa Man making a line of three on the apex of the bend however Baa Man put his paw to the floor

and quickly put paid to his rivals opening up a break as they entered the front straight. As the field came down to the finish line Baa Man was in full flight and raced away from his rivals going on to win by an ever increasing $5\frac{3}{4}$ lengths. Libby Raider for Paula Hearnden who was marginally held up prior to turning for home flashed into second spot while maiden performer Emerley Storm rattled home into third place a further 3 lengths away. Baa Man ran an impressive 29.99 for the 515m journey and has now won 9 races from 16 starts and 3 minor placings and prizemoney close to \$35,000.

Baa Man is owned by the Black Sheep Syndicate managed by Gawler GRC Secretary, Bob May and was bred locally by Gawler GRC Chairman Mike Wittholz.

Spring Bloom wins Strath Cup after thrilling finish

■ STRATHALBYN

The \$14,350 Daish Irrigation & Fodder Strathalbyn Cup Final on November 26th looked a tremendous race on paper and the end result did not disappoint with Spring Bloom for Greg Board defeating Barton Bale for Tony Rasmussen in a stirring battle to the finish line where only a nose separated the pair.

In front of a handy crowd and with calm conditions the son of Spring Gun and Lost With Love looked like she was going to be in trouble on the first turn with a host of runners looking to get closer to the fence however, she pushed her way through to get to fourth into the back straight and chase out after the leaders. Her main challenger being Barton Bale also had to work hard early to push through and lead and into the back straight it looked like he was going to open up a big margin on his rivals. Off the back straight however Spring Bloom let go with a big run moving up strongly to challenge Barton Bale and as they turned for home the pair knuckled down in the run to the finish line. It was a head bobbing go for much of the final straight with Spring Bloom bobbing when it mattered to claim

the Strathalbyn Cup by a nose in a fantastic finish. Barton Bale was brave in defeat and fought back strongly but Spring Bloom proved a little too strong over the final stages. They ran a handy 31.41 for the 536m journey with veteran chaser Dyna Keitaro for Lisa Rasmussen finishing in third place.

Spring Bloom is also owned by Greg Broad with the \$10,000 first prize

and Strathalbyn Cup victory his biggest win since he moved across the border from NSW. Spring Bloom has now won 15 races from her 42 starts including 17 minor placings and prizemoney of almost \$40,000.

The other feature on the night was the Strathalbyn Cup consolation which was taken out by She's A Looper for trainer Cameron Butcher.

Zinfandel Zara shows potential in Doug Payne Final

■ ANGLE PARK

The 2017 SA Bred Doug Payne Feature was run at Angle Park on December 7th in front of a large crowd and most would have gone home thinking they have just seen the next big thing in South Australian greyhound racing.

Fittingly for the Doug Payne Feature which has a rich history, the event drew together an outstanding line up of some of the best SA bred chasers going around in South Australia all keen to win the prestigious race and claim the \$6,500 first prize.

Zinfandel Zara was having only her 5th lifetime start and blew her rivals away with pure speed in the high quality event. The daughter of Fabregas and Wikenia will only turn two in February next year but now already has a feature race to her name. Trained by Gavin Harris and locally bred by Kirin Corby, Zinfandel Zara was well in the market on the back of her impressive Monday night win at headquarters where she lead throughout to record a slick 29.81 victory but was facing a tough field in the feature final.

As the start was affected Molly Dobbs for Petar Jovanovic, race favourite Hukanui for Tony Rasmussen, Slipper's Time for Barry Jones and Zinfandel Zara all showed good speed to the first turn with Molly Dobbs taking up the lead, however, was quickly passed by Zinfandel Zara as she exploded to the front entering the back straight. Slipper's Time tried to go with her while Hukanui ran to third and looked a big chance. Off the back straight Zinfandel Zara was high rolling in

front with Slipper's Time doing her best to stay in touch with Hukanui beginning to make good ground. Into the front straight Zinfandel Zara was in no danger and extended her lead over the high quality field to go on and win by 6½ lengths in super impressive fashion. Hukanui was able to grab second in the shadows of the post and was far from disgraced after having a checked passage while Slipper's Time held on well for third. Zinfandel Zara ran brilliant sectionals over the 515m journey with splits of 4.41, 16.94 and an overall of 29.66 and with her racing style of getting

up the track in the straights it was very reminiscent of an Ernie Bung Arrow or Worm Burner performance.

Zinfandel Zara took her record to 4 wins from only 5 lifetime starts and prizemoney of just over \$10,000 with Gavin Harris having a truly special night training two other winners on the program.

Doug Payne is one of only four South Australian GCA Hall of Fame Members and it was great to see a race named in his honor producing such an outstanding performance.

Windmill Haze claims award with golden month of wins

Greyhound of the month for November was the Ken Gill trained Windmill Haze who had a terrific month of racing with 3 wins from his 5 starts highlighted by his strong win in the Group 3 Gawler Gold Cup.

The son of Barcia Bale and Contrary Mary started the month of with the Group 3 victory at Gawler. After winning his heat he drew box 1 in the final and was able to kick through and lead on the first turn. From there he went on to score a fabulous win for connections. He then won at headquarters over the 515m before stepping up to the middle distance. He was surprisingly beaten as a short

priced favourite into second spot but made amends the following week over the 600m in winning by over 2 lengths. His last start for the month was an unplaced performance in open company over the 515m

at headquarters.

At the end of the month Windmill Haze's record stands at 43 starts with 17 wins and 12 placings with earnings just over \$56,000.

Hukanui produces another outstanding run

The Run of the Month for November was Hukanui for trainer Tony Rasmussen for his performance at Angle Park on Thursday 2nd November making it back to back awards for the son of Kelsos Fusileer and Daddy's Muffin.

Hukanui began well from box 3 to take up a forward position behind leader Slipper's Time. He raced in that position for most of the event before sizzling home his last section to win running away from his rivals in a blistering 29.67 to win by almost 5 lengths.

New race track lighting for Angle Park in mid-January

If you look closely at the Angle Park track lights there seems to be a slight difference from the lighting over the 515m boxes and at a few points around the track.

The lights at Angle Park have been in place for a very long time and are in desperate need of replacing. For GRSA to do this it is going to take a number of days to be completed resulting in a few Angle Park no being conducted in mid-January. On Monday night the 15th January the meeting will now be conducted at Strathalbyn with Monday night prizemoney. For the meeting on Wednesday the 17th January, the meeting will now be at Gawler during the day. There will be NO trials at Angle Park on Tuesday night 16th January due to the work being conducted however GRSA will conduct another trial session at Gawler on Monday 17th January in the morning.

Christmas Eve (day) at Gawler on Sunday 24th December

It will be a big Xmas Eve, Day meeting on Sunday 24th December at Gawler with their final Sunday meeting before Christmas.

The feature race on the day is the \$5,000 Golden Maiden Final, over the 531m which should be a great race with two excellent heats this Sunday.

Unfortunately with only 5 nominations for the 2017 Gawler Classic Heats the final will be run this Sunday as a one off event with prizemoney increased to \$5,000.

All roads lead to the Northern Circuit during Xmas!

ICG meeting Friday 15th December

The next Industry Consultative Group meeting will be held at Angle Park on Friday 15th.

This is a very important meeting held every 6 months with outcomes and recommendations being considered by the GRSA Board.

The following meeting will be in May 2018.

SA Bred Futurity payments – due tomorrow (Friday 15th December)

The next batch of futurity payments are due tomorrow (Friday 15th December) and there are three series for which payments need to be made. Forms have been sent out for those eligible greyhounds.

The payments due are:

Breeders 2018 – Final Payment - Pups Born Jan 16 to June 16

This payment is for greyhounds for which the first two Sustaining Payments have been made. The Final Payment is \$121 per greyhound.

Classic 2018 – Second Payment - Pups Born July 16 to Dec 16

This payment is for greyhounds for which the first Sustaining Payment or a Final payment was made last June.

The Second Sustaining Payment is \$55 per pup or a Final Payment of \$121 can be made at this stage.

Breeders 2019 – First Payment - Pups Born Jan 17 to June 17

The First Payment is due for Breeders 2019. All SA Bred greyhounds born in the above period are eligible to make this payment.

The First Payment is \$27.50 per pup or a “one-off” Final payment of \$121 can be made at this stage.

If you have not received any paperwork and think you should have, or if you have any questions, please contact Futurity Co-ordinator, Caralyn Fielden.

Breeder Support Changes

A number of registered breeders were involved in recent focus groups to discuss the challenges facing that industry group and the opportunities that exist for GRSA to support a more viable opportunity for participation in this area.

The Board reviewed that feedback and has identified a number of initiatives that will be implemented progressively, with a number of those coming into effect from January 1. In resolving its strategy, the Board acknowledged the importance of supporting breeder payments to ensure that participants are sufficiently equipped to deliver a high standard of welfare for greyhounds across all elements of the greyhound lifecycle and having greater regard for the actual costs involved.

Additionally, it identified a need for those initiatives to be supported by a complementary plan which targets key issues impacting upon breeders which include our need to reduce the waiting period for GAP entry, simplify the paperwork and processes around breeding applications, expand the use of tracks for supporting greyhound education and training, identify opportunities to service local rearing to a higher level, support highly informed breeding decisions, and to represent and advocate to relevant Councils on key matters of relevance to participation.

The first phase of that framework will commence with the introduction of the following support strategies:

- 100% increase to the breeder component of the SA Bred Scheme from July 1, 2019 (which will impact more recent litters and all future breeding activity)
- The introduction of a subsidy of \$30 per week for any retired greyhound on the waiting list to go into GAP that is being kept on a Trainer's or Owner's approved premises from January 1, 2018 commencing from the start of the 7th week on the list post-retirement. Existing arrangements around subsidised boarding will remain unchanged.
- An increase to the average Breeders' Support Payment by 40% through the introduction of a fixed payment of \$100 per pup for litters whelped after January 1, 2018
- The elimination of fees for notice of service, litter registration and naming from January 1, 2018
- An increase to the subsidy for DNA testing of breeding females to cover the full cost of (approximately) \$180 from January 1, 2018
- A cap on the cost of sire registration of \$500 with the remainder being reimbursed by way of subsidy from January 1, 2018
- Expansion of the Superbonus scheme in line with consultation with the ICG from January 1, 2018

Christmas Sprint Cup coming up

On Thursday the 21st December the feature at Angle Park will be the \$4,590 Xmas Sprint Cup over the 515m.

This is a Non Penalty event

- Nominations close with GRSA at 9.00am on Monday 18th December.

Basic Steel Supplies SA Sprint Championship in January

Owners & Trainers are reminded of the domiciliary clause on the Basic Steel Supplies SA Sprint Championship coming up in January.

To be eligible a greyhound must have been domiciled in SA for a period of not less than 76 days out of the 150 days immediately prior to the time fixed for the finalising of nominations and drawing of fields. (Nationals policy adopted)

This date going back 76 days is 25th October as nominations close on Monday 8th January 2018.

The \$4,590 heats are scheduled to be run on Thursday 11th January, with the Final to be run on Thursday 18th January. Total prizemoney for the listed final will be \$22,000, with the winner's share of \$15,000.

- Nominations close on Monday 8th January 2017 at 9.00am with GRSA.

John Gray final in January

The time honored John Gray series will be held in January with \$3,190 heats run on Thursday 18th January and the \$9,290 final on Thursday 25th January.

The series is for Grade 5 greyhounds over the 515m journey.

- Nominations close on Monday 15th January 2018 at 9.00am with GRSA.

Greyhound of the Year on Friday 2nd February at Gawler

The date has been set for the Greyhound of the Year function at Gawler on Friday night 2nd February 2018.

It will be terrific to have our prestigious event at the Gawler venue again this year with the response from those that attended last year extremely positive.

Book your table ASAP - \$60 per head or \$500 for a table of 10. Phone 8243 7120.

Outstanding Service to the Industry award nomination form

As part of the GOTY awards GRSA present an Outstanding Service to the Industry Award and are calling for nominations. Nomination forms are available on line, from the Racing Office at GRSA and on page 24 of this edition of Kennel Capers.

Please forward your nomination to shaun.mathieson@grsa.com.au, fax (08) 8268 2870 or GRSA, PO Box 2352, Regency Park, 5942 by COB Friday January 12, 2018. Winner to be announced at the 2017 Greyhound of the Year Awards Dinner held on February 2, 2018. Decision of the judging panel will be final.

2018 Gawler Produce Stakes

After nominations were finalised for the 2018 Gawler Produce Stakes there were 106 nominations. We will have guaranteed final stake money of \$22,000 with an estimate for the total series prize money around \$40,000. The series is for greyhounds whelped in 2016.

The racing dates for this series will be Heats on Sunday 24th June 2018, Semi Finals on Sunday 1st July 2018 and the Final on Sunday 8th July 2018.

GRSA administers the event for the Gawler Club, so all payments are to be made to GRSA. If you have already made the one off payment then there is nothing more to do however if you only made the first payment, the second lot of payments will be due on 26th January 2018 with the third and final payment due on 6th April 2018.

Nomination limits on Port Augusta and GOTBA Coursing

At the most recent GRSA Board meeting it was determined to provide limits of nominations for both the NON TAB Port Augusta meetings and GOTBA Coursing events to provide some form of indication on the likely scenario of the meeting proceeding or being cancelled.

This will assist both participants and staff alike. The number of nominations required for a meeting to proceed for Port Augusta is 40 and for GOTBA Coursing it is 30. As always GRSA will extend nominations if this number is below these cut offs however if it is significantly lower, then GRSA will liaise with the clubs in regard to cancelling the meeting straight away if agreed.

Online and phone bookings of trials for Angle Park and Gawler from 11.30am

GRSA received feedback in regard to the Online Trial booking process for both Gawler Wednesday and Angle Park Tuesday and Saturday trial sessions. This process of online bookings is fully supported by the ICG and GRSA Board and will continue to grow over time.

- To encourage the move from 100% phone bookings to online GRSA made the decision to separate the booking times from 12.30pm to 11.30am for online and 12.30pm for phone. This has worked successfully and reduced the number of phone calls dramatically. This encourages participants to manage their own bookings. However GRSA believes that the separation is now no longer required so both online and phone bookings will now be at 11.30am for trial sessions. It was decided to go to 11.30am due to the commitment participants have made to the online process and worked their schedule around this time being at home or near their device to book.

Whilst having the bookings at the same time the trial booking phone line will still be 08 8243 7172. No trials will be accepted on any other phone line; participants will be queued as normal and will not be taken before 11.30am. Our staff member will attempt to book your phone trials in a timely manner bearing in mind participants will be booking online at the same time. I would encourage all participants to move to the online process as this is quicker, easier and they can have the flexibility to manage the process themselves.

- It is important for all participants to realise that at any point from 11.30am when the trials open to around 3.30pm the day of the trial session (or day before for Saturday) they can log on or ring up and manage their bookings. They may be able to move earlier or later if there has been a cancellation etc, it really does provide an option if their time is unsuitable.

Some other issues have presented themselves and we will be seriously considering these options in the coming months if there is no change –

As GRSA can log all the bookings we are finding the 25 minute slots are filling up extremely quickly. In the space of 30 seconds of them opening up we are already up to 9pm. What is disappointing we then find that many of these bookings are deleted prior to the trial session. In some case up to 12 bookings have been received from a trainer but only 4 greyhound's trialed. This denies trainers the opportunity to book into a reasonable time slot and then leaves significant gaps on the night. Our staff have been directed not to move participants up due to the booking process so this is causing an issue and not allowing for an efficient process.

To address these issues GRSA will –

- Change the number of bookings per trainer/per timeslot from 4 down to 3 or even 2 (this will mean that

trainers will not be taking up almost half the slots in each 25 minute gap allowing for more trainers to spread their bookings)

- If you book a trial you pay regardless if the booking is withdrawn. This could be rescinded with sufficient explanation. (This would make participants think about booking their trials required rather than a scatter gun approach)
- To assist the above point we would invoice trainers for trialling rather than accepting money at the boxes. GRSA would know who is trialling based on documentation and will remove the loose change element on track. (This would ensure that all trainers pay for their trials and removes extra workload for hospitality staff and race day staff. This would create more processing of invoices for GRSA finance however the benefits would outweigh the negatives)

GRSA would also consider starting the night trial sessions earlier (maybe 6pm or 6.30pm) due to how late they are currently being completed. Previously there were issues with trainers getting back from a race meeting (bookings now take care of that) and staff having a sufficient break before starting another shift. However with the warmer weather coming GRSA would be hesitant with starting earlier and would be hopeful that if any of the above changes are implemented it would tighten the night up.

Notification of training amendment and clearance of greyhounds

Trainers are reminded of their obligation to notify GRSA within 3 working days of a greyhound coming into or leaving their kennel (Rule 105(4)(i)).

This is a requirement for all greyhounds regardless of where bred. We have had a number of trainers recently put in training amendments late the night prior to nominations closing at 9am the following day, this practice can lead to your nomination not being accepted or being unable to nominate online should any issues arise the following morning.

Trainers are also leaving it to the night before nominations close to have greyhounds "checked off". This practice can also lead to your nomination not being accepted or being unable to nominate online should any issues arise.

It is therefore in the trainer's best interest to have lodged with GRSA the training amendment and clearance of the greyhound a number of days prior to wishing to nominate the greyhound. It is not GRSA's responsibility to ensure that the paperwork is processed within ½ hour, which is the amount of time available to have it processed before nominations close at 9am.

MyOzChase live

Earlier this year GRSA went Live with MyOzChase which provides an easy way for participants in the Greyhound Racing Industry to perform transactions online that previously had to be completed manually via paper-based Forms.

The portal available on the GRSA website will also improve communications between participants and Greyhound Racing Controlling Bodies.

MyOzChase initially offers the following functionality to users who register, obtain a log-in and complete a once-off identity verification prior to transacting online with their Controlling Body:

- Online updates of personal details
- View all their associated greyhounds (as an Owner, Trainer, Custodian, etc.)
- Submit Notifications of Retirement for greyhounds
- Submit Trainership and/or Kennel changes for greyhounds (replacing the current Kennel Notification or Notice of Training / Removal Form) *Please note should you wish to transfer a previous Victorian trained greyhound into your kennel you will need to do this via the Online Nomination portal.
- Link through to the Online Nominations website (for Trainers only)

Further enhancements will be made over time.

Safe and reliable animal transport from SA (Adel) to VIC via Mt Gambier and Warnambool

ON THE LURE TRANSPORT

- We transport frozen semen and domestic animals as well
- If you can't get to VIC to race your greyhound we can cater for this as well (weekend only) Meadows, Bendigo etc.

PHONE: LANCE SIMPSON 0412 415 529

Air-conditioned greyhound transport from Adelaide to Melbourne via Mount Gambier

ABN: 51536064011

No trials on Boxing Day at Angle Park

Due to staffing issues there will be NO trials at Angle Park on Tuesday night 26th December (Boxing Day).

Syndication interest from trainers

Greyhound Racing SA is interested in gaining feedback from trainers who would be interested in having their details made available to any prospective syndicate groups.

GRSA receives a number of query's from owners about getting involved with their friends however it is quite hard for them to find a trainer. Those trainers who are comfortable with this please respond to Shaun Mathieson via email shaun.mathieson@grsa.com.au or phone (08) 8243 7100. These details would be only made available to syndicate groups.

Completion of paperwork

Participants are reminded of their obligation to ensure that when lodging paperwork that it is fully completed and payment is made at the time of lodgement.

GRSA is here to assist should you be unsure of how to complete any paperwork however it is not our responsibility to arrange for its completion, nor is it our responsibility to ensure that it is lodged. Therefore, please ensure when lodging any paperwork eg, Transfer of Ownerships, Litter Registrations etc that they are fully completed and paid for and lodged within a timely manner.

Track Injury Surgery Rebate Scheme

**Has your
greyhound been
injured at the
races?**

Kurt Donsberg photography on Thursday nights

GRSA has the services of Kurt Donsberg for Thursday nights oncourse photography.

Kurt is no stranger to greyhound racing as he is the son in law of industry stalwart John Oehme so his face is familiar to many industry people. Those participants looking for a photo please see Kurt on the night or contact GRSA.

Two men are fishing in a boat under a bridge and see a funeral procession starting across the bridge.

One of the men stands up, takes off his cap and bows his head. The procession crosses the bridge, and the man puts on his cap, picks up his rod and reel and continues fishing.

His friend says, "That was touching. I didn't know you had it in you."

He responds, "Well, I guess it was the right thing to do -- after all, I was married to her for 40 years."

Industry Seminar

Recently, an Industry Seminar was facilitated by the Integrity Department and held at the Gawler track.

Dr. Jane McNichol engaged the audience of approximately 70 industry attendees with a quiz about nutrition and health of greyhounds. David Brasch from Pedigrees By Design talked about his background and gave a general overview of pedigrees, breeding and lineage. Leanne Hutton from Equissage talked about the benefits of Accell Therapy for greyhounds. Video of the speakers will soon be available for viewing for anyone who was unable to attend the night.

Thanks again to Jane, David and Leanne for their time and effort given to making the night a great event.

Notifying Stewards of factors affecting performance

It is a requirement under the National Rules to notify Stewards of any factors that may have affected a greyhound's performance in an event.

When Stewards are notified by phone, email or letter, they publish 'Additional Stewards Reports' about such information which provides information to punters. These reports can be found at www.grsa.com.au under the Integrity banner

The relevant Rules are noted below:

R75 Matter affecting performance to be reported

- (1) The trainer or authorised person of a greyhound shall report to the Stewards as soon as practicable anything that might have affected the running of a greyhound in an Event which was not noted by Stewards during or immediately after the Event.
- (2) Should anything that might have a bearing on the past or future running of a greyhound come to the notice of the trainer or authorised person after the greyhound has left the course, it shall be reported to the Stewards as soon as practicable.

(amended – 01.07.15)

Additional information around Notification of Retirement

Recently, new forms were released for the reporting of retirement and euthanasia.

GRSA tracks greyhounds throughout their lifecycle and information is critical to understanding each individual greyhound and trends from particular kennels. In some instances, the trainer or owner may be required or directed to provide further information in relation to the decision made to euthanise a greyhound.

Road transporting of greyhounds by commercial operators

All owners and trainers should ensure greyhounds are being transported by reputable persons in suitable vehicles and/or trailers to ensure the welfare of their greyhounds, particularly with interstate travel.

Lodgement of paperwork for licensing and breeding

Please ensure all paperwork, particularly applications for female breeding applications (pink cards), is lodged in a timely matter coming into the Christmas period.

The Golden Rules

Avoidance of Prohibited Substance Breaches

In noting that we have seen recent Cobalt and Arsenic threshold breaches, it serves as a timely opportunity for GRSA to remind participants – in their own best interests – that there are a number of Golden Rules that can help them to avoid making any such breaches (for prohibited substances generally) and which should be adhered to as principles of best practice:

- Always consult your vet to seek guidance in relation to any of the products that you are using, any associated risks and other relevant context
- Review the range of any feeds or supplements that you typically purchase and, wherever it is reasonable to do so, replace products containing substances that could contribute to a threshold breach under the rules (eg. cobalt) with alternative products
- Observe the instructions on any products that you use and adhere strictly to those directions (having regard for prescribed amounts, frequency of administration/ application, methodology for administering/applying)
- Refrain from the use of injectable treatments (eg. Vitamin B12) to any extent that is practical
- Refrain from any treatment of a greyhound on raceday other than as relates to its feeding and drinking requirements (GAR83(a)(1) treats this as a specific offence)

Our registered participants have the ultimate responsibility to ensure that greyhounds are presented free of prohibited substances. This information is offered as advice in good faith only and should not be relied upon as a defence in the event of a breach being recorded.

These Golden Rules will appear in the Integrity section of future Kennel Capers editions on an ongoing basis as a reminder for participants of this responsibility.

Recent operational changes at GAP

As many of you will be aware, GAP has been going through a number of operational changes recently and we are continuing to work to ensure that the program meets participants needs with the welfare of the greyhounds remaining our priority.

We are aware of the concerns regarding the current scheduling of assessments. As the program has grown we have needed to formalise these rather than relying on volunteers as we previously did. This ensures consistency across assessments and prevents undue reliance on a small number of volunteers. The number of assessments that can be performed is restricted by availability of personnel and also the small dogs who are involved in the testing. We are currently in the process of engaging more assessors and investigating ways to increase the pool of small dogs

available and we are aiming to have these in place as soon as possible. Once in place we will schedule in more regular assessments at different times of the week in order to be able to suit the varying requirements across the industry – we are looking to introduce this early in the new year.

Separately we are currently undertaking a review of the retirement rule prior to GAP assessment, once this is completed (within the next few weeks) we expect to be announcing welcome changes to this area of the program.

We continue to look to identify ways of increasing the number of available foster carers and are embarking on a number of new initiatives in this regard. If participants are aware of anyone who may wish to find out more or to become a foster carer please send them our way!

Racing to Retirement

PROJECTS UPDATE

SCOTT WUCHATSCH
STRATEGIC PROJECTS MANAGER

One-turn track

The construction of SA's first one-turn track has long been on the radar of GRSA Board and Management. The larger and safer type of track is a common feature in other States, with Victoria leading the way with eight one-turn tracks making up 57% of all their tracks.

The Murray Bridge one-turn track will be 640 metres in circumference and have a turn radius of 64 metres. This is 40% larger than a track such as Angle Park, which has a circumference of 457 metres and a turn radius of just 51 metres.

Racing will be conducted over four racing distances – 395 metres, 455 metres, 530 metres and a staying trip of 680 metres. There will also be

View from patron building to the finishing post and first corner.

education boxes over 325 metres, as GRSA expects the facility to accommodate participants looking to educate young greyhounds.

The lure system will be a standard electric powered cable system, which

will be constructed by the contractor that undertook the recently completed Horsham system upgrade. The safety rail component of the lure system will also accommodate a fully automated track irrigation system.

Straight track (for racing)

Early plans for the new facility did not include a straight track, however a combination of factors over the past two years has led to the Board and Management becoming strong advocates for straight track racing and the associated animal welfare benefits it will bring.

As such, a straight track is currently being built. It will have a sand surface and extend approximately 410m from the bottom of the property on a slight, but continuous uphill gradient, with a finish line just past the patron building.

The track will be seven metres wide and have racing distances of 300 and 350 metres, with the final lure system design yet to be confirmed. Options for the lure system include an arm on a rail, powered either by cable (Angle Park) or self-propelled (Gawler), or a drag lure.

View from the patron building looking down to the start of the straight track.

Concrete slab for the kennel house.

Modern patron building

The design for the Murray Bridge patron building is very much based on the building at Gawler.

Whilst it will not be double storey, it will have an elevated view of the race tracks and be very similar in appearance to Gawler. The total area will be 20% less than the Gawler building, with capacity for approximately 120 people seated.

Track lighting

Whilst GRSA has limited timeslots for night and twilight racing, the inclusion of lights at the new facility was viewed as a necessity to allow flexibility in race programming.

It also allows for works to occur at Angle Park and Gawler without burdening one particular track with a heavy racing schedule.

Kennel house and maintenance areas

The kennel house at the facility will be most similar to the current Gawler design, with 12 kennel bays in a row with a long walkway down one side. The operational hub of the building will include separate vet room, stewards office, swabbing room and unisex toilet.

At the end of the kennel house building there will be a large workshop for the maintenance team. In the same area a separate garage will be built to house maintenance vehicles such as tractor, water cart and track preparation equipment.

Opportunities for expansion

Part of the negotiations with Murray Bridge Council involved GRSA acquiring more land than was necessary to simply build an operational greyhound track. The purpose of seeking this additional land was to allow for future expansion of operations at the site.

Whilst no specific detail has yet been confirmed regarding the use of this land, the GRSA Board and Management have previously discussed options such as GAP facilities and an expansion of training facilities such as a slipping track, competition runs and swimming pools.

MARKETING MATTERS

GAP SA at the Credit Union Christmas Pageant

As reported in the last edition of Kennel Capers, GAP SA were lucky to be represented by 5 GAP Greyhounds and their owners in last month's Christmas Pageant. The mild temperature provided perfect walking weather for our hounds, and judging by the photos both the owners and greyhounds had a blast.

GAP's participation in the pageant meant that we were exposed to over half a million people who either watched the pageant in person or on TV via the Channel 9 broadcast. In addition to this, 3 of our greys managed to get their heads on The Today Show which is broadcasted nationally.

Fingers crossed we get this opportunity next year!

GAP SA's Foster Care Drive

Still on GAP, Today Tonight ran a fantastic story on Wednesday Night on why people should consider fostering a greyhound this holiday season. For those that missed the story, you can view it online by visiting the Today Tonight website - www.todaytonightadelaide.com.au or their Facebook page.

As many of you are aware, we are always in the need to top up our foster care numbers particularly over the Christmas holiday period. If you know of anyone that would be willing to help us out for a 6 week foster care commitment, please encourage them to call the GAP SA team on 8243 7124 or apply online at gapsa.org.au

Shannah shines in debut win

■ MOUNT GAMBIER

Locally-owned Shine On Shannah made an impressive start to her racing career when running the faster of the two 512 metre Royal Fashion Maiden heats at Tara Raceway on Sunday 10th December.

Weighing in at 31.5 kilograms, the sizeable bitch was away fairly from box six before taking over the running entering the back straight and eventually winning by 3¾ lengths in 30.49 seconds.

Whelped in January 2016, the daughter of Fabregas x Shannah's Star is owned by Don Nunn – who also bred the black bitch – and trained at Compton by Tracie Price

who has enjoyed plenty of success with Shannah's Star's stock.

The win was particularly rewarding for Nunn as it came after a foot injury had previously threatened to put an end to Shine On Shannah's racing career before it even started.

The win was the culmination of a good weekend for Nunn after Shine On Shannah's litter brother Shannah's Gift – trained for him by Gary Hunt of Cudgee – opened his winning account at his second race start in a 400 metre event at Geelong on Friday night.

Never too far away

■ GAWLER

A greyhound that has been around the mark throughout its career, without winning a lot, rewarded its owners with a solid win at Gawler on December 5th.

Jumping from box 1 in a 400m Grade 6 event, Sweet Jaz got to the front but Emerley Again (4) on the outside, took over the running. Emerley Again pushed the margin out to two lengths, with Sweet Jaz on the rails and Zipping Kim (8) joining in on the outside. It was only as the greyhounds entered the home straight that Sweet Jaz took the lead again, going on to win by three lengths in the time of 23.04 secs. Zipping Kim finished second for Kim Johnstone of Two Wells, and the early leader Emerley Again ran third for Judi Hurley, also of Two Wells.

Trained at Evanston by Simon Gesler, Sweet Jaz is owned by Tina Cattermole

Simon Gesler and Peter Smith with Sweet Jaz.

and Garry Harradine (NSW). Simon explained that Sweet Jaz has never been too far away in its races, but always seems to run into something that bit better. The key to her success is when she can jump well, which she was able to do with this run. While the win had been a bit of a surprise to Simon, he did explain that she seems to perform better over the 400m, after a hit out over 500m distance, which she had the run before.

Tina's partner, Peter Smith, said that

Sweet Jaz had been placed with Simon, after Tina and Peter had decided to concentrate on breeding and rearing pups. That fits in well with Simon, who enjoys working with his four greyhounds, and always gets a buzz when they get up.

Greg Board also continued his good form winning another double with Spring Noaky and Spring Addo. Two Wells trainer Troy Murray was also successful with all the way winner, Aston Apollo and Aston Sloan.

TRIALS

ANGLE PARK

QUALIFYING TRIALS – NOW WEEKLY

Angle Park Qualifying Trials are run weekly on Tuesday night, for the corresponding Monday APM meeting and the Wednesday APD meeting. Trainers must be specific on their nominations about which day they are trialling for and what distance. (ie Wed 388m, Mon 515, Mon 600m etc)

Tuesday Angle Park Qualifying dates are:

December 19th (no APM Monday meeting on 25th December – for APD Wednesday meeting on 27th December)

December 26th No Trials

January 2nd (for APM Monday meeting on 8th January – for APD Wednesday meeting on 10th January)

January 9th (No Qualifying Trials)

January 16th (for APM Monday meeting on 22nd January – no APD Wednesday meeting on 24th January due to Time Grading meeting)

January 22nd (for APM Monday meeting on 29th January – for APD Wednesday meeting on 31st January)

Nominations close with GRSA at 12.30pm on the Tuesday of the meeting.

NOMINATING ONLINE FOR QUALIFYING TRIALS

For Angle Park, Gawler and Strathalbyn qualifying trials the nominations must be lodged with GRSA by 12.30pm on the day of the meeting. To nominate online however you can only do this up until 11.59pm the day before. Due to a system security policy you cannot nominate on the day for these trials online. Please contact our staff if you have any issues with these nominations prior to them closing.

SINGLE TRIALS

A reminder to trainers that single trials can be booked with two greyhounds however you need to advise when booking of your intention to do this. If you wish to put three or more into this trial then a field trial will have to be booked.

BOOKING NUMBER FOR TRIALS

Participants wishing to book trials are required to ring 8243 7172, this phone line will only be used for trial bookings and will queue participants. By having this one number with participants queuing makes this process to be a more efficient way of booking trials.

There will be NO trials accepted through the normal administration number. To be fair to everyone GRSA will only accept bookings using the new number.

POLICY FOR TRIALS IN PLACE

Remember trials will only be taken from –

* 11.30pm Monday for Angle Park Tuesday nights

* 11.30pm Tuesday for Gawler Wednesday nights

* 11.30pm Thursday for Angle Park Saturday morning (day earlier due to being morning trials)

* For Public Holidays it will be the working day before ie if Monday is a Public Holiday then bookings taken on the Friday

trial days that are not booked in with GRSA remain the same process (ie Gawler Thursday)

POLICY FOR TRIALLING AT ANGLE PARK AND GAWLER BEFORE THE RACE MEETING

RACE MEETING TRIAL POLICY

Angle Park Monday & Wednesday along with Gawler Tuesday, Friday and Sunday.

Two fields from the boxes with a maximum of four (4) greyhounds will be conducted immediately following the completion of the kennelling procedure for the Race Meeting.

The following lists the order in which greyhounds will be selected in the event if more than 8 greyhounds nominated.

1. Reserves at the Meeting that do not obtain starts.
2. Trainers that have greyhounds engaged and are located in an area affected by track closures.
3. Trainers that have greyhounds engaged.
4. Satisfactory trials.
5. Other greyhounds.

PROCEDURE/CRITERIA

1. For Monday nights trainer to contact GRSA between 10.00am and 11.00am on the Monday to nominate. Should the Monday be a public holiday bookings are to be made between 8am and 9am on the scratching line.
2. For Angle Park Wednesday, Gawler Tuesday & Friday trainer to contact GRSA between 4.00pm and 4.30pm on the day before.
3. For Gawler Sunday trainer to contact GRSA between 8.00am and 9.00am on the scratching line to nominate.
4. Other than reserve greyhounds Trainers will be restricted to trialling one (1) greyhound unless nominations determine otherwise.
5. Stewards allot the Box for the Greyhound.
6. Trials will be 515m & 531m in distance as first preference. Other distances considered depending on nominations.
7. Greyhounds currently under suspension or not cleared to race are not eligible to be nominated (these trials are conducted as if they are at a race meeting so all greyhounds need to be eligible at nomination time).
8. Greyhound registration certificate or cards must be produced at kennelling time.
9. Trainers with other greyhounds engaged can utilize the extra kennel space until such time they are ready to leave OR trainers with no other greyhounds will be free to leave following their trial.

If there are 12 races at Angle Park or Gawler there will be NO trials.

The Vet Clinic at these meetings cannot be used to accommodate any greyhounds to allow for extra trialling greyhounds. This policy has been introduced so that participants book in under the policy. The Vet Clinic needs to be available for the Vet and Stewards at race meetings

EXCEPTIONS TO THIS POLICY-

- Thursday nights are kept available for the option for Interstate greyhounds to solo trial in a lead up to our Group races and also local greyhound's trialling for Group racing interstate.
- Local greyhounds will be allowed to solo trial in a lead up to a feature race upon request and they will take one of the eight kennels available for trialling ahead of the policy and sit separately to the 4 dog trials. Feature races are considered to be – Adelaide Cup, Gawler Cup, Oaks, Derby, Howard Ashton, Brian Johnstone, SA Sprint, SA Distance Championship, SA Anniversary Cup, SA Country Cup, National Finals & any Group race Interstate.
- Local greyhounds will be allowed to trial on a race night, where they are in preparation for a feature event and nominated for a meeting and the race does not stand up. This will include all distances and also take precedence over the policy.
- If a greyhound qualifies for a feature final and requires a trial in between this will be conducted as a solo trial and sit separately to the 2 four dog trials.

It is extremely important that trainers book in to trial at these race meetings. If unable to book in at these times then please contact GRSA where permission may be given to accept a booking outside of these times. .

GAWLER

QUALIFYING TRIALS AT GAWLER

Qualifying trials are held every Wednesday for the corresponding Tuesday.

MURRAY BRIDGE

Trials are held on SUNDAY MORNINGS, from 9am to 10.30 am. Bookings MUST be sent via Telephone to Kay Burns 0437 497 554 or Bob Harris 0410 668 682 or email to burnsron1@bigpond.com. If there are no bookings there will be no trials.

MOUNT GAMBIER

The Mt Gambier GRC committee advises that satisfactory trials can be run in the summer months under the criteria below.

1. On race days when there are less than 12 races.
2. On race days with 12 races when the temperature is 30 degrees or less trial can be run before the first race but greyhounds must leave the track straight after the trial to head back to their home kennel.
3. On a Saturday trial session when stewards are available.

These trials will have to be booked in with GRSA in consultation with the Mt Gambier GRC.

STRATHALBYN

All bookings for normal trials will be taken by the Club. As they do on Wednesday nights they will now also take the bookings for Friday nights. You can book trials via text MSG / or call Yvonne King at the Club on 0407 334 349 between 9am and 11am on the day of the trials. All qualifying trials will need to be booked through GRSA as per normal by 12.30pm on the day of the Qualy trials. GRSA thanks the support of Yvonne and the Strathalbyn GRC in regard to these changes.

The following dates are for the next trial sessions -

Wednesday 20th December
Wednesday 27th December
Wednesday 3rd January
Wednesday 10th January (Qualifying Trials)
Wednesday 17th January
Wednesday 23rd January
Wednesday 30th January

Trials are held every Friday when we are NOT racing on that Friday.

We will allow for trials, following race meetings with a maximum of 8 (to be kennelled at kennelling time into race block 11.) These needs to be rang through to Yvonne King from the Club, (following eligibility guidelines agreed with by GRSA.)

****Please note if there are 11 races on the program then there will be No trials during the race meeting****

Wednesday & Friday Nights -

- Early Trials – Grabs only starting at 5.15pm to 6.15pm
- Pen Trials 6.30pm until completion
- Field Trials followed by Single Trials from each distance starting at 536m to 416m to 319m
- At conclusion of 319m Pen Trials late Grab Trials will commence starting from 319m to 416m to 536m

Wednesday Nights with Qualifying Trials -

When Qualy Trials are conducted in conjunction with Satisfactory Trials the Satisfactorys are first followed by the Qualys Trials starting at 6.30pm.

Red Vests Available

Participants are able to purchase their very own red vests for \$20 however GRSA will always have some available. These vests look very smart and come up particularly well on Sky Racing promoting SA Racing so with that in mind the long parade coats have been phased out of action with participants required to have a black or navy jumper available to be worn under the vests.

GRSA Trainer/Handler Vests **\$20 each**

DEMONSTRATING EXCELLENCE AT EVERY LEVEL

Established in 2001, we are an ever-growing, family-owned business with an enduring commitment to demonstrating excellence to each and every one of our customers, on each and every level. As a starting point, we offer our customers quality and selection; we offer a complete range of eminently affordable, quality steel products including fencing (including neighbour friendly, custom-made pool and post/rail options), verandas, sheds/outbuildings, roofing, miscellaneous materials and tools. To this we mix in a dose of convenience: not only do we offer a range of steel services, but have also expanded our facility over time, in order to offer our clients a still better selection across our product and service lines.

We know that maintaining our status as a leader in the industry doesn't only involve maintaining a substantial product line — this is why, true to our Bargain Steel Centre name, we unceasingly work to keep our prices as affordable as possible, while also ensuring exceptionally good service, too. Simply put, we owe it to our customers to offer the best of all worlds through substantial selection, quality products, affordable prices, and exceptional service.
