Crunchin Numbers claims second Howard Ashton Final in a row for Rawlings

Leading local trainer Ben Rawlings made it back to back victories in the Group 3 Howard Ashton final at Angle Park when speedster Crunchin Numbers led all the way in the feature final emulating kennel mate Wilba Beast who won in 2016.

In one of the most even fields assembled in recent years Crunchin Numbers was well found in the market starting one of the favourites from box 4. He showed his usual brilliant speed from the boxes to lead running to the first turn. Both Victa Ollie (box 5) for Ron Schadow and Deputy Speaker (box 6) for Ben Rawlings had beautiful runs across to move into a forward position while race favourite Farmin for Lauren Harris was shuffled back after a slow beginning.

Into the back straight and Crunchin Numbers was high balling out in front with Victa Ollie, Deputy Speaker and Usain's Squeeze for Nicole Newlyn all in hot pursuit. Some felt the early burn may have told on Crunchin Numbers and would be caught over the final stages however he was full

of running down to the finish line recording a stirring 1 length victory from Victa Ollie and Usain's Squeeze back in third. He recorded a solid 30.19 for the 515m journey and to highlight the evenness of the field there were only 6 lengths covering first to last.

Crunchin Numbers is owned by Debbie Stuppos from Whyalla and bred by Ben's mother Tanya with a nice crowd on hand to celebrate their success.

With the \$25,000 first prize, Crunchin Numbers has now won 15 races from his 25 starts including 6 minor placings and prizemoney around \$40,000.

On Fire claims the monthly double

Greyhound of the Month for May was the Cameron Butcher trained On Fire who was undefeated for the month winning all four of his starts.

The son of Bekim Bale and Alana Blues won all his races in May on Thursday nights in Free For All company and enhanced his reputation as the best sprinter in SA at present. He won by almost 5 lengths in 29.79, then by almost 8 in a sizzling 29.44, 2½ lengths in 29.77 and then in a flying 29.69 by almost 5

lengths. His racing style of sweeping home in brilliant fashion has made him a fan favourite with the local industry.

At the end of May, On Fire's record stands at 34 starts with 19 wins and 11 placings and earnings just under \$80,000.

Run of the month for April was won by On Fire for trainer Cameron Butcher for his brilliant performance at Angle Park on the 11th May in a Free For All event where he sizzled home to beat his rivals.

Starting from box 8 he quickly mustered to race up near the lead before taking control down the back straight and opening up a big space between himself and his rivals. He won in a blistering 29.44 in winning by almost 8 lengths.

Futurity payments due this month

Owners of SA Bred greyhounds are reminded that the next batch of Futurity payments are due on Friday 23rd June 2017.

There will be three series for which payments will need to be made. The payments due are:

Classic 2017

– Final Payment Pups Born July 15 to Dec 15

This payment is for greyhounds for which the first two Sustaining Payments have been made. The Final Payment is \$121 per greyhound.

Breeders 2018

– Second Payment - Pups Born Jan 16 to June 16

This payment is for greyhounds for which the first Sustaining Payment or a “one-off” Final payment was made last December. The Second Sustaining Payment is \$55 per pup or a Final Payment of \$121 can be made at this stage.

Classic 2018

– First Payment - Pups Born July 16 to Dec 16

Finally the First Payment is due for Classic 2018. All SA Bred greyhounds born in the above period are eligible to make this payment. The First Payment is \$27.50 per pup or a “one-off” Final payment of \$121 can be made at this stage.

To assist all owners of Futurity eligible pups, reminders have been posted. It is perhaps a good idea to make the payment as soon as you can, so it doesn't slip your mind and the closing date passes. If you have sold a pup/s we would ask if you can either forward on the information or let Caralyn Fielden know at GRSA and she can follow it up. If you haven't received a reminder and you think you should have, contact us asap.

Gawler Produce Stake nominations

A reminder to all trainers with greyhounds paid up for the Gawler Produce Stake this month that you are still required to nominate for the heats on Tuesday 27th June. The semis are listed for Tuesday 4th July and the Final will be held on Sunday 9th July as a night meeting.

The prizemoney breakdowns will be announced after the number of heats are known, however the Final is guaranteed at \$22,000 and Consolation at \$2,700.

Nominations for the heats close on Thursday 22nd June with GRSA at 9.00am.

The winner of the Final is also eligible for a \$5,000 bonus if it can win the 2017 Gawler Gold Cup later this year. The Bonus was won last year by Fabregal so it has started at \$5,000 again. If the winner of the Produce is SA Bred, there is also a \$1,000 SA Bred Bonus.

Greyhound Auction heats

Heats for the Main race series for greyhounds that were purchased through the 2015 Auction will be run tonight (June 8th) with two 7 dog heats programmed.

The series features the likes of Aston Hinkley, Speed Axle, Springvale Carla along with Blaxland, Kung Fu Mary and Fast Fyfe.

The heats are worth \$4,590 with the \$26,000 Final to be run next Thursday 15th June 2017.

Please also note that there will be a \$4,590 Consolation for those eligible greyhounds that did not qualify for the final however trainers will need to renominate to be considered (nominations dependant).

The first four greyhounds from each heat will qualify for next weeks final. The box draw will be conducted oncourse after the running of race 5 tonight.

There will be another series to be run in August over 515m on a Monday 14th August for \$1,990 heats and then the final on Monday 21st August worth \$5,000.

Gawler Breeders 2017 moved to July 16 and 23

After last weeks Howard Ashton Final the final race in the Breeders 2017 pay up series is the Gawler Breeders 2017.

Due to the cross over with the Auction Final GRSA moved this series back into July to avoid a clash. The series was to be run on Sunday 11th and 18th June however this will now be conducted on Sunday 16th and 23rd July. This avoids the Auction and Gawler Produce series.

Extra prizemoney for Port Augusta Cup meetings – noms for Cup Heats close Tuesday 13th June

The Port Augusta Greyhound Racing Club has advised that there will be \$100 extra added to each race (excluding Cup Final) for meetings on 17th June (Cup heats) and 1st July (Cup final). The Cup Final will be worth \$3,000 total prizemoney on 1st July.

* Nominations will close for Cup heats with GRSA on Tuesday 13th June at 9.00am.

The \$4,590 Heats will be run on Thursday 13th July and the Final on Thursday 20th July. Prizemoney for the 2017 Final will be \$8,565.

The Group 3 SA Oaks and SA Derby to be run in September this year will be for greyhounds whelped on or after 1st June 2015 (27 months) which has changed from last year which was 30 months.

AGRA which is the governing body of the National Group Racing calendar determined the move for these Age Restricted Classics over a year ago.

Gun McBain still shooting for national record

Recently we highlighted that Gun McBain was getting closer to a National record of most TAB wins however on further investigation it has been confirmed that he needs to win a few more races to claim that record.

It was suggested that Major Blaze from the early 2000's had the record at 61 wins which Gun McBain leveled last Thursday night however it has been confirmed that the record is held by Just Proper at 65 wins who raced in Darwin a few years back.

SA's Iron dog Gun McBain has already taken his wins to 62 after winning over 388m at Angle Park on the 7th June and regardless if he gets there or not he has been a super greyhound for connections and the local industry.

Current table of most wins that can be confirmed
(Non TAB and TAB since 2000)

Saltwater Pete – 74 wins mainly in Queensland (TAB and Non TAB)

Little Mother – 74 wins 2009-2012 all NZ form (assumed TAB)

Bright Star – 72 wins 2012-2016 all NZ form (assumed TAB)

Just Proper – 65 wins 2012-2015 in Darwin (TAB)

Stagger – 64 wins (TAB)

Green Lizard - 64 wins (TAB and Non TAB)

Dixie Lee – 63 wins 2011-2014 all NZ form (assumed TAB)

Wheelchair Norm – 63 wins 2014-current all NZ form (assumed TAB)

Gun McBain – 62 wins (TAB)

2017 National Championships in Queensland

The AGRA National Championships are just around the corner. The National Finals this year will be held at Albion Park in Queensland to be conducted on Friday 25th August.

Both the National Sprint and National Distance Finals will carry prizemoney of \$75,000 to the winner.

The State series' for SA will be held at Angle Park on Thursday 3rd August for the Heats with the State Finals on the 10th August.

The most important date for local trainers to remember is the national closing date for entries. Acceptances for the National Championships will close with GRSA on Thursday 20th July at 12 noon. Nominations this year can be made the normal way either online, faxed or lodged with GRSA.

A reminder to all trainers of the clause which requires a greyhound to have been domiciled in South Australia for a period of not less than 76 days out of the 150 days immediately prior to the National Acceptance Closing date to be eligible to represent SA. If unsure of a greyhound's status, please contact the GRSA grading staff.

Stat declaration required for Queensland racing

A reminder to trainers that when nominating to race in Queensland that you accommodate their requirements under their local rule 34A.

This will also be conditions for State heats run on the 3rd August for the National Distance and Sprint Championships as both National finals are run at Albion Park this year. These forms will have to be completed and lodged prior to the nominations closing for the State heats. If you have already completed a form and raced in Queensland you will not need to fill out another one.

LR34A Declaration of trainer

(1) When nominating a greyhound for a qualifying trial or Event, a trainer must submit a statutory declaration in the form prescribed by Racing Queensland, declaring that the trainer has not participated and will not participate in an act of animal cruelty or any other activities that would be unlawful (declaration of training propriety).

(2) If a trainer fails to provide the declaration of training propriety without reasonable excuse:

(a) The trainer must not nominate, or attempt to nominate, the greyhound for any qualifying trial or Event; and

(b) The greyhound may be declared disqualified from the qualifying trial or Event.

A greyhound walked up to the tote window and plopped his money down. "I want to bet fifty bucks on myself to win the fifth race," said the greyhound. "I don't believe it!" said the astonished clerk. "You don't believe what?", said the greyhound, "That I can talk?" "No", replied the clerk, "You don't stand a chance of winning the fifth race."

MYOZCHASE INTRODUCTION

GRSA has now gone Live with MyOzChase which will provide an easy way for participants in the Greyhound Racing Industry to perform transactions online that previously had to be completed manually and via paper-based Forms.

The portal available on the GRSA website will also improve communications between participants and Greyhound Racing Controlling Bodies. The MyOzChase website is not only designed for use on PC's and laptops, but is also compatible with most versions of Android and iOS mobile devices, tablets and iPads, thus supporting industry interaction on-the-go.

GRSA has contacted participants in regard to their log in details etc.

MyOzChase will initially be offering the following functionality to users who register, obtain a log-in and complete a once-off identity verification prior to transacting online with their Controlling Body:

- Online updates of personal details
- View all their associated greyhounds (as an Owner, Trainer, Custodian, etc.)
- Submit Notifications of Retirement for greyhounds
- Submit Trainership and/or Kennel changes for greyhounds (replacing the current Kennel Notification or Notice of Training / Removal Form) *Please note should you wish to transfer a previous Victorian trained greyhound into your kennel you will need to do this via the Online Nomination portal.
- Link through to the Online Nominations website (for Trainers only)

Further enhancements will be made to some of the current screens as we strive to provide improved functionality to industry participants. In particular, filtering and sorting will be added to the My Greyhounds screen to allow users to break down the list of greyhounds on display.

Just a reminder that your My Greyhound list shows any greyhound to which you currently have an association with (as an Owner, Trainer or Custodian according to the data available in OzChase), so you may need to retire, change Trainership or change kennels on some of them.

The functionality to be available on MyOzChase will increase over time to offer some or all of the following:

- Submit transfers of un-named greyhounds
- Submit and pay for transfers of named greyhounds
- Submit and pay for naming applications

- Submit and pay for ownership transfers
- Submit and pay for new licences
- Submit and pay for licence renewals
- Submit (and pay, if applicable in your State) for new Ownership Group or Syndicate applications
- Submit whelping notices
- Submit nomination of a Dam to be registered for breeding purposes
- Submit request for breeding exemptions for a Dam
- Submit request for breeding leases
- Submit and pay for litter registrations
- Submit and pay for duplicate Greyhound ID Card, Pink Card or Person Licence Cards
- Submit and pay for non-FSI breeding services
- Pay a fine or late fee
- Update greyhound vaccination details
- Upload a new photo as an update to personal details
- Access to various reports, such as view prize money split, view nominated greyhounds in account, etc.
- Deliver tailored, State-specific content to participants via their preferred method of communication (including the ability to opt in or opt out of future communications)
- Integrate Online Nominations and related functions into the MyOzChase website.

Additional information will become available on MyOzChase in the future to allow the general public, who register to use the website, to:

- Search for a greyhound in the system and be able to view a summarised list of greyhound data
- View race performances for a selected greyhound
- View the Trainer database (only those who have agreed to have their details published) to seek the services of a Trainer for a greyhound.

For more information about MyOzChase, please contact GRSA if you wish to discuss any questions you may have about this website.

Current OzChase Online Nominations Users

Participants who currently use OzChase Online Noms can use their Online Noms password for MyOzChase and do not need to create another log in.

Online Noms and MyOzChase are both connected to the underlying OzChase system, hence their passwords will always be the same.

Time Grading Update

GRSA has been working at achieving some of the outcomes from the recent Grading Review Panel meeting held on 28th April 2017. Some items like cascading reserves need to be implemented by OzChase however some do not.

We will be able to include greyhounds with 0 – 2 starts so every greyhound nominated will be eligible for consideration. The table below details the rating for 0-2 start greyhounds -

“A greyhound with 0 starts will be given a rating of 10 as a starting point. At its second start it will have the average of 10 and its first start. At its third start, it will be the average of the 2 lowest ratings, including the base rating of 10. ie if had 12, 12 from 2 starts, it will be $10 + 12 / 2 = 11$ ”

For “Best to Worst” Time Grading (next meeting Monday 19th June) we will be able to include higher graded greyhounds into mixed events if there are insufficient nominations for a single race. The conditions of this are listed below -

“A Grade 4 can be mixed with a Grade 5 however a Grade 3 will not unless there is also a Grade 4 greyhound selected for that time graded race”

GRSA has also started to program some category Time Grading meetings. These meetings are for greyhounds that are Maidens, 1 – 4 wins and 5 plus wins all time graded “lowest to highest”. Please refer to the All Tracks calendars for details.

Qualifying trials to move to Wednesday's at Strathalbyn

After consultation with the Strathalbyn GRC the monthly qualifying trial session will move to Wednesday nights.

The club will still run on the rotation with Friday and Wednesday depending on when the race meeting is programmed. All qualifying trials will need to be booked through GRSA as per normal by 12.30pm on the day of the Qualy trials.

All bookings for normal trials will now also be taken by the club. As they do on Wednesday nights they will now also take the bookings for Friday nights. You can book trials via text MSG / or call Renee Eastwood at the club on 0400 766 430.

GRSA thanks the support of Renee and the Strathalbyn GRC in regard to these changes with qualy trials and bookings.

The following dates are for the next trial sessions at Strathalbyn -

Friday 16th June
Wednesday 21st June (Qualifying Trials)
Friday 30th June
Wednesday 5th July
Friday 14th July
Wednesday 19th July (Qualifying Trials)
Friday 28th July

Prizemoney Emails

With a change of who is emailing out the prizemoney advice notifications from GRSA we are finding some participants are not easily finding the email correspondence.

Can participants please check the following:

- A) Check your Junk folder
- B) Look out for Jenny instead of Julie
- C) Save the email address to your address book

It might keep happening week to week if you don't mark the email address as recognised/safe. If participants have further issues please contact GRSA.

GOTBA News

After consultation with the GOTBA some of their races have reverted back to 8 dog events rather than all 4 dog events as was conducted for their first two meetings.

With the Club receiving strong nominations the below criteria has been agreed for their meetings –

- Juvenile, Juvenile/Maidens and Maidens (that have not won on the circle will all be graded as 4 dog events). This will protect the more inexperienced greyhounds.
- Maidens (that have won 1 or more races on the circle), Novice, 1 stake, open etc will be graded as 8 dog events

This is all still dependent upon nominations received. The club will run 16 dog events for the Waterloo Cup, Oaks and Derby as per normal, depending upon nominations.

Booking online for Wednesday night trials at Gawler starting in July

GRSA will introduce the Online Booking process for Wednesday night trials at Gawler starting on the 5th July.

Like Tuesday night, these will be timeslots giving participants guaranteed bookings and allowing a smoother process. Trials on Wednesday nights start at 7.00pm as normal with 25 minute blocks. GRSA will monitor the bookings and attendance and may vary conditions and timeslots as required.

Kurt Donsberg – oncourse race night photographer for Thursday's

GRSA has been able to secure the services of Kurt Donsberg for Thursday nights oncourse photography.

Kurt is no stranger to greyhound racing as he is the son in law of industry stalwart John Oehme so his face will be familiar to many industry people. We appreciate Kurt coming on board to assist us with Thursday nights. Those participants looking for a photo please see Kurt on the night or contact GRSA.

INTEGRITY

From the Stewards

Professionalism at race meetings

Stewards remind all licensed persons attending race meetings that they are expected to behave in a professional manner at all times.

Stewards and participants are becoming concerned with the amount of chatter and 'horse play' in the kennel house, particularly whilst important checking processes are being undertaken by Officials. The kennel house is a serious environment so let's all work together to create a professional image of greyhound racing in this State.

Correct numbered rugs on greyhounds

Stewards are frustrated that greyhounds are still being presented for events wearing the incorrect numbered rug. All trainers and handlers must ensure the greyhound is presented wearing the correct numbered rug for checking. Fines will be issued for negligence if this continues to occur.

Breath testing

Stewards have the power to breath test handlers and intend to shortly conduct random mandatory breath testing during race meetings.

Boxing greyhounds in a timely manner

Please be reminded that when the Starter calls for greyhounds to be placed in the starting boxes, this must be done in a timely manner.

Trainers or handlers identified as 'wasting time' during boxing or 'holding us up' on Sky Channel will be asked to explain their actions in a Stewards inquiry.

Licensing time

As it is licensing time, please be patient as GRSA are receiving a large amount of paperwork and are processing renewals as quickly as possible.

To help us, please ensure paperwork is being lodged correctly and in a timely fashion.

Trainers away from kennels

National Rules require Trainers to notify GRSA regarding who is in control of their greyhound if they are not present. An example would be if a Trainer is away from their kennel for a period of time and intends to have greyhounds still racing in their name

The relevant Rule is below:

R105 Notification of control and location of greyhound

- (6) Where a trainer or owner proposes to leave a greyhound trained by him in the control of another trainer or attendant (not being a minor) for any period, the following provisions apply –
- (a) The trainer or owner shall notify the Controlling Body in writing before doing so that he proposes to leave a greyhound trained or owned by him in the control of the nominated persons specifying the period during which the greyhound is to be left;
 - (b) The person in whose control the greyhound is to be left must be currently registered with the Controlling Body and must have previously consented in writing to be nominated as the controller of that greyhound during such period; and
 - (c) The Stewards or the Controlling Body must approve the leaving of the greyhound in the control of the nominated person before the nominated person can perform any act of a registered person

Please note that the onus is still on the Trainer of the greyhound to ensure it is presented free of any prohibited substances.

Contact the Stewards department if you require clarification about above the Rules.

Inactive greyhounds and lodging of 106 paperwork

Once again, a reminder that it is a National Rule that GRSA is notified in writing of a retirement of a greyhound within 10 days and of a euthanised greyhound within two (2) days.

A large-scale mail out will occur in the next couple of weeks in regard to greyhounds which appear to the Animal Welfare department to be inactive through the OzChase database. Please help us by advising us of the location and status of the greyhound. As stated above, this is a National Rule and part of being a responsible owner. It is critical records are up to date.

Any owner or person responsible at the relevant time who fails to comply with these prescribed timeframes is guilty of an offence and liable to a penalty. A table below shows penalties that apply for late or incorrect form lodgement.

Late or incorrect forms	Penalty
1st offence	Reminder of obligations from AW officials
2nd offence	\$50 fine
3rd offence	\$100 fine
Further breaches	Referral to the Stewards

Trainers – don't forget to lodge a form within 10 days if you are retiring a greyhound to yourself as a pet.

The Golden Rules

– Avoidance of Prohibited Substance Breaches

In noting that we have seen recent Cobalt and Arsenic threshold breaches, it serves as a timely opportunity for GRSA to remind participants – in their own best interests – that there are a number of Golden Rules that can help them to avoid making any such breaches (for prohibited substances generally) and which should be adhered to as principles of best practice:

- Always consult your vet to seek guidance in relation to any of the products that you are using, any associated risks, and other relevant context
- Review the range of any feeds or supplements that you typically purchase and, wherever it is reasonable to do so, replace products containing substances that could contribute to a threshold breach under the rules (eg. cobalt) with alternative products

- Observe the instructions on any products that you use and adhere strictly to those directions (having regard for prescribed amounts, frequency of administration/application, methodology for administering/applying)
- Refrain from the use of injectable treatments (eg. Vitamin B12) to any extent that is practical
- Refrain from any treatment of a greyhound on raceday other than as relates to its feeding and drinking requirements (GAR83(a)(1) treats this as a specific offence)

Our registered participants have the ultimate responsibility to ensure that greyhounds are presented free of prohibited substances. This information is offered as advice in good faith only and should not be relied upon as a defence in the event of a breach being recorded.

These Golden Rules will appear in the Integrity section of future Kennel Capers editions on an ongoing basis as a reminder for participants of this responsibility.

PROJECTS UPDATE

SCOTT WUCHATSCH
STRATEGIC PROJECTS MANAGER

Track preparation at Angle Park and Gawler

There has been much discussion in recent weeks about the condition of the racing surfaces at both Angle Park and Gawler.

It is clear that both administration and participants seek the same objective in relation to our tracks – a safe and consistent surface for the greyhounds to compete on.

In recent times there has also been an external focus on the number of greyhounds suffering severe injuries whilst racing, something as an industry we are looking to reduce.

Put simply, the rate of major injury in SA has not changed a great deal over the past few years, and sits at levels that GRSA feels it can improve.

Comparisons with other states are entirely relevant, as it shows improvement can be made to provide

better outcomes for the greyhounds in SA.

But improvements can only be made by trying different techniques, using different equipment and materials and embracing the reasons for doing this.

Over the past 3-4 months the maintenance team has been trialling the more regular harrowing of the tracks at Angle Park (monthly) at Gawler (fortnightly).

At Gawler this has resulted in some extremely positive outcomes - a 15.6% reduction in all injuries, a 43.4% reduction in medium/major injuries, and a 62.5% reduction in severe injuries.

The outcomes for Angle Park are less significant, but there has been

a reduction in severe injuries, with a limited sample size of meetings to analyse since harrowing commenced.

The track on Monday 5th June at Angle Park was very slow and didn't meet the high expectations we set for ourselves. The team takes full responsibility for that.

The Department has reviewed (a) the methods used for compacting the surface post harrowing, (b) the schedule of harrowing proposed through the winter months, and (c) the amount of water applied to the surface.

From these learnings we will make some amendments and are confident that we can continue to present a safe and consistent surface from this point forward.

Lure design trials

GRSA has received overwhelmingly positive feedback from the recent trial at Angle Park of a different coloured lure.

It is proposed that the new blue/yellow/white lure will be rolled out for trialling at all SA tracks over the next few weeks once the materials are sourced.

If the trials prove to be successful, and participants are happy with the new design, GRSA intends to introduce the new lure to all race meetings.

On a national level there has also been a push to introduce a longer lure arm, something which has recently been supported by research undertaken by the University of Technology Sydney.

The maintenance team will continue to investigate options for a longer lure arm and may conduct trials of this arm at some point in the future.

Angle Park winning post

Plans and costings have been finalised for the replacement of the Angle Park winning post which was severely damaged by a freak storm in late 2016.

The project to replace the post is fairly significant, as it involves replacement of the main electrical switchboard that powers the track lighting.

A period of two weeks will be required to complete the project, which will require the transfer of all Angle Park meetings to other venues.

The maintenance team is working with the Racing Department to facilitate these meeting changes, which is likely to occur in late July or early August.

Black caps now available from GRSA

Along with the white caps GRSA has now approved that black caps can be worn by participants.

Both black and white caps with GRSA logos are available from GRSA at a cost of \$10.

GAP SA offers Pet Therapy in Rundle Mall

On Wednesday May 17 GAP SA staged a 'De-stress with Dogs' event in Rundle Mall (Gawler Place Canopy).

The promotion leading up to the event encouraged city workers, patrons and shoppers to take 5 minutes out of their hectic day to relax with one of our greys and get a 'dose' of pet therapy. The objective behind the event was to increase awareness of the breed as well as the fostering and/or adoption opportunities that lie with GAP SA.

The day itself was extremely well attended, with a continuous overflow of visitors falling from our area well into the mall. The peak of the day was around midday or slightly after, with 8

greyhounds at the display and quite possibly 100 people at any given time during that lunchtime period.

Pleasingly we were able to secure an article situated in The Advertiser the day of the event, with a radio interview on 5AA with Will and Dave. Glam Adelaide and SA Style ran a story on the event and subsequently shared it on their Facebook pages which reached over 60,000 people.

It was an enjoyable, seamless day for all involved, from the volunteers to our visitors and the team. We have since received quite a few messages/comments on GAP SA's Facebook page praising the event. It certainly has reignited interest into the program by the media, with a number of radio and television stations wanting to do a story on the program in the near future.

Channel 7 live weather cross

As indicated above, GAP's Rundle Mall 'Pet Therapy' initiative sparked media interest into the program, with 7 news indicating that they were willing to do their weather live from GAP SA's Headquarters shortly after the event.

This cross occurred last Thursday evening (June 1). It was a fantastic opportunity to promote the program and the following day's Adoption Day to a wider audience. A huge thanks is needing to go out to all that helped with making the cross possible – including yet again, our tireless GAP volunteers and supporters!

Quick times run over 600 metres

■ MOUNT GAMBIER

Col's Walleth and Cryer's Plugger had the South Eastern Hotel Mixed Stake over 600m virtually to themselves a long way from home on Sunday 5th June.

Mind you, after the winning time was posted it probably wasn't all that surprising considering Col's Walleth had bowled along in front before stopping the clock in near-record time of 35.03 seconds while Cryer's Plugger ran 35.16 seconds – the second-fastest this year – when being beaten by 1¼ lengths.

Trained at Portland by Nicole Stanley, Col's Walleth's time was the fastest run over the middle-distance journey at Tara Raceway since Paraphernalia broke Unsub Andy's 35.04 seconds record in October last year when clocking 34.99 seconds.

Raced by the Foridds Syndicate, comprising Bluey Forsyth and Brian Riddle, Col's Walleth was the second leg of a litter double for connections after Rowchester Star earlier in the day won the ClassicBet Mixed Stake (400 m) in 23.19 seconds.

Nicole Stanley with Col's Walleth who will clash with record holder Paraphernalia at Tara Raceway on Sunday 5th June.

And later Stanley continued on her winning way when Fiorelli Rose scored a quick 29.72 seconds win over the promising Zuma Creek in the Produce Store Free For All (512 m), giving her trainer a treble and taking her number of Tara Raceway wins this year to 55.

Treble quinella for Guy

■ MOUNT GAMBIER

Horsham trainer Jeff Guy, who has enjoyed some big days at Tara Raceway in the past, was back among the winners on Friday when leading in a treble with Brazen Blue, Imperial Fox and Paraphernalia in races five, six and eight.

And with You Can Jive, Revel and Frac Geek all running second it was a case of Guy also providing the quinella in those races.

Brazen Blue made an impressive middle-distance debut when leading all the way from box seven in the Gordon Refrigeration Stake (600m) and holding out You Can Jive – a Sandown Park 715 metre winner – to score by 4½ lengths in a smart 35.42 seconds.

By Big Daddy Cool out of Scrappy Coco, Brazen Blue is one of a more than handy litter that also includes Brazen Escape, Brazen Fool, Kryptonian, Brazen Bomber (winner of last year's Koroit 600 at Tara Raceway) and Paraphernalia, the current Tara Raceway 600 metre record holder at 34.99 seconds.

Litter brothers Imperial Fox and Revel fought out the Williams Crane Hire Stake (512m) with the former leading

Jeff Guy and Amanda Darmanin with Frac Geek and Paraphernalia after running the quinella in the Klaassens Contractors Stake.

all the way from box one to score by a half length in a smart grade six time of 30.13 seconds.

The pair is owned by Nick Darragh who also bred the sons of Cosmic Rumble and Proven Impala, a winner of 31 races and more than \$360,000 in prizemoney.

Paraphernalia opened his 512 metre winning account at the track when taking time honours for the day with a strong effort in the Klaassens Contractors Stake.

The fawn dog was well back early, making up ground down the back straight before finishing over the top of Frac Geek and Arabella Figg to score by 2¼ lengths in 29.91 seconds.

Model of consistency

■ GAWLER

The consistency of Norah Bale paid off for the connections at Gawler greyhounds on Tuesday afternoon.

Jumping well from box 3, Norah Bale was amongst the early leaders in the Grade 6 event over 400m. As they sorted themselves out, Norah Bale shot clear of the pack to take a clear lead from Woodside Zorro (7) and Harvey Specter (4). Unable to get much of a break on the others, Norah Bale slowly stretched out the lead, to win by one length from the fast finishing Harvey Specter, who ran second for Kim Johnstone of Two Wells, with Woodside Zorro not far away in third position for Graham Smith of Woodside.

Norah Bale is owned and trained by Ben Rawlings of Lewiston. The black female initially raced in Victoria, where she had a handful of starts without winning, before coming to SA in March. Since that time, Norah Bale has had 10 starts, with the most unfavourable result being a fourth, and has been a model of consistency with 2 wins and 7 seconds against her record. The last 2 starts have yielded consecutive wins at Gawler and she appears to have a liking for the track and 400m distance. Her wins have added to Ben's current year's tally of 68 wins, from just 197 starts, giving him a winning strike rate of 34.5%, plus 57 placings.

Murray Bridge based Tony Rasmussen was the only

Trainer Ben Rawlings and Norah Bale.

trainer with multiple winners, scoring a double with Shore's Girl and Alice's Entity in consecutive races. Shore's Girl led all the way from box 3 to win convincingly by 4 ½ lengths, while Alice's Entity had a tougher run after being caught midfield and out wide. She was only able to hit the front shortly before the finish line, to win by a neck amongst a close group of five runners, all in a combined margin of one length.

Also of note was Dani Bale who made it three wins in a row for owner and trainer Charlie Adcock. Charlie and his group of admirers were rapt with the first win, but scoring a hat-trick of wins in just over a week had them feeling ecstatic.

Left to right; Lance Simpson, Charlie Adcock, Barry Donnellan and Daryl Simpson with Dani Bale after a recent win.

Tony and Jan Jones with High Eden Frost.

Angle Park Qualifying Trials will now be run weekly on Tuesday night, for the corresponding Monday APM meeting and the Wednesday APD meeting. Trainers must be specific on their nominations about which day they are trialling for and what distance. (ie Wed 388m, Mon 515, Mon 600m etc)

- June 13th** (not for APM meeting on 19th June due to Time Grading – for APD Wednesday on 21st June)

- July 11th** (for APM meeting on 17th July – for APD Wednesday on 19th July)
- July 25th** (for APM meeting on 31st July – for APD Wednesday on 2nd August)

Nominations close with GRSA at 12.30pm on the Tuesday of the meeting.

NOMINATING ONLINE FOR QUALIFYING TRIALS

For Angle Park, Gawler and Strathalbyn qualifying trials the nominations must be lodged with GRSA by 12.30pm on the day of the meeting. To nominate online however you can only do this up until 11.59pm the day before. Due to a system security policy you cannot nominate on the day for these trials online. Please contact our staff if you have any issues with these nominations prior to them closing.

SINGLE TRIALS

A reminder to trainers that single trials can be booked with two greyhounds however you need to advise when booking of your intention to do this. If you wish to put three or more into this trial then a field trial will have to be booked.

BOOKING NUMBER FOR TRIALS

Participants wishing to book trials are required to ring 8243 7172, this phone line will only be used for trial bookings and will queue participants. By having this one number with participants queuing makes this process to be a more efficient way of booking trials.

There will be NO trials accepted through the normal administration number. To be fair to everyone GRSA will only accept bookings using the new number.

POLICY FOR TRIALS IN PLACE

Remember trials will only be taken from –

- * 12.30pm Monday for Angle Park Tuesday nights
- * 12.30pm Tuesday for Gawler Wednesday nights
- * 12.30pm Thursday for Strathalbyn Friday nights
- * 12.30pm Thursday for Angle Park Saturday morning (day earlier due to being morning trials)

* For Public Holidays it will be the working day before ie if Monday is a Public Holiday then bookings taken on the Friday

trial days that are not booked in with GRSA remain the same process (ie Gawler Thursday)

POLICY FOR TRIALLING AT ANGLE PARK AND GAWLER BEFORE THE RACE MEETING

RACE MEETING TRIAL POLICY

Angle Park Monday & Wednesday along with Gawler Tuesday, Friday and Sunday.

Two fields from the boxes with a maximum of four (4) greyhounds will be conducted immediately following the completion of the kennelling procedure for the Race Meeting.

The following lists the order in which greyhounds will be selected in the event if more than 8 greyhounds nominated.

1. Reserves at the Meeting that do not obtain starts.
2. Trainers that have greyhounds engaged and are located in an area affected by track closures.
3. Trainers that have greyhounds engaged.
4. Satisfactory trials.
5. Other greyhounds.

PROCEDURE/CRITERIA

1. For Monday nights trainer to contact GRSA between 10.00am and 11.00am on the Monday to nominate. Should the Monday be a public holiday bookings are to be made between 8am and 9am on the scratching line.
2. For Angle Park Wednesday, Gawler Tuesday & Friday trainer to contact GRSA between 4.00pm and 4.30pm on the day before.
3. For Gawler Sunday trainer to contact GRSA between 8.00am and 9.00am on the scratching line to nominate.
4. Other than reserve greyhounds Trainers will be restricted to trialling one (1) greyhound unless nominations determine otherwise.
5. Stewards allot the Box for the Greyhound.
6. Trials will be 515m & 531m in distance as first preference. Other distances considered depending on nominations.
7. Greyhounds currently under suspension or not cleared to race are not eligible to be nominated (these trials are conducted as if they are at a race meeting so all greyhounds need to be eligible at nomination time).
8. Greyhound registration certificate or cards must be produced at kennelling time.

9. Trainers with other greyhounds engaged can utilize the extra kennel space until such time they are ready to leave OR trainers with no other greyhounds will be free to leave following their trial.

If there are 12 races at Angle Park or Gawler there will be NO trials.

The Vet Clinic at these meetings cannot be used to accommodate any greyhounds to allow for extra trialling greyhounds. This policy has been introduced so that participants book in under the policy. The Vet Clinic needs to be available for the Vet and Stewards at race meetings

EXCEPTIONS TO THIS POLICY-

- Thursday nights are kept available for the option for Interstate greyhounds to solo trial in a lead up to our Group races and also local greyhound's trialling for Group racing interstate.
- Local greyhounds will be allowed to solo trial in a lead up to a feature race upon request and they will take one of the eight kennels available for trialling ahead of the policy and sit separately to the 4 dog trials. Feature races are considered to be – Adelaide Cup, Gawler Cup, Oaks, Derby, Howard Ashton, Brian Johnstone, SA Sprint, SA Distance Championship, SA Anniversary Cup, SA Country Cup, National Finals & any Group race Interstate.
- Local greyhounds will be allowed to trial on a race night, where they are in preparation for a feature event and nominated for a meeting and the race does not stand up. This will include all distances and also take precedence over the policy.
- If a greyhound qualifies for a feature final and requires a trial in between this will be conducted as a solo trial and sit separately to the 2 four dog trials.

It is extremely important that trainers book in to trial at these race meetings. If unable to book in at these times then please contact GRSA where permission may be given to accept a booking outside of these times. .

Participants are able to purchase their very own red vests for \$20 however GRSA will always have some available. These vests look very smart and come up particularly well on Sky Racing promoting SA Racing so with that in mind the long parade coats have been phased out of action with participants required to have a black or navy jumper available to be worn under the vests.

DEMONSTRATING EXCELLENCE AT EVERY LEVEL

Established in 2001, we are an ever-growing, family-owned business with an enduring commitment to demonstrating excellence to each and every one of our customers, on each and every level. As a starting point, we offer our customers quality and selection; we offer a complete range of eminently affordable, quality steel products including fencing (including neighbour friendly, custom-made pool and post/rail options), verandas, sheds/outbuildings, roofing, miscellaneous materials and tools. To this we mix in a dose of convenience: not only do we offer a range of steel services, but have also expanded our facility over time, in order to offer our clients a still better selection across our product and service lines.

We know that maintaining our status as a leader in the industry doesn't only involve maintaining a substantial product line — this is why, true to our Bargain Steel Centre name, we unceasingly work to keep our prices as affordable as possible, while also ensuring exceptionally good service, too. Simply put, we owe it to our customers to offer the best of all worlds through substantial selection, quality products, affordable prices, and exceptional service.
