GAWLER MEMBERSHIP OFFERS FOR 2022/23

Dear Gawler GRC and Industry members,

I would like to advise you of significant changes to the membership options available for our Club for 2022/23.

This year we have determined to keep membership fees set at last year's rate and in light of Covid-19 we understand that there have been considerable changes to members income.

Registered trainers will continue to be able to trial any greyhounds in your care for the whole season for just \$100. A joint membership is available, for any trainer who resides at the same address and wishes to obtain the trialling benefit, for an extra \$50 fee. If you don't wish to receive the trial benefit, you can still become a joint member for \$20, provided you reside at the same address.

If you are not a trainer, I would encourage you to join as a "Venue Member", which allows you to receive all membership benefits, except the trial. In addition, a joint membership is available for another person residing at the same address for an additional \$20.

The Club wishes to thank GRSA for this initiative and support shown to the Club and the industry.

There has never been a better opportunity to join our Club, so I encourage everyone to take advantage of this offering.

Bob May
Secretary
10th April 2022
