

MY BUSHFIRE PLAN

My plan to leave early:

Yellow shaded areas show your Bushfire Safer Places:
Suitable for use during forecast bad fire weather or during a bushfire. May be subject to sparks, embers and smoke.

Green dots show your Bushfire Last Resort Refuges:
For if your plan has failed. Not suitable for extended use and provides only limited protection during bushfire. Bushfire Last Resort Refuges are your LAST choice of location to shelter from a bushfire.

My plan is for:

Derek Kordick
0460886566

Essential phone numbers:

Greyhound Racing SA Limited
0882437100

My triggers:

These are the signs that will help you decide that it is time to leave early.

- Fire Danger Rating - Severe or higher
- Safe to leave - time to exit safely
- Weather conditions - Hot and windy

Where I will go:

Do not attend the Mount Gambier racing complex where advised by relevant authorities and/or Stewards that the fire danger is such that it could be a risk to the safety of any person or their greyhound/s. If directed to leave the centre, do so by the safest route and at the direction of emergency services.

Mt Gambier - 1476 AM / 1161 AM

What I will take:

Please tick these items off when you put your plan into action.

- External hard drive (scanned documents/photos)
- Insurance documents passports license banking details and other certificates
- Medications
- Mobile phone/charger
- Personal treasures

My pets and livestock:

All greyhounds to be transported away from the complex by their custodians.

MY BUSHFIRE PLAN

My plan if I have to stay and defend

I will only stay and defend on days of high fire danger if I am well prepared and my home is properly constructed and prepared to the highest level.

Before the fire arrives I will:

Please tick these items off when you put your plan into action.

Outside your home

- Patrol for spot fires and extinguish
- Plug drains and fill gutters with water
- Remove flammable material from around house
- Start pump for fire hose and/or roof sprinklers
- Wet down all areas on side of house facing the direction of the fire

Inside your home

- Bring pets inside
- Dress in protective clothing
- Fill bath sinks and buckets etc with water
- Place wet towels in any crevices such as gaps under doors etc
- Shut all doors and windows
- Take curtains down and push furniture away from windows

When the fire arrives I will:

Please tick these items off when you put your plan into action.

- Bring buckets hoses mops and tap fittings etc inside
- Check ceiling cavity
- Drink plenty of water
- Make sure we are situated in a room with two exits
- Patrol inside for spot fires and extinguish
- Reassure family and pets

After the fire arrives I will:

Please tick these items off when you put your plan into action.

- Continue drinking plenty of water
- Continue to patrol for 48 hours
- Let family and neighbours know we're okay
- Patrol for spot fires and extinguish
- Return outside when safe to do so

This is just the first step in being bushfire ready. For further information please visit cfs.sa.gov.au/site/prepare
