TRAFFIC UPDATES *(updated 8 August 2014)*

Construction Hotline: 1800 73 88 57

Email: community@bjjarrad.com.au

Please contact the BJ Jarrad team to receive email notifications when new traffic updates are uploaded to the website.

Roads works currently underway

Work locations: Victoria Terrace, between King Street and Hallam Drive

Dates: From Monday 11 August 2014 to late August 2014 (before The Gawler Show)

Information you need to know about construction works includes:

- Standard work hours will be Monday – Saturday, 7am to 7pm, (with site set up from 6.30am).
- Traffic will operate as normal outside of construction hours.
- Access to some side streets will be restricted to local access only to ensure the safety of the work crews and the public.

Safety of motorists, pedestrians and our workforce is our highest priority. Please follow traffic signs and proceed carefully.

Upcoming traffic changes

Works at the following locations will be intermittent over the coming 3 to 4 weeks, as crews prepare for and install the new pipe infrastructure.

Information on locations and approximate timing will be updated fortnightly, however is subject to change due to bad weather conditions.

| Location | Traffic changes | Anticipated timeframe |
|--|--|--|
| VICTORIA TCE <i>Between King St and Howard St</i> | Road closed – Detour via King St, Jerningham St, and Howard St | From Monday 11 August to mid-August 2014 |
| VICTORIA TCE <i>Between Howard St to Hallam Dr</i> | Road closed – Detour via Howard St, Jerningham St and Victoria Tce ** Bus access only | From mid-August to 24 August 2014 |

SA Water and its contractor, BJ Jarrad, thank you for your ongoing patience as we undertake this important project
