CEO'S UPDATE

GAVIN BOSCH ACTING CEO

My short (and hopefully unremarkable) time as acting Chief Executive Officer has come to an end. Staff and participants are rightfully excited that Bodelle Francis will be starting as Chief Executive Officer with GRSA on Wednesday 27th April. Having recently met Bodelle in person I'm confident that her energy and passion will quickly make a positive impression at GRSA. I'd like to thank the management team and staff at GRSA for their help during my short tenure as acting CEO.

GRSA is bidding farewell to another long-serving staff member this month. After nearly 11 years, Scott Wuchatsch is leaving GRSA to take up the CEO role at the Melbourne Greyhounds Racing Association [The Meadows]. He leaves GRSA with much better facilities than when he started and GRSA is grateful for his significant contribution to our industry.

As I sign off I reflect upon the personal interactions we have with each other in our industry. It's clear that as a larger group we don't always see things "eye to eye". The broader group (participants and staff) that make up our industry are relatively small in number and we rely on one another much more than we might think. In any interaction we have, please treat each other with respect, for the sake of the industry and everyone's personal wellbeing. We all have the same common goal; a vibrant and successful industry that all people enjoy being a part of.

Departure Gate claims memorable win in Mount Gambier Cup

■ MOUNT GAMBIER

Moorak trainer Jason Newman struck a blow for the locals on April 10th when his \$18 chance Departure Gate won the 42nd running of the Mount Gambier Cup (512 metres), sponsored this year by Carlin & Gazzard MG.

Contesting the first Group 3 event to be run at Tara Raceway, Departure Gate, together with fellow locals Whole Way and Midnight Blast, took on the might of the powerful Victorian-based foursome – Blazing Times, Keep It Blue, Keep It Black and Weblec Ranger – all trained by Angela Langton.

But it was Departure Gate who quickly found the front from box six and from then on was never headed. He eventually held out last month's Murray Bridge Cup winner Weblec Ranger to win by a head in 29.42 seconds, the time equalling Sunset Milo's race record established in 2020.

Weblec Ranger's head defeat cost Langton a \$10,000 bonus, awarded by Greyhound Racing SA to any trainer winning both the Murray Bridge and Mount Gambier Cups with the same greyhound.

And many long-time greyhound racing followers declared the 2022 Carlin & Gazzard MG Mount Gambier Cup meeting as one of the best ever run at the Lake Terrace East venue.

"I haven't missed too many Mount Gambier Cups over the years and I reckon today's was probably the best one I've ever attended," said Michael Robinson, a former local greyhound chief steward and still a regular at the twice-weekly Tara Raceway meetings.

Once again, GRSA, the sport's controlling body, made its presence felt with Grantley Stevens (chairman), Gavin Bosch (acting CEO), Adrian Battiston and David Lewis (directors) and Matt Watson and Tim Stoeckel of marketing all in attendance.

"We were particularly keen to see how the club's first Group 3 event went off," Stevens said. "And we were absolutely delighted with the whole day. The support it received was tremendous and certainly a credit to the Mount Gambier Greyhound Racing Club."

It was an emotional Newman who returned to the recently-built new look presentation dais with Departure Gate, a son of Fernando Bale x Tarks Nemesis who ironically had been bred by Langton.

"I can't believe it, I've just won the cup," he said. "He had to drive hard to hold the lead and that's what he did!"

Newman kicked the day off with a win in the first race, the Exchange Printers Maiden Stake (305 m), with Velocity Cleo in 17.80 seconds. Then, following the cup win, Ajmer was successful in the Trackside Meats Stake (400 m) in 23.11 seconds.

And just when the day surely couldn't get any better, partner Melissa Freitag won the second-last race, the Gordon Refrigeration Stake (512 m), with Awesome Alpaca in 30.61 seconds.

Weblec Ranger explosive in big cup win

■ MURRAY BRIDGE

Murray Bridge Cup night on March 20th promised to be a beauty and it lived right up to the expectations, with a bumper crowd, great weather and terrific racing all helping create a terrific night at the Bridge.

The two straight track races were absolute winners. With the sun setting in the background, the two Heats were run and it was something we don't rarely see at the dogs, with the crowd packed in near the finish line. It made for an awesome backdrop! The first Heat winner, Man Absconded was excellent in busting up his field by 4 lengths and breaking the 19 second barrier. He's All Fire was super impressive in winning the second heat holding off the inform Curl's Victory.

Gemtree Maximus impressed in the short course feature for the night. He's always had ability but hasn't been able to put it together in recent times, however, the win on Sunday was super classy and a

sign of a matured dog. He got posted wide from box 8 and didn't quite have the zip to get around early. He took his time though and kept working, before shooting back to the inside and running down Classy Chaos in a terrific effort. Well done to Paul and Bec, it would have been a terrific thrill for them!

The 530m feature was taken out by Danyo's Charlie, who had been in terrific form going into it. He was able to lead but was quickly overtaken by Spring Phoebe, but then Charlie took back the lead before they turned for home. Charlie maintained the lead the rest of the way home, holding off another Spring Phoebe resurgence, who got within half a length. A great run from Danyo's Charlie and he ran a slick 29.92 in the process.

Dave Peckam claimed the Cup Consolation with Denzell Bale, who is proving to be quite a handy addition to his kennel. It was a really strong field, but Denzell Bale used box 1 to perfection, driving hard to hold the

lead and then never leaving the fence as they turned for home. The result was a 25.49 victory, making it an enjoyable drive home for Dave!

Race 8 and the punters got what they came for - The Murray Bridge Cup! It was a really even race in the betting market, with all dogs given a genuine chance of winning the race. Early brilliance proved to be the difference, with Weblec Ranger shooting over from box 8 to find the front. Given he was the quickest Heat winner, it was always going to be difficult to run him down. Mr. Ticket and Fantastic Victor landed behind Weblec Ranger in the run and appeared up to the challenge of trying to run him down, but they never really made an impression, as Weblec Ranger claimed the Cup with an explosive effort. A big congratulations to the Britton/Langton training duo but also to Neville Loechel and all the connections, you won't find a nicer bloke and family in the industry, which makes seeing the Weblec breed achieving success quite enjoyable!

Stars no match for Fantastic Victor in big win

■ ANGLE PARK

The fourth running of the Easter Match Race series on 14th April saw another exciting series with 8 of the state's fastest greyhounds going head-to-head in 4 x 2 dog races.

In front of a fully booked Angle Park Easter Thursday crowd it was the Ossie Chegia trained Fantastic Victor who came out on top with a sizzling overall time of 30.09 for the 530m to claim the \$6,000 first prize.

In the first Match Race Came And Went for Troy Murray and Jack's Well for Cameron Butcher set the crowd alight with a stirring battle with only a finger nail separating the two speedsters in a great start to the series. Came And Went led as expected and Jack's Well was just off his heels as expected, however, as they entered the front straight they were both level pegging and raced head and head down to the finish line with the judge giving Jack's Well the win on the outside with both recording 30.22 for the 530m.

The second match race saw Harbor Blues for Kirin Corby and Fly For Trix for Jane McNicholl do battle. Harbor Blues was nicely supported into favouritism for this match and after showing terrific speed from the boxes he was able to cross and lead on the first turn. Fly For Trix was giving strong chase however Harbor Blues was low flying in the lead and opened up a decent break as they left the back straight. Whilst Fly For Trix tried hard to bridge the gap, Harbor Blues was in no danger and recorded a sizzling win reminiscent of his brilliant win in the Doug Payne Feature back in January. He recorded 30.16 to be the club house leader as we reached half way.

The third match was touted as the best of the night with Fantastic Victor for Ossie Chegia and Victa Grosso for Tony Rasmussen lining up head to head after they had been duelling out the Open company events at Angle Park over the last few months. Fantastic Victor jumped brilliantly as normal to lead however Victa Grosso was right there on his outside as they sped to the back straight. Both were in full flight as Victa Gross edged a little bit closer turning for home and it looked like anyone's race, however, Fantastic Victor pulled out plenty in the home straight to claim the third match race with both sprinters running scintillating time. Fantastic Victor jumped in the overall lead with a slick 30.09 win while Victa Grosso ran 30.17 seeing him slot into third place.

There were now only two chances left to beat Fantastic Victor's time when Victa Haydn for Tony Rasmussen and He's All Purpose for Tim Richards matched up in the last two dog battle.

The match was one of brilliant early speed against raw power over the concluding stages which saw it one of the most interesting matches of the night. As expected, He's All Purpose jumped to the early lead and looked to speed away with Victa Haydn moving to the rails and starting to go through his gears. Into the back straight He's All Purpose was running along out in front but Victa Haydn was a lot closer than expected and with his massive run home time Fantastic Victor's time of 30.09 looked to be in danger. Off the back straight and Victa Haydn moved up ominously to move past He's All Purpose who fought back hard and tried to keep him out however Victa Haydn drew to the lead entering the front straight and ran away with the win. All eyes turned to the clock to see if he could break his own run home time record to claim the title however a solid 30.31 was the time posted, meaning Fantastic Victor would claim the Easter Match race title for 2022.

The win for trainer Oswald Chegia came as no real surprise,

given Fantastic Victor had run quick times in the past.

"You're never confident but the dog was feeling really well and he's run that sort of time before so it was good he did it again," said Ossie, who not too long ago put Fantastic Victor over the 600m trip, to try and strengthen him up and by the manner of the win last night, it certainly seems to have done that.

"I got a bit worried around the turn but he normally kicks away in the straight and he did again like I thought he would. You probably have to run that sort of time to beat the dog."

After this success, all eyes will turn to the enormous Anniversary Cup heats on April 21st with a \$50,000 first prize on offer in the final. Whilst we are sure to see some strong interstate representation, Fantastic Victor will be there to greet the challengers.

"Next week he's going into the Anniversary Cup heats so that's our next plan. Then he might have a few days off after that and go for something else."

Weblec Star gets the choccies with cup win

■ ANGLE PARK

After two exciting Heats, the \$7,750 Easter Cup Final over the middle distance at Angle Park produced a wonderful race on April 14.

Race favourites were Heat winners Mallee Magic for Tony Rasmussen and Weblec Star for Neville Loechel along with the Lisa Rasmussen trained Victa Reid who was unlucky in the heat and was backed into clear favouritism from the inside draw as the green light was turned on.

As the start was affected Weblec Star from box 7 exploded from the boxes to clear the field as they entered the front straight the first time with Victa Reid also getting a nice start from the inside to move to second. Sebon Panther for Tony Nobes was handy on the inside and Sutton Sandy for Angela Modra was also up there challenging while Mallee Magic was checked early and was caught up in the second half of the field.

Into the back straight and Weblec Star was looking very hard to catch as she raced clear from Victa Reid who held second. Sebon Panther was in third while Lashes Monelli for Tim Aloisi looked to make ground along the rails as Mallee Magic moved to the outside to give chase. Off the back straight and not much had changed as the greyhounds gave their all with Weblec Star still going strong chased hard by Victa Reid, Sebon Panther was battling on well as both Lashes Monelli and Mallee Magic closed in for third spot.

As they raced down the front straight to the winning post Weblec Star stretched away from her rivals going on to win by an increasing 3.50 lengths in a solid 34.19 for the 595m journey. Victa Reid held on for second as Lashes Monelli charged home into third with the upcoming Heats of the Distance Championship over the 730m looking well within her grasp. Sebon Panther battled on well just ahead of the luckless Mallee Magic.

FANTASTIC VICTOR
TRAINER OSSIE CHEGIA

Greyhound of the Month for March was Fantastic Victor for trainer Ossie Chegia in a tight month of voting the son of Fernando Bale and Fantastic Dotty came out on top, just ahead of Mr. Ticket, He's All Purpose and Victa Grosso.

He had five starts for the month with three wins and two thirds showing speed and stamina in all his events. He started the month of with a blistering 34.06 win at headquarters over the 595m before the Heats of the Group 3 Murray Bridge Cup. He won his Heat in good fashion before a solid third placing in the Group 3 Final. He came back to Angle Park for a third over the 595m before a slick 30.22 win over the 530m in Free For All company at headquarters.

At the end of the month Fantastic Victor's record stood at 58 starts for 25 wins and 16 placings and earnings around \$80,000.

CAME AND WENT
TRAINER TROY MURRAY

The Run of the Month for March was Came And Went for trainer Troy Murray after he set the fastest time over the 530m at Angle Park for a locally trained greyhound.

On Monday, 7th March the son of Barcia Bale and Hillary stepped out in Grade 5 company as a very short priced favourite and after a slick beginning he quickly raced to the lead. With split times of 5.10 and 17.48 a quick time was on the cards as he raced away from his rivals. He stopped the clock at 30.05 in winning by 7.50 lengths, showing he was right back to his best which took him to the Final of last Octobers Group 1 Adelaide Cup.

RACING REPORT

SHAUN MATHIESON RACING MANAGER

VALE

Ron Burns

GRSA was saddened to hear the news that Ron Burns passed away on Sunday, April 11th.

His funeral will be held tomorrow, Friday April, 22nd at Minge Chapel, Swanport Road, Murray Bridge at 11am. There will be a wake to follow from 1pm at the Murray Bridge Greyhound Racing Clubrooms. There will be food provided and drinks available to purchase. This will be prior to the twilight meeting. All are welcome to attend.

ANGLE PARK'S 50 YEAR ANNIVERSARY AND \$50K TO THE WINNER NEXT FRIDAY 29TH APRIL

After consultation with Greyhound Racing Victoria, Greyhound Racing SA is very appreciative that they have swapped their Friday night meeting on April 29th with Angle Park's Thursday night meeting on April 28th. This will mean that Angle Park can celebrate our 50th Anniversary with a big night planned on a Friday night along with increased prizemoney of \$50,000 to the winner for the Anniversary Cup Final on the night.

The night itself will be very much like an Adelaide Cup atmosphere with plenty of entertainment for families as we celebrate 50 years at Angle Park.

There are three Heats on tonight, Thursday 21st April, for next weeks Final, with the first two placegetters and two fastest thirds qualifying for the feature event. The Box Draw will be conducted oncourse tonight after the running of the final Heat.

The feature Anniversary Cup Final, offering \$50k to the winner will be a high quality line up of sprinters with the night also featuring the SA Distance Championship Final worth \$10k to the winner with two Heats also run tonight with the first four from each Heat qualifying.

Other changes will be the Gawler Friday meeting on 29th April will now be run on Thursday, 28th April in the twilight timeslot.

GRSA appreciates the support of GRVIC and Sky Racing in regard to these changes.

BREEDERS 2022 PRELUDE (2) HEATS ON MONDAY NIGHT

GRSA advised previously that the Breeders 2022 Prelude (2) Heats at Angle Park that were programmed on Monday, 18th April have been rescheduled and will be run on Monday 25th April with the Final on Monday, 2nd May. This avoided a clash with the Gawler Future Stars series.

With the change, this will still give greyhounds that qualify for the Breeders 2022 Prelude (2) Final on 2nd May, 10 days until the Group 3 Howard Ashton Heats on Thursday, 12th May.

LOW GRADE FEATURE SERIES AT ANGLE PARK

The next Low Grade Feature Series at Angle Park will be a Masters Grade 5 over the 530m with \$3,585 Heats on Thursday, 5th May with the \$5,150 Final on Thursday, 12th May.

- Nominations for the Heats close Monday, 1st May at 9.00am.

2022 GROUP 3 HOWARD ASHTON

The major race for Breeders 2022 is the Group 3 Howard Ashton. Trainers are reminded that the \$3,700 Heats will be run on Thursday, 12th May.

These will be followed by the \$4,500 Semi-Finals on May 19th and the \$37,500 Final on May 26th.

This race is for greyhounds that are eligible for Breeders 2022. Greyhounds didn't have to have compete in the Preludes to run in the Group 3 Howard Ashton.

- Nominations for the Heats close on Monday, 9th May with GRSA at 9.00am.

2022 WEBLEC ACE AND MEPUNGA BLAZER AT STUD MURRAY BRIDGE STRAIGHT TRACK CUP IN MAY

The \$14,275 Weblec Ace and Mepunga Blazer at Stud Murray Bridge Straight Track Cup Final will be run on Tuesday, 24th May 2022.

The Heats will be conducted on Tuesday, 17th May 2022

- Nominations for the Heats close on Thursday, 12th May with GRSA at 9.00am

CHANGES TO TRIAL DAYS FOR GAWLER AND MURRAY BRIDGE

After consultation in the most recent ICG meeting GRSA have made some changes to the trialling days at both Gawler and Murray Bridge to make it easier for participants.

Gawler will continue to trial on the Monday morning, however, will now also trial every Thursday morning. There will be no rotation due to racing.

Murray Bridge will trial on Monday morning, however, will not trial on Thursday morning for the Straight Track. These will now be moved to the Wednesday night with the One Turn trial session. During non daylight saving Straight track trials will start at 4.30pm with the One Turn at 5.30pm. During Daylight saving the Straight track will start at 5.30pm with the One Turn 6.30pm.

This is effective immediately and any changes will be advised to industry via text message and social media.

ANZAC DAY TRIALLING ARRANGEMENTS

With the Anzac Day coming up there are a couple of important things to remember.

- There will be trials at Murray Bridge on Monday, 25th April.
- There will be no trials at Gawler on Monday, 25th April they will be moved to Tuesday, 26th April.
- There will be trials at Gawler on Thursday, 28th April even though we race at Gawler in the Twilight.

SHANE MCQUEEN HEATS IN LATE MAY

The main 595m feature at Angle Park comes up on Thursday, 26th May with the running of the Heats of the Shane McQueen.

This series has always been well supported by the Industry with three or four Heats normally run. The \$14,275 Final will be held on Thursday, 2nd June.

- Nominations for the Heats close on Monday, 23rd May with GRSA at 9.00am.

BAYROAD QUEEN STAYERS HEATS IN JUNE

The \$6,320 Heats of the Bayroad Queen Stayer's Cup will be run over 730m on Thursday, 6th June. The \$14,275 Final will be run on Thursday, 13th June.

- Nominations close on Monday, 3rd June at 9.00am with GRSA

SATURDAY TO THURSDAY NIGHT FINALS TO CONTINUE

GRSA looked at the opportunity to increase the number of races conducted on a Thursday night at Angle Park which may positively assist the field sizes by not having to split as many races. Without affecting the greyhounds which are nominated

regularly for Thursday night we are looking at drawing from a different pool of greyhounds.

Once a fortnight we run the Saturday morning meeting at Angle Park where between one to four 530m events are run on the 10 race card. These greyhounds are Time Graded greyhounds [1-4 wins and 5 + wins] and would normally not compete on a Thursday night. We have decided to program Heats on the Saturday for these greyhounds [maximum 2 Heats] into a Final on the Thursday night [5 days later]. The Heats would be at the normal Time Graded prizemoney however the Final on the Thursday will be budgeted Grade 6 or Grade 5 money. The Heats and Finals will be 6 dog fields and non penalty. The Final will be conducted as Race 1 on the Thursday night.

The next of these will be on Saturday, 30th April for 5+ wins with the Final on Thursday, 5th May.

- Nominations for Heats close with GRSA at 9am on Wednesday, 27th April.

GAWLER TO RACE ON SATURDAY MORNING OVER THE JUNE LONG WEEKEND

The meeting scheduled for Angle Park on Saturday, 11th June will now be conducted at Gawler with the Angle Park venue unavailable on this day. The Gawler venue is available on this day with no football programmed over the June long weekend.

BREEDERS SUPPORT PROGRAM – IMPORTANT UPDATE FROM JULY 1

At the most recent ICG meeting our local breeding numbers were discussed. After considering how many litters are currently being bred, the panel decided to make an alteration to how many Breeder Rebates will be available each financial year.

For any Breeder Rebate application lodged (at Litter Registration time) from July 1 2022 to June 30 2023, GRSA will only rebate two Litters fully and if there is a third litter, this will be at a half price rebate. If a Breeder has a fourth litter there will be no claim available. It will be up to the Breeder to determine which 2½ Litters they would like the Breeders Support Claim for in the 12 month period. Please contact Racing Manager, Shaun Mathieson at GRSA for further information.

Below are the current Breeders Support Conditions -

Details regarding the Breeders Support Program for litters registered in SA. It is crucial that GRSA receives receipts for actual and verifiable expenses relating to litters whelped for items below or else no support payment can be provided: Claims will be a Maximum of \$2,000 with FSI and Pup payment in addition.

Stud/Sire Fee (Commercial)	50%, up to \$2,000 rebate (receipts required)
Owned Sire Fee	Set amount of \$250
This section maximum of \$2,000	
Veterinary & Transport Costs	Maximum \$800 (receipts required)
Vaccination Costs	\$60 (per pup)
Microchipping	\$20 (per pup)
SA Bred Scheme (1st Payment)	\$27.50 (per pup)
This section maximum of \$1,000 Total claim maximum \$2,000	
Frozen Semen (FSI only)	\$65
Pup Support	\$100 per pup

*In the event that the 1st payment of the SA Bred Scheme is claimed as a component of the rebate, those pups will automatically be registered in the scheme with only the 2nd and 3rd payments still required.

The limit of the support as it relates to the [50%] contribution to the stud/sire fee component is equivalent to the full support value of \$2,000. The limit of the support as it relates to 'other' expenses is \$1,000. Excluded expenses include veterinary [pre-conception], rearing, breaking in or pre-training costs.

NOMINATIONS FOR SATISFACTORY TRIALS

Recently we have had several trainers nominating online using the Qualifying Trial meeting for Satisfactory Trials.

The online Qualifying Trial meetings are for trainers to nominate their greyhound which they wish to improve on the Order of Choice for the upcoming meeting only. Trainers, whom have a greyhound that is required to complete a Satisfactory Trial, are required to contact the offices of GRSA and provide the relevant details. By contacting the office, you will be advised of any further requirements that are needed for the Satisfactory Trial.

QUALIFYING AND SATISFACTORY TRIALS FOR MURRAY BRIDGE

Murray Bridge qualifying and satisfactory trials are held every Wednesday night at approximately 5.15pm (between the end of the straight track trials and the beginning of the one turn track trials). Qualifying will be for the following Friday/Sunday meeting (drawn the following week).

Nominations close at 12.30pm on Wednesday [for online nominations 11.50pm Tuesday].

SATISFACTORY AND QUALIFYING TRIAL TIMES FOR ANGLE PARK

As sufficient racing has been completed on the redeveloped Angle Park track, times have now been allocated for the new distances for Satisfactory trails and Qualifying trials.

Effective immediately.

COMMENTS ON NOMINATIONS MARKED “ONLY”

A few years ago the Grading Review Panel agreed that some trainers were using the comments box to influence the grading of fields in particular Grade 5 Only for all their greyhounds.

The panel previously resolved that “Only” would be disregarded over all distances and the grading left to the Grader. [Masters Only or Juvenile Only will be accepted as this is for a specific type of race]

If trainers put “Only or no start or leave me out” then the grader will grade as normal and if a greyhound would be graded into a mixed event based on race wins then he will leave them out based on the trainers request. The more information provided to the Grader allows for him to accommodate those requests.

WINNING GRADE 6 RACES IN ORDER

GRSA reminds trainers to win their grade 6 events in order at a specific venue.

For the venues that allow two Grade 6 wins trainers need to win a Grade 6 over one distance and then a Grade 6 over the other distance. If a greyhound wins a Grade 6 and then a Grade 5 then they will lose their Grade 6 over the other distance at that venue.

RE-GRADING FOR ALL TRACKS AND DISTANCES

Re-grading will occur for all tracks and distances for Grade 3 or higher greyhounds.

A trainer can apply for a re-grade after two unsuccessful nominations over the corresponding distance. If having met this criteria the responsibility is on the trainer to apply for a re-grade prior to the close of nominations. Only one distance will be considered for a re-grade per meeting.

DAISH IRRIGATION & FODDER VOUCHERS FOR MURRAY BRIDGE

The Murray Bridge GRC has been able to secure some \$100 vouchers from their sponsor Daish Irrigation & Fodder to be used on Heat and Final series’ over the next 12 months.

In the All Tracks calendar these races will be highlighted which is a terrific initiative of the Murray Bridge GRC.

PUREPRO DOG FOOD VOUCHERS FOR MURRAY BRIDGE

The MBGRC has 10 vouchers from PurePro Dog for the sponsorship of one race per month with a large bag to the winning trainer and small bag to the second placed trainer.

These will be Maiden Class with 5 races on the circle track meetings and 5 races at straight track meetings. These will also be highlighted in the All Tracks calendar.

ANIMAL WELFARE SEMINAR SERIES – 11TH MAY 2022

This year Animal Welfare will be focusing on education and continuing development for everyone interested in greyhounds.

As part of this, GRSA has been fortunate to secure Dr Ray Ferguson, for a greyhound nutrition seminar. Dr Ray will present at Chasers Restaurant, Angle Park, 11th May 2022, at 6.15pm for a 6.30pm. Dr Ray has also graciously allowed us to record it so we can make this valuable resource available on-demand in a webinar format.

The 2-hour seminar will cover a wide range of issues relating to feeding greyhounds who are racing, breeding and retired. This seminar was very popular with GRV participants. The first hour will cover information from Dr Ray on feeding greyhounds. There will be a break for food. A 1-hour practical session will be included where we can look at participants diets and review them for improvements.

To attend, please rsvp to animalwelfare@grsa.com.au with your name and any +1's as soon as possible.

Who is Dr Ray Ferguson?

Dr Ray Ferguson, OAM, graduated in 1972 and has always had a keen interest in greyhound racing. Dr Ray began racing greyhounds 35 years ago and has breeding experience. Dr Ray was the President of the Australian Greyhound Veterinary Association for several years and is their current Scientific Officer. In addition, he has a keen interest in injury treatment, blood tests and nutrition in greyhounds and has written several articles on these topics.

Please come along and enjoy the evening.

PANNUS

I acknowledge GWIC for this helpful information - Pannus, or chronic superficial keratitis, is a condition seen in greyhounds that affects the surface of the eye.

If left untreated, it can cause visual impairment. Pannus is treated with prednefrin eye drops prescribed by a veterinarian. Prednefrin eye drops contain Prednisolone, which along with its metabolites, is a prohibited substance. The use of prednefrin eye drops must be registered to avoid a positive result for a prohibited substance during swabbing.

Like in NSW, GRSA now make allowance for racing greyhounds being treated for Pannus. Participants that have a greyhound being treated for Pannus must notify GRSA by completing a Pannus notification. GRSA will then record

this on our databases to indicate the greyhound is being treated for pannus. Please refer to the GRSA website for more details or contact Animal Welfare.

MUZZLES

When the new Greyhounds Australasia Rules are released, there will be a general ban on the use of barking muzzles.

There is provision for an exemption to this general ban; however, the circumstances will be strictly monitored and controlled, effectively reducing use to exceptional circumstances only. GRSA will advise further, closer to the new rule release about the implementation of this new rule and the exemption process.

LOCAL RULES 2022 AND ANIMAL WELFARE POLICY 2021 ARE NOW IN FORCE

Please take the time to familiarise yourself with the new Local Rules 2022, on the website.

These are now in force. Also remember the Animal Welfare Policy 2021 that is also in force and available on the website.

COVID-19

The 14th of April saw COVID-19 restrictions significantly eased. From that date, you no longer need to wear masks within our facilities or QR Code [contact trace] check-in. Progressively, we will roll back our, now familiar, signage about masks and check in. Also, you will see less notices from GRSA, about COVID-19 transmission, in line with SA Health advice. However, the pandemic is by no means over. It is expected that our highest days of transmission will occur over April and coincide with the start of the flu season. Our experience with COVID-19 is that it is a disease you should not take for granted. While it is true that some people are hardly affected, many are significantly affected and need some medical assistance. Do not ignore the signals your body gives you. Further, the RAT [home] test, while convenient, can return false negative or positive results. If you have symptoms, it is better to seek a PCR test. The current isolation times for both positive cases and close contacts is 7-clear days from test to release [test is day-0 and release is day-8]. GRSA continues to encourage you to wear a mask as a personal choice, as well as maintaining an up-to-date vaccination status.

50TH ANNIVERSARY

GRSA is looking forward to the 50th Anniversary celebrations at Angle Park.

This event will be under a special COVID-Management Plan, so please keep an eye out for advice in coming days on any extra conditions we need to follow. COVID-19 Marshals and Animal Welfare and Integrity Officers will also be in attendance to monitor compliance, both with respect to COVID-19 and generally.

PENALTY NOTICES

As part of the Local Rules 2022, Penalty Notices are now operational.

If you, unfortunately, receive a Penalty Notice, please read it carefully. It provides details of what you need to do next.

Change to interpretation of first offence for Marring and Failing to Pursue

At a recent Industry Consultative Group meeting, the matter of Stewards interpretation of first offence for Marring and Failing to Pursue was raised.

Since 21st February 2018, greyhounds have been unable to complete a satisfactory trial at the track at which the offence took place until the expiry of the 28-day suspension period which, in reality, extended the penalty period. Effective immediately, greyhounds will be permitted to complete satisfactory trials at the track at which the offence took place within the suspension period, to enable the greyhound to resume racing at that track at the completion of the suspension period. Please contact Stewards to seek clarification.

Catching Pen Policy

Participants are reminded of GRSA Catching Pen Policy, in particular the following:

- Handlers must wait until ALL greyhounds are in the catching pen and then attempt to catch, DO NOT walk in front of incoming greyhounds.

Stewards have been made aware of recent occasions whereby participants have entered the catching pen prematurely. Please be aware that it is an offence to do so, and Stewards will be reviewing vision from catching pen cameras.

PROJECTS UPDATE

SCOTT WUCHATSCH STRATEGIC PROJECTS MANAGER

Signing Off

When I first started working for Greyhound Racing SA in late 2011, my first visit to the state was an eye opening experience, as I set about visiting all the clubs to understand the operational environment at all the tracks.

Having just spent nearly eight years in the Victorian system, who had invested significantly in infrastructure for over a decade, the difference between facilities in each state was like chalk and cheese.

And whilst the premise of my initial engagement was more about applying a recent Victorian mindset to long term strategic planning, it quickly became apparent that infrastructure redevelopment would become the basis of my role.

Ten years and seven months later, as I pen my last ever Kennel Capers column, I am extremely proud of the quality of SA's greyhound racing facilities and the opportunities they present for the industry into the future.

Without question, our venues are now equal to any other state in terms of participant and patron comfort, modernisation of facilities and presentation for broadcast.

Over the coming years it will be important for the industry to maintain the standards of these facilities, as a lack of ongoing investment will only result in these venues becoming dated and limit their potential.

Scott Wuchatsch with Don Higgon and Plunder Hawke - the first winner at the new Murray Bridge track on December 19th, 2018.

My other great passion at GRSA has been to ensure our race tracks are safe and consistent. I leave at a time when I am extremely comfortable with the maintenance teams at SA tracks, who are all doing a great job.

Injury data across all five tracks for FY21/22 shows a considerable decrease in key injury categories, and when compared to all greyhound racing venues nationally, our tracks perform relatively well.

The role of preparing tracks is an often thankless task, but I can assure all participants that each and every maintenance team member across the state is 100% committed to continuous improvement and ultimately better animal welfare outcomes.

With that in mind, it is my hope that SA participants will always be kind in dealing with GRSA staff and more importantly each other, as ultimately we are all trying to exist in an industry that we want to thrive and succeed.

Lastly, I have thoroughly enjoyed my time at GRSA and am thankful for the people I have met along the way that have enriched that experience.

Whilst we may not have always agreed, the debate has mostly been respectful, with the understanding that we have always had the best interests of the industry at heart.

I hope to see you all at some stage at The Meadows, with a good dog with a chance of snaring one of the many Group 1 races held there each year.

BEANIES AVAILABLE

Approved beanies are part of the GRSA Dress Code Policy and available for sale from GRSA. These beanies are GRSA specific and are the only ones approved, at a cost of \$10 and are available to purchase from the GRSA office's.

Greyhound Nutrition Seminar

with Dr Ray G Ferguson

FREE

Wednesday, 11th May 2022

Please arrive at 6:15pm for a 6:30pm start.

Chasers Restaurant, Angle Park

The seminar will also be recorded and made available to those who cannot attend in person as a webinar.

A 2-hour seminar discussing a wide range of issues relating to feeding greyhounds who are racing, breeding and retired. This seminar was very popular when previously run by GRV. The first hour will cover information from Dr Ray on feeding greyhounds. There will be a break for food. A 1-hour practical session will follow where we can look at participant's diets and review them for improvements.

NOTES OF INDUSTRY CONSULTATIVE GROUP (ICG) MEETING - HELD IN THE BOARDROOM OF GRSA, 55 CARDIGAN STREET, ANGLE PARK

ON FRIDAY 18 MARCH 2022 AT 10.00AM

ATTENDEES: Grantley Stevens [Chairman], Petar Jovanovic, Jason Newman, Christine Costa, Lisa Rasmussen, Gavin Harris, Ryan Tugwell, Ashley Harvie, Deb Isaacson, David Lewis, Ben Kavenagh, Des Jonas, Shaun Mathieson, Derek Kordick, Scott Wuchatsch, Gavin Bosch, Sheriden Milam [Notes Secretary]

The meeting commenced at 10.04am.

1 APOLOGIES: Nicole Massey

The Chairman advised the group that following an intensive recruitment process, Bodelle Francis had been appointed as Chief Executive Officer and will commence in the role on 27 April. The Chairman noted the high calibre of applicants with Bodelle being deemed the most suitable with both her racing and hospitality experience as well as what the Board believes is the best cultural fit. On behalf of the Board, the Chairman thanked Gavin Bosch for his dedicated effort in the Acting CEO role and also thanked the senior management team for their efforts over the last couple of months. The Chairman advised that Matt Corby will assist in the handover to Bodelle.

The panel noted the resignation of group members, Kurt Donsberg and Scott Feltus.

2 NOTES FROM PREVIOUS MEETING

The Minutes from the ICG Meeting held on Monday November 1, 2021 were noted as a true and correct record.

3 BUSINESS ARISING FROM PREVIOUS MEETING

3.1 Updates from Minutes

The RM noted the current delays with materials for the synthetic lures for participants. The SPM advised that the new style of lure will be more expensive than sheepskins however there may be the potential for GRSA to subsidise the cost.

The RCM provided an update on barking muzzle exemptions following the recent Integrity and Welfare Committee [IWC] meeting. He advised that the new GA rules presented several options for participants including applying for an exemption as well as for GRSA to source and make available an approved type of muzzle. Some panel members raised concern with outdated council permits which suggested noise is to be controlled by barking muzzles. The RCM advised he wouldn't be concerned regarding any such clauses.

The RCM provided an update regarding the treatment of pannus as approved by the IWC. He noted participants would be able to apply to be on a register. Some panel members questioned if those greyhounds registered for pannus would be banned from breeding. The RCM committed to confirming if there would be any restrictions on breeding with dogs with pannus and would subsequently formulate a policy that took breeding into account.

Action: Risk and Compliance Manage to provide clarification around breeding from pannus affected greyhounds.

The RCM advised that the IWC were not inclined to expand the TIRS to trials due to the lack of on-track veterinary presence and lack of tracking. Some panel members disagreed with the scheme not covering trials and noted that GRSA staff were present, and dogs were trialling on a prepared surface it warranted the scheme being made available at trials. The SPM suggested the upcoming digital transformation could assist with roll out of the scheme to trials as there would be the ability to track and view footage of the dogs. Some panel members noted the risk of potential preexisting injuries and trialling. It was noted that trials were somewhat unregulated and race events were conducted in a far more controlled environment. The COS suggested the introduction of regulated trials would be beneficial to industry however GRSA currently lacked resources to be able to do this. The Chairman requested a paper be presented to the Board recommending increased protocols at trials events as well as any recommended updates to the TIRS. Panel members noted under the NSW scheme, participants were required to repay any subsidised payments should the greyhound return to racing following

claimable injury and the potential for this to be included under the SA scheme. The RCM noted that the SA subsidy was relatively low compared to other states and there was a definite opportunity to reassess entire scheme.

Action: Management to prepare a paper to the Board detailing recommended increases to protocols at trials as well as any required changes to the Track Injury Rebate Scheme.

The COS provided an update regarding the provision of water to dogs during race meetings. He suggested the decision to provide water would be left to trainers and Stewards would take application for particular dogs post-race to be taken out for water. He noted the risks with providing water in kennels. Panel members suggested there would be issues with removing a dog from kennels during the meeting. The group suggested this wasn't a major issue. Panel members requested when delays to last races occur, that the option of emptying out greyhounds in these last races be made available prior to their race.

The COS spoke to the request to have mobile phones during the parading and boxing of greyhounds. He noted that a handler needs to be in control of dog and operating a mobile phone would pose a risk, if this would be allowed it would require an additional person which also poses risks. He suggested that vision of greyhounds trackside, parading and to boxes can be obtained without being on trackside of fence. It was suggested Facebook live or similar such as webcam could be utilised to allow owners to view. Panel members suggested there would be additional benefits to vision to be made available generally. It was requested that this be brought to the Marketing Manager's attention for their input to solution.

Action: The Marketing Manager to investigate options to have trackside, parading and boxing vision made available to owners and trainers.

Panel members advised a proposal in regards to puppy auction had been submitted to the Acting CEO for presentation to SMT.

The SPM advised that the issues with the air conditioning in Chasers has been noted and that a contractor will be conducting an all-venue air conditioning audit and will assess any issues.

3.2 Sustainable Breeding Levels

Panel members suggested larger SA trainers were accepting fewer dogs from interstate. The Chairman noted his intent to raise this topic at GA and reinforce that SA will not accept excess interstate dogs. The RM noted that SA currently has more sustainable breeding levels than previous years. He suggested local breeding required to be slowed somewhat, with potential to limit to two rebates to curb behaviour. Panel members suggested "super breeders" were a potential issue and that we didn't want to see smaller breeders discouraged by the removal of the rebate. The RM noted the intent to not complicate the rebate process. Members suggested retaining the first two rebates and the subsequent third payment halved. It was suggested this change would be implemented from 1st July, 2022.

3.3 Limited Monthly Starts

The RM noted this was a strategy to manage overracing, however he didn't believe this was a widespread issue. The COS referenced WA research into number of starts by distance. Members questioned if there was a mechanism that could be triggered by Stewards should they observe over racing of dogs. It was noted that the Acting CEO will raise at the next GA CEO's meeting. The RM noted the importance of this discussion and the benefit of minutes being released to participants to make them aware of potential changes which could have a positive effect on their habits.

4 AGENDA ITEMS

4.1 Stakemoney Interstate Benchmarking

The panel discussed stakemoney and benchmarking with other states. The RM suggested there was a perception from trainers around Thursday night that wasn't accurate in that racing on a Thursday was too strong so trainers would not nominate. Members suggested the home and away payments assisted, and it was his belief there was no need to change at this point.

4.2 Minimum Bet Laws

The Chairman noted minimum bet laws will form part of future negotiations of Integrity and Contribution Agreements. Members noted the importance for this to change within agreements. The Acting CEO noted that there was unanimous agreement that minimum bets were required.

4.3 Trialling on Saturday/Sunday Mornings

Some members provided their support to retaining the current schedule and times. The group were in agreement.

4.4 Satisfactory Trialling - Interpretation

The COS advised he had consulted other states and noted there were varying interpretations with majority allowing trialling within the 28 days to occur. The Group agreed to allow a STAT trial for Marring and FTP to take place at the venue where the offence occurred inside the 28 day period. Implementation date to be advised to industry.

4.5 Digital Transformation and Broadcast Enhancement [IsoLynx]

The SPM provided an overview to the project and data that will be made available following the installation. He noted there will be far greater consistency of measuring dogs over multiple tracks and distances with the use of robotic cameras. He further noted the huge potential for use of data in future. Including uses for trials. The Chairman noted the advantage to SA is its ability to install at all four tracks, providing benefit to punters with increased information available and definite welfare advantages.

4.6 National Track Maintenance and Preparation Project [GA]

The SPM provided background to the project. The Group noted the update. Members of the panel were pleased with a standardised approach.

4.7 Diagnostic Equipment for Track Maintenance Staff

The Group noted the update.

5. OTHER BUSINESS

5.1 Non Airconditioned Trailers [Judi Hurley]

Panel members suggested there shouldn't be any restrictions on the use of non-airconditioned trailers in the winter months. The RCM highlighted the current Animal Welfare policy in regard to transport of greyhounds and the common sense measures within the policy. He advised the IWC does not want to force trainers to retrofit air conditioners on trailers. He noted non-airconditioned trailers would not be allowed to be used on hot days and trainers wouldn't be penalised. The Group agreed that a concrete rule regarding use of trailers in hot weather needs to be implemented.

5.2 Lisa Rasmussen Items

Lisa Rasmussen suggested confusion existed with the current Gawler Thursday morning trial session schedule and requested these be kept consistent. The RM suggested management wouldn't have an issue with this and could amend. Panel members raised concern with the Murray Bridge straight track trials and suggested holding straight track trials prior to circle at 4pm [during daylight savings]. They suggested there were too many trial sessions at Murray Bridge. The RM indicated that any changes to the Murray Bridge trial schedule would be guided by the ICG. The COS suggested three trial sessions per week was excessive and has the potential to be reassessed to ensure it is more economical. Lisa Rasmussen advised she would like to present an alternate trial schedule to the Murray Bridge committee prior to any changes being implemented. It was noted any changes would be made in conjunction with the RM obtaining information on current booking numbers.

The RM noted Lisa's suggestion of altering nominations closing time for the Murray Bridge straight track and separating it away from Angle Park Monday night on the same day. He provided the group information regarding the nomination and grading process and noted he would be hesitant to split nomination closing times. He suggested trainers nominate for both meetings.

The COS advised it was difficult to decide on opening the kennel house early with high humidity as this could not be determined with enough notice. He requested input from the group as to what they believed was an appropriate level of humidity to warrant an early opening and at what point in time the recording would be

taken from. Members suggested the issue should be relieved with improvements to air conditioning in the Angle Park kennelhouse. Lisa Rasmussen requested, should the situation occur again, fans be made available outside of the kennel house. Management agreed to this.

5.3 Christine Costa Item

Christine Costa suggested a formal review process be undertaken following the Angle Park redevelopment. She advised about camber and rain causing channels and excess water near rail. The Chairman questioned the group as to their thoughts on the relationship with camber at Murray Bridge and Ange Park. Some members disagreed and believed the camber was fine. Some members suggested they were pleased with the track following the redevelopment. The Chairman noted the Board's appetite to review all available data regarding track preparation in relation to any injuries. The IM noted the challenges to be able to address any perceived issues when information is anecdotal and outside of GRSA's control. The COS suggested trainers needed to report injuries outside of race meetings to ensure Stewards were aware. The Chairman committed to ensuring this topic remained on the radar.

5.4 Syndication

Members questioned the status of syndication. The Chairman advised that this was a difficult topic due to ASIC regulations and rules. The Acting CEO provided an update to the group as to what was occurring interstate. He noted the topic would remain on GRSA's agenda however currently there were too many hurdles to overcome. It was noted the topic would be further discussed at the upcoming GA CEO's meeting.

5.5 Political Parties Racing Policy

Members questioned with the upcoming election, whether the Board were aware of a Labor racing policy. If Labor were to win he would be meeting with Racing SA and the Minister as soon as possible thereafter. Katrine Hildyard has provided support to GRSA in past couple years, will continue to build relationship with both parties.

5.6 New GRSA Website

Members questioned the status of the new GRSA website. The Chairman advised the project was expected to be completed in approximately two months. He noted the developers were experiencing delays in obtaining OzChase data.

5.7 TAB Digital On Course

Members questioned the status of TAB digital on course rollout. The Acting CEO provided an update noting the digital on course process had stalled however GRSA were still conversing with SA Bookmakers to ensure that a bookmaker was available on course in the meantime.

5.8 Expanded Form Guide

The group questioned the source of the expanded form guide information available on the GRSA website. The RM advised that it was contracted from NSW, that three different form analysts to SA meetings. The group raised concern with the quality of the form noting on numerous occasions the form analyst had misreported the gender of the dog and incorrect times of the winner and winning margins which also flowed through to the Advertiser form guide. The RM committed to providing this feedback to the provider.

5.9 Mt Gambier Racecallers

Members questioned the absence of local race callers at Mt Gambier. The RM advised this was due to local callers being cost prohibitive and was triggered by TAB Radio. They will be in attendance for their Cup meeting.

6. LATE ITEMS

The meeting closed at 1.03pm.

NEXT MEETING: Friday 17 June, 2022

WAP payment update for March 2022

The Wagering Activity Payment (WAP) for the month of March 2022 was \$321,000 and follows on from February where the payment was \$240,000.

Wagering Activity Payments now amount to \$1.66 million for the year.

The calculation for the month is as follows:

	Current Month	
Net Wagering Revenue *	\$2,634,000	
Multiplied by	X	
WAP Benchmark Return (50%)	50%	
equals	=	
Payout	\$1,317,000	
less		
Prizemoney ^	\$795,000	-
Trainer Fees	\$87,000	
Breeder bonuses	\$114,000	
Total payments to Participants	\$996,000	\$996,000
Equals	=	
WAP for the month	\$321,000	

* Net Wagering Revenue is the combination of all corporate race field fees and Tabcorp product fees, less the fees associated with the generation of Tabcorp product fee from wagering on interstate racing product.

^ Prizemoney includes payments to winners, places and unplaced of all South Australian races. Following feedback from participants in December 2020, additional money for feature races is averaged over the year.

The table below shows the total WAP position for the year to date.

Month	Indexed Net Wagering Revenue (NWR)	NWR x 50%	Returns (ex WAP)	WAP	WAP YTD

Distribution of WAP Payments between Trainers and Owners

GRSA would like to remind all participants that receive a WAP that the payment is the equivalent of prizemoney. If you are currently responsible for distributing prizemoney to another party then the same approach applies to WAP payments.

From GRSA's perspective the position in relation to third parties is reflective of OzChase records and is as follows:

- If GRSA have been notified of an ownership split [which is recorded in OzChase] then you DO NOT need to make a payment to owners for the WAP because GRSA will do this automatically; however
- If you ordinarily forward on payments to owners on your own accord, then you DO need to do the same for the WAP. Each remittance will include the name of the dog for which the WAP is being made.

Comparison table showing the impact of WAP on a selection of prizemoney levels

Month	Category 1 Meetings GRADE 5 530m	Category 2 Meetings GRADE 5 531m	Category 3 Meetings GRADE 5 512m	Category 2 Meetings GRADE 5 400m	Category 3 Meetings GRADE 5 400m

Example to help participants understand the WAP they receive

It is not uncommon for GRSA to receive requests for more information in relation to how the WAP is calculated for their particular dogs(s). The example below is provided to assist in the general understanding of the calculation.

Assumptions:

In this example, assume the owner/trainer received **\$1,000** in prizemoney for any/all races for the month.

WAP for the month	\$50,000	

In this the total prizemoney (paid to all participant) is **\$700,000**.

In this example, the total WAP is **\$50,000**.

In this example, the owner/trainer would receive a WAP of **\$71.43**, calculated as:

$$\text{\$1,000} \div \text{\$700,000} \times \text{\$50,000} = \text{\$71.43}$$

Participants should note that:

- WAP is not payable for any prizemoney received in relation to feature races [where total stakes are above \$5,000];
- Trainers' fees and other bonus payments are not included in the calculation of the share of the WAP; and
- It is a requirement that a greyhound has to have raced and received prizemoney during a month to be eligible to receive the WAP payment for that month.

MARKETING MATTERS

MATT WATSON MARKETING MANAGER

Country Cup Time!

Last month we hosted the Daish Irrigation and Fodder Murray Bridge Cup.

The weather was kind to us, with a warm day and minimal winds, especially compared to what we have seen at the Bridge! A modest crowd was on course to watch a few firsts at the Cup. The first 2 races of the card were run down the straight track before the remaining races around the traditional 1-turn track. The first 2 races gave the Cup crowd an opportunity to see straight track racing up and close, with the crowd lining the fence. It was also a first to see a Group 3 race at Murray Bridge, with the Cup being elevated to this status for 2022. The Cup had a strong field, which was lead out by the youngsters who were lucky enough to win the kids parade draw. It looked great having some younger relatives of trainers as well as kids from the local community out on course to lead out the big race. There was a great atmosphere on course, especially in the Loechel camp, with Weblec Ranger taking out the Final. I'd like to thank the Murray Bridge committee, as well as Shawn Noack and his team for all the support in the leadup and on the day of the Cup to bring everything together.

We then moved our focus to the Mount Gambier Cup on Sunday, 10th April which was sponsored by Carlin and Gazzard MG for the first time. After rain put a dampener

on the 2021 Cup, we were due for some good weather to allow for a healthy crowd. We had some drizzle throughout the day, but it seemed that it wasn't enough to hold away local punters. The Cup had the normal bells and whistles that the Mt Gambier locals have been accustomed to, as well as the addition of the trackside pop-up bar which was great. Similar to Murray Bridge, Mount Gambier also hosted its first Group 3 race for the Cup which had a very even field for the Final mixed with both Victorians and locals. Congratulations to Jason

Newman who won the Cup in a great race with a super tight finish. Thanks to the Mt Gambier Club for their help also with everything, the club really do a great job on Cup day and across the racing calendar and around the club with their initiatives such as the Calcutta and tipping competitions.

Both Murray Bridge and Mount Gambier have a great country cup feeling with a great family and friends atmosphere on course, I am sure those who attended either event had a great experience.

Angle Park 50th Anniversary Cup

The last of our bigger race events for the start of the year will be here on Friday April 29th, with an evening timeslot to celebrate 50 years of greyhound racing at Angle Park.

The event will see a lot of what you see at an Adelaide Cup, with food vans, bars, bookies and TAB operators, as well as music, the GAP tent and activities for the kids. There will also be the unveiling of a special history book (read more below) as well as another special unveiling that we will keep quiet until the night so stay tuned! We will be reliving some of the nostalgia of the early days of greyhound racing at Angle Park so keep your eyes peeled for that too. We are hoping for a large crowd on course, but COVID-19 and the accompanying isolation has been keeping crowds down from the numbers we have seen in years gone by, with the AFL crowds an indicator of this.

History of Angle Park book

At the upcoming Anniversary Cup, we will be releasing the 50 Years of Greyhound Racing at Angle Park book written by industry stalwart Ray Fewings.

The book has been a large project that has some great history from the early days of Angle Park through to some more recent tales about Adelaide's home of greyhound racing. There have been many people who have assisted in bringing the history side together such as Tony Welfare, June Whyte and co, as well as great help from people bringing it together such as our author Michelangelo Rucci, our designer James Norris and Sheri Milam who has been an all around great help. The book will be available for purchase at the Angle Park 50th Anniversary Cup event, so get in quick to get your copy!

New GRSA website

The new Greyhound Racing SA website will be launched in the coming month.

Users will notice the website has changed in terms of its look and feel, following extensive punter and participant interviews, surveys and testing. The website is now fully mobile responsive and includes Victorian form, stats and access to replays. A lot of work has gone into the form guide and racing data section to improve the experience of our punters and participants. To allow for a smooth transition, we will continue to allow for users to access the current website for a number of months. Like anything, there is always room for improvement, and we have already begun looking into future improvements of the website that include further statistical information such as stats on a greyhounds littermates, display of GPS data for racing as well as automated form guide data in Excel and similar formats. We always welcome feedback on the site about any issues and possible improvements, so please email any feedback to marketing@grsa.com.au so we can continue to improve our offering.

Memorable feature win in SA Launching Pad

■ ANGLE PARK

The final of the SA Launching Pad series at Angle Park on March 17 was a fitting finale to a great series with Charlee's Misty for trainer Ed Burrett booking her spot in the 2022 Launching Pad series for SA at Sandown.

Only new to SA, Charlee's Misty only had her first start in the state in the heats the week prior where she ran an encouraging second after being purchased by Ed from NSW. The daughter of Fernando Bale and Flighty Egyptian made full use of her inside draw as the start was affected, railing hard to the first turn to challenge for the early lead. There was a five way drive for the lead with Charlee's Misty joined by first reserve, Nikita for Don Turner, Clear View for Tara Rasmussen, Springvale Rex for Gavin Harris and widest of all was Fantastic Faith for Ossie Chegia. Race favourite, Lot Of Poise for Tony Rasmussen was back near last and in traffic after a slow beginning.

As they raced into the first bend Charlee's Misty asserted her authority on the race and pushed hard to lead with Nikita following through while other runners received checks to varying degrees due to such tight racing. As the field settled themselves into their racing positions into the back straight Charlee's Misty scooted away with the lead quickly followed by Nikita, second reserve Paul Keeping for Jack Trengove took advantage of the tight racing and scrambling for positions and moved to third just ahead of Fantastic Faith. Off the back straight the field was basically in single file with Charlee's Misty proving very hard to catch. Turning for home and Charlee's Misty was going nicely in the lead and kicked clear with Nikita being challenged for second place by Paul Keeping who made ground along the rails. Down to the winning post and Charlee's Misty came clear for a strong win in a slick 30.83 in winning by over 4 lengths from Paul Keeping who ran home well for second just ahead of Nikita

who battled on into third just ahead of Fantastic Faith.

It was a great feature win for Ed, who only has 2 dogs in work and helps soften the disappointment from last September when he had one of the favourites for the SA Oaks, Zipping Decoy after her brilliant win in the heats but unfortunately was scratched just days before the Group 3 final. Charlee's Misty ran 4th in the first heat at Sandown on March 31 behind star Wow She's Fast before finishing 7th the following week in the semis.

SYNTHETIC LURES

Participants can now purchase GRSA supplied synthetic lures, available at Angle Park admin reception

Participants that have previously purchased a sheepskin lure from GRSA (below), can exchange these lures free of charge for a new synthetic model – the old lure must be produced and handed to GRSA.

***** Please note that as of 1st May 2022, participants can only use synthetic material when educating their greyhounds. *****

Springvale Maddi wins Gawler Future Stars

■ GAWLER

Easter Sunday greyhound racing action came to Gawler with a terrific ten race card take place at the venue. The race meeting was highlighted by the 2022 Gawler Future Stars Final.

The two Heats were run the week prior and were taken out by Springvale Rex and Springvale Max for trainer Gavin Harris. Despite only running third in her Heat the race favourite for the final would be Springvale Maddi who is trained by Cherylee Barber. Springvale Maddi was the winner of the SA St Leger earlier in the year at Angle Park.

The race favourite Springvale Maddi jumped very well from box four and found the lead very early in the race. She ran a 3.15 first split and looked very hard to run down in the early stages of the race. She extended on her lead down the back and up the straight to win by a massive six lengths and three quarters. She ran a super quick time of 30.66 which is just outside of her personal best of 30.64. Springvale Maddi is half owned by Gavin Harris who is the trainer of the second place getter Springvale Rex. The other Gavin

Harris owned greyhound in the race was Springvale Max. Maddie, Rex and Max are all from the same litter of pups

and all owned by Gavin Harris. The Springvale litter are definitely a group of greyhounds to keep an eye on.

GAP kennelling fee payment process change

Please note that as of 1st August 2021 the GAP kennelling payment process has changed for a trial period of three months.

The changes are as follows:

Instead of making a weekly payment of \$33 per dog, the new kennelling fee will be a flat amount of \$50 per dog, irrespective of the time period the greyhound will spend at the GAP kennels.

Participants who would like their greyhounds placed in the GAP kennels will be requested to pay the \$50 at the time when the placement form is filled in and the \$60 placement fee is paid.

This means that for greyhounds that are to be kennelled with GAP an upfront payment of \$110 will be requested. After that, participants will not need to make any additional payments for their dogs in the GAP kennels. Noting that prior to foster care dogs spend an average of 4 weeks in kennels, this change is expected to generate a saving of \$82 per dog for participants.

If you have any questions, please email GAP at gap@grsa.com.au or phone 8243 7124.

Monday 30th May 3.30pm to 6.00pm

Booking day Monday 23rd May

All bookings are essential.

Please call GAP SA on 8243 7124 on the booking day to book your dogs in for assessment. You will also need to bring the greyhounds identification card with you on the day.

Greyhounds should not be raced or trialled within the 10 days prior to assessment.

Please remember to book in your greyhound's vet work AFTER you submit the GAP placement form.

Kind reminder from GAP:

Please submit a placement form if your greyhound has already passed the GAP first point assessment.

If you have not submitted the placement form within six months after the assessment, your greyhound will have to be re-assessed by GAP.

If your greyhound returned to racing or trialled after a successful assessment, it will have to be re-assessed after a 10-day downtime again. Thank you!

Voluntary payment for GAP SA on prizemoney forms

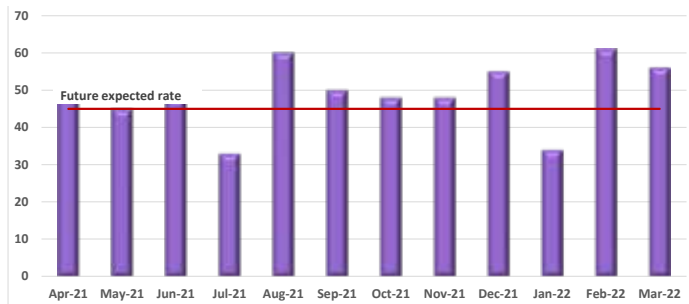

Owners can direct prizemoney to GAP on the Prizemoney Reimbursement forms. GRSA has made this change on the forms where Owners can direct a percentage of prizemoney to GAP.

These forms are available on the website and from GRSA.

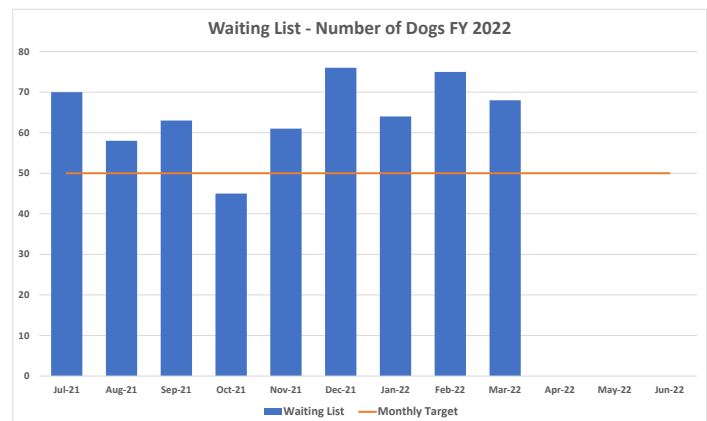

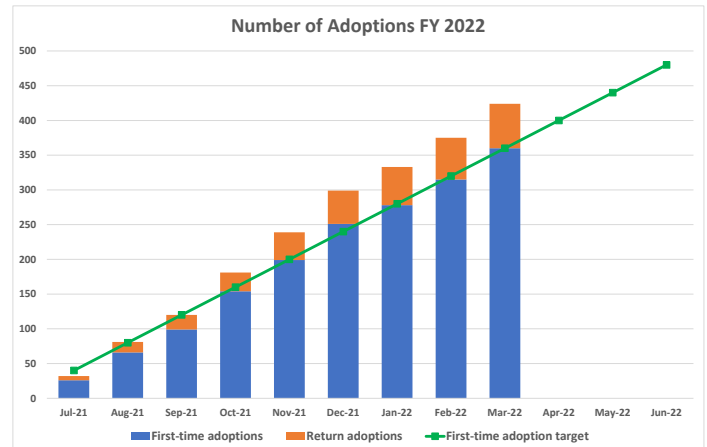

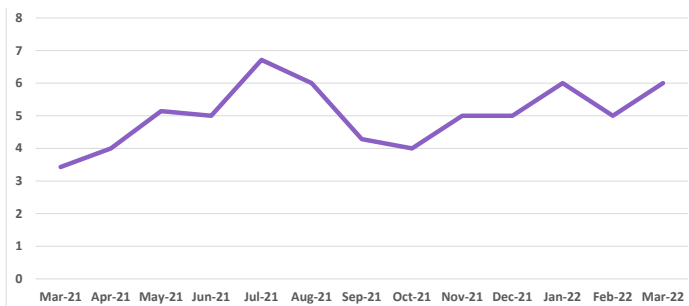

Latest updates from GAP

As previously advised, GAP have been increasing the number of assessments in the monthly schedule.

We continue to look to increase these further in order to offer a wider variety of times to meet participants varying requirements. The following graph depicts the number of assessments that have been occurring on a monthly basis.

We have also been working on reducing the time between assessment and entry into the program. The following graph shows the average monthly waiting times in weeks.

ANGLE PARK

SINGLE TRIALS

A reminder to trainers that single trials can be booked with two greyhounds however you need to advise when booking of your intention to do this. If you wish to put three or more into this trial then a field trial will have to be booked.

BOOKING NUMBER FOR TRIALS

Participants wishing to book trials are required to ring 8243 7172, this phone line will only be used for trial bookings and will queue participants. By having this one number with participants queuing makes this process to be a more efficient way of booking trials.

There will be NO trials accepted through the normal administration number. To be fair to everyone GRSA will only accept bookings using the new number or alternatively logon to trialbooker.com, create an account and book your own trials.

POLICY FOR TRIALLING AT ANGLE PARK, GAWLER AND MURRAY BRIDGE BEFORE THE RACE MEETING

Policy Background

This policy is to detail the procedure for trainers seeking greyhounds to trial before race meetings. This policy is effective from 2 May 2019.

Race Meeting Trial Policy

This policy is in place for the following race meetings:

Angle Park Monday, Gawler Wednesday and Sunday, Murray Bridge Tuesday and Friday.

Two fields from the boxes with a maximum of four (4)

Voluntary payment for GAP SA on prizemoney forms

Owners can direct prizemoney to GAP on the Prizemoney Reimbursement forms. GRSA has made this change on the forms where Owners can direct a percentage of prizemoney to GAP.

These forms are available on the website and from GRSA.

greyhounds. Trials may be conducted at any time during the race meeting from immediately after kennelling until after the last race, at Stewards' discretion.

The following lists the order in which greyhounds will be selected in the event if more than eight (8) greyhounds are nominated:

1. Reserves at the meeting that do not obtain a start
2. Trainers that have greyhounds engaged and are located more than 100km in distance from the track
3. Satisfactory trials

Procedure/criteria

1. For Angle Park Monday night, the trainer is to contact GRSA between 9am and 10am on Monday to nominate. Should the Monday be a public holiday bookings are to be made between 8am and 9am on the scratching number.
2. For Murray Bridge Tuesday & Friday, the trainer is to contact GRSA between 3pm and 4pm the day before. Should any of these times fall on a public holiday bookings are to be made during scratching times.
3. For Gawler Wednesday, the trainer is to contact GRSA between 3pm and 4pm the day before. Should any of these times fall on a public holiday bookings are to be made during scratching times. For Gawler Sunday, the trainer is to contact the scratching number on Sunday between 8am and 9am.
4. Other than reserve greyhounds, trainers will be restricted to trialling one (1) greyhound unless nominations determine otherwise.
5. Stewards will allocate the box for the greyhound.
6. Trials will be 515m, 530m & 531m in distance as first preference. Other distances considered depending on nominations.
7. Greyhounds currently under suspension are ineligible to trial unless they are undertaking a satisfactory trial to be cleared.
8. Greyhound registration cards must be produced at kennelling time.
9. Trainers with other greyhounds engaged can utilise the extra kennel space until such time they are ready to leave.
Trainers with no other greyhounds engaged will be permitted to leave with Stewards permission.
10. In the case of race at Murray Bridge, trials will only be available on the track that is prepared to race that day i.e. Friday meeting on the u-shaped track, trials will be on the u-shaped track only.

Please note: If there are 12 races at Angle Park, Gawler or Murray Bridge there will be NO trials.

The Angle Park Vet Clinic and/or swab kennels cannot be used to accommodate any additional greyhounds due to operational requirements of the Clinic and Stewards.

It is vital that trainers nominate to trial at these race

meetings. If you are unable to nominate at these times, please contact GRSA as soon as possible as permission may be given at GRSA's discretion to accept bookings outside these times.

Exceptions to this policy

Thursday nights are kept available for interstate greyhounds to solo trial in a lead-up to SA Group races as well as local greyhound's trialling for Group racing interstate.

Upon request, local greyhounds will be allowed to solo trial in a lead-up to a feature race and they will take one of the eight (8) kennels available for trialling greyhounds ahead of the policy and sit separate to the four (4) dog trials. Races considered to be a feature are: Adelaide Cup, Gawler Cup, Oaks, Derby, Howard Ashton, Brian Johnstone, SA Sprint, SA Distance Championship, SA Anniversary Cup, SA Country Cup, National Finals and any interstate Group race

Local greyhounds will be permitted to trial on a race night, where they are in preparation for a feature event, nominated for a meeting and the race does not stand up. This will include all distances and also take precedence over the policy. If a greyhound qualifies for a feature final and requires a trial in between, this will be conducted as a solo trial and will sit separately to the four (4) dog trials.

MOUNT GAMBIER SATISFACTORY TRIALS

Trainers are advised of a change to the booking of Satisfactory Trials at Mt. Gambier. Mt Gambier hold trials on Tuesday and Saturday mornings with Satisfactory trials ONLY being conducted on Tuesdays and need to be booked with Barry Shephard from the Club on 0419 824 512.

At Race meetings Satisfactory trials can be done when less than 12 races. When there are 12 races these can be considered, however, the trainer will not be able to kennel and must take their greyhounds home straight after the trial. These race day trials will also need to be booked through Barry at the Club. GRSA administration staff will NOT accept these bookings and trainers will be directed to contact Barry Shephard.

SA BRED PUPS FOR SALE

ZIPPING GARTH x MERCEDES MONELLI

4 DOGS \$2,200
4 BITCHES \$2,000

Whelped 19/1/2022

Sire – Zipping Garth – needs no introduction.

Brilliant young race dog making his mark at stud. His first season standing at stud has been a cracker of a year going at a strike rate of 21% win, 49% place.

Dam – Mercedes Monelli – 62st 7-8-5 \$30,000k

Mercedes was a durable versatile race bitch with a race day attitude winning races from 400m-600m.

Mercedes has a good size confirmation and has thrown that into her pups.

Mercedes Monelli's dam – Jackie Bale – 94st 13-19-14 \$53,450

Jackie Bale produced 4 litters 1531st 267-256-230 (18% win/33% place) and her progeny amassed \$1,129,285 in stake money. This is a proven dam line.

Pups are leggy, in excellent condition and priced to sell.

JURY x MAGIC EMGRAND

4 DOGS \$1,800
3 BITCHES \$1,500

Whelped 31/12/2021

Sire – Jury – 38 st 14-7-4 \$305k

Jury is a dual Group One winner. Won Sandown 29.38, Albion Park 29.75, Ipswich 30.37.

Jury is a Group producing sire.

- Sentenced won G2 QLD derby,

- Indictment QLD Publicans Cup Final, Albion Park maiden 29.80

Jury has produced many winners from limited matings.

Dam – Magic Emgrand – 61st 8-12-7 \$31,500k

Magic Emgrand is a city winning bitch (NSW)

She was a very versatile race bitch who raced from 400m – 720m. She showed good early speed, good stamina and chased hard. Won at WPK 520m 30.04, Rich 535/618m, Gos 515 29.86

Placed at WPK 720m.

This is Magic Emgrand's first litter and pups are in excellent condition and priced to sell.

JOKE OF THE MONTH!

Concerned that he might have put on a few pounds, my husband exited the bathroom and asked, "Do you think my chin is getting fat?" I smiled lovingly and replied, "Which one?".

GRSA ONLINE TRIAL BOOKING SYSTEM FAQs

Below are details regarding the Trial Booker process. GRSA is working at getting all tracks in SA on the online booking process to assist with clubs, staff and participants at trial sessions.

Below is examples provided a few years ago so the dates and distances will have changed, however, will give industry a good idea when they log on to the Trial Booker which they can do through the GRSA website.

How do I register an account to book public trials online?

Visit www.trialbooker.com, click on the "register an account" link and fill in the appropriate details.

How do I book a specific trial online?

To book 4 trials, click Book 4:

As soon as you have pressed the Book button, those trials are booked and yours to keep. You then customise the distance, number of dogs, and type for each trial, and confirm them

To review your bookings, return to the Home page:

Angle Park Racing Club

Tuesday, 26th July 2016

Your bookings:

- 7:00 PM 731m (Solo)
- 7:00 PM 515m Slip (Solo)
- 7:00 PM 515m Unproven Field (x1)
- 7:00 PM 388m Box To Box (x2)
- 7:00 PM 274m FOL (Solo)

Field Trials

Existing field trials will appear in each block. To book a dog in an existing field trial simply click the Book 1/2/3 button.

If there are no available field trials of the distance and type you require then feel free to create one yourself. Simply book a slot as-per-normal and select Maiden Field or Performed Field, as shown below.

Note: booking a dog or several dogs in a field trial counts as 1 trial towards your 4 trial maximum.

When do trial bookings commence each week?

Bookings for meetings will commence at 11.30am the working day prior to the trial session (henceforth known as "booking opening time").

Is there a limit to how many trials I can book online?

Yes: 4. If you wish to reserve more than 4 trials a session then you must phone the office as per normal. For example, in the screenshot below, it indicates that you can book 3 more trials using TrialBooker without phoning.

Angle Park Racing Club Tuesday, 26th July 2016

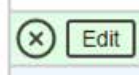

You have
3 trials remaining
in this session

To book more than 4 trials phone GRSA on
Note: booking dogs in a field trial counts as 1 trial towards your limit

Why am I limited to 4 trials in one block?

In short: to prevent abuse of the system. To book more phone the office after booking opening time.

Can I cancel a trial booking online? Yes: Press the X button and confirm.

Will I receive a confirmation to confirm my online trial booking?

Your trials are reserved for you as soon as you press the "Book 4" button (or "Book 4" or whichever it may be). You must then confirm the details of those trials (distance, number of dogs etc.). There will be a summary of your bookings in each session on the Home page.

Can I book trials for other licensees? No—under no circumstances may you book trials for anyone other than yourself using TrialBooker. Dogs must be brought in and paid for by the person whose name they were booked under. If you wish to share a non-field trial with another trainer you must book over the phone.

How can I book a trial if I don't have access to a computer?

You can still book trials by calling the office after booking opening time.

WHY USE FRESH PET FOOD CO

Kangaroo is a 100% natural lean meat that is sustainably and ethically sourced. Nutritionally, kangaroo meat is superior to farmed meats. Because kangaroos are not farmed, they are truly free roaming, open range animals that graze on natural vegetation. So what you get is a clean meat that's 100% Australian!

**Proudly supplying fresh pet food to feed
GAP SA greyhounds for the duration of their
foster care as well as the first week of adoption**

Fresh Pet Food Co kangaroo products are available in the fresh pet food section of major supermarkets nationally.
